Public Policy Disasters In Western Europe:

Public Policy Disasters in Europe Paul 't Hart, Pat Gray, 2005-06-27 This book considers some recent and spectacular failures in policy making and asks what is meant by policy disaster the different forms that they can take and why they have occurred These issues are explored in nine contrasting cases drawn from both the European Union and its member states These include the devastating crisis in the Belgium political system following the exposure of a paedophile ring the crisis in the Dutch fight against drugs Mad Cows the Arms to Iraq affair in the UK monetary union between West and East Germany the Swedish monetary crisis of 1992 and the EU's common fisheries policy and policies towards civil war in Yugoslavia This book is an excellent study of how and why policies can go wrong and highlights the limits of what governments can achieve in Western Europe

Fiascos in Public Policy and Foreign Policy Kai Oppermann, Alexander Spencer, 2018-04-19 The collection brings together scholars from Public Policy and Foreign Policy to address the theme of policy fiascos So far research on failure and fiascos in both Public Policy and Foreign Policy has existed independent of each other with very little communication between the two sub disciplines The contributions aims to bridge this divide and bring the two sides into a dialogue on some of the central issues in the study of fiascos including how to define identify and measure policy failure and success the social and political contestation about what counts as policy fiascos the causes of policy fiascos and their consequences the attribution of blame as well as processes of learning from fiascos A common theme of the collection will be to explore different epistemological and methodological approaches to studying policy fiascos The volume appeals to scholars and practitioners interested in policy failures and fiascos both within and among states and other international actors This book was previously published as a special issue of the Journal of European Public Policy

Political Mistakes and Policy Failures in International Relations Andreas Kruck, Kai Oppermann, Alexander Spencer, 2018-02-16 This edited volume analyzes mistakes in different areas of international relations including the realms of security foreign policy finance health development environmental policy and migration By starting out from a broad concept of mistakes as something considered to have gone wrong the edited volume enables comparisons of various kinds of mistakes from a range of analytical perspectives including objectivist and interpretivist approaches in order to draw out answers to the following guiding questions How does one identify and research a mistake Why do mistakes happen How are actors made responsible When and how do actors learn from mistakes This book will be of great interest to scholars undergraduate and postgraduate students as well as practitioners in International Relations Foreign Policy Analysis Security Studies International Political Economy and Diplomatic History

Government Institutions: Effects, Changes and Normative Foundations Hendrik Wagenaar, 2012-12-06 Research on government institutions is one of the most exciting intellectual areas in political science and policy studies today Increasingly it is recognized by scholars in these fields that effective and legitimate policies depend on the design and maintenance of complex institutional arrangements This book brings together some of the leading scholars

in institutional research in The Netherlands Their work addresses such perennially difficult questions in institutional research such as How do we understand institutional change How do we measure the effects of institutions on societal sectors and public policy How do the normative foundations of government institutions influence their functioning What are the principles of effective and legitimate institutional design Through analysis of well researched examples ranging from the fabled Dutch poldermodel through the transformation of the welfare state through privatizations of the Dutch telecommunications industry to the work of welfare officials these authors demonstrate the interpenetration of normative empirical and design issues in institutional theory The book is intended for scholars and graduate students in political science public policy public administration and law

The Oxford Handbook of Foreign Policy Analysis Juliet Kaarbo, Cameron G. Thies, 2024 The Oxford Handbook of Foreign Policy Analysis provides an inclusive and forward looking assessment of this subfield Edited and written by a team of word class scholars it sets the agenda for future research in FPA and in IR

The Oxford Handbook of Public Policy Michael Moran, Martin Rein, Robert E. Goodin, 2008-06-12 This is part of a ten volume set of reference books offering authoritative and engaging critical overviews of the state of political science This work explores the business end of politics where theory meets practice in the pursuit of public good

Crises and Challenges for the European Union Mark Rhinard, Neill Nugent, William E. Paterson, 2023-10-19 The crises of the European Union extend beyond the challenges of Covid 19 Brexit the Eurozone and mass migration cutting to the core of the EU itself Taking a structural rather than event based approach this text unpacks all aspects of the EU in crisis and analyses the implications of these crises for the EU and its member states This edition argues that crises and challenges are no longer unique and discreet events facing the EU but rather they are better understood as sustained conditions that have changed the relationships between member states the functioning of institutions the nature of public engagement and the prospects for integration Chapters broach institutional issues as well as specific policy challenges covering questions of legitimacy and leadership and offering a full chapter on democracy and Euroscepticism Working within both historical and theoretical frameworks this is the perfect companion for those studying and researching contemporary challenges facing the EU European integration political crisis management and transboundary crises more broadly

Risk and Crisis Management in the Public Sector Lynn T Drennan, Allan McConnell, Alastair Stark, 2014-12-24 Every decision that is made by managers and policy makers in a public sector organization requires an evaluation and a judgement of the risks involved This vital requirement has been recognised in the growth of risk management However risks can never be fully prevented which means that public managers also have to be crisis managers Today s crises develop in unseen ways they escalate rapidly and transform through the interdependencies of modern society and their frequency is growing the global financial crisis the European volcanic ash cloud the Japanese tsunami and subsequent Fukushima nuclear plant meltdown the Christchurch earthquake and the Queensland floods All highlight the extreme challenges that public sector organizations across the world

have had to face in recent years Risk and Crisis Management in the Public Sector Second Edition responds to these challenges by presenting the only guide for public managers and public management students which combines lessons about risk and crisis management together in a single accessible text It equips readers and public managers with the knowledge and skills to understand key issues and debates as well as the capacity to treat risks and better prepare for respond to and recover from crisis episodes This exciting new edition enhances the original text with contemporary cases and a greater focus on the international trans boundary and multi agency dimensions of risk and crisis management These enhancements reflect the fact that today s public manager must increasingly operate within a global and interdependent governance context

A Modern Guide to Public Policy Giliberto Capano, Michael Howlett, 2020-10-30 A Modern Guide to Public Policy explores the many approaches and methodologies in the study of policy making that have appeared over recent decades ranging from the examination of micro level of human behaviour to the impact of global political systems on policies and policy making This expertly curated and accessible Elgar Modern Guide is a valuable resource for both graduate and undergraduate students and for practitioners seeking an introduction to public policy and public management and a concise guide to research in the discipline

Recasting European Welfare States Maurizio Ferrera, Martin Rhodes, 2000 Presents recent research on the recasting of European welfare states resulting from the European Forum on Welfare States held at the European University Institute in Florence during 1998 99 Offers comparative analysis of topical issues and in depth studies of changes in the major European countries Analyzes the impact of retrenchment and reform and adds to ongoing debates about policy convergence trade offs of innovation cost savings and equity Ferrera teaches public policy and administration at the University of Pavia and directs the Center for Comparative Political Research at Bocconi University Italy Rhodes teaches European public policy at the European University Institute Italy Distributed by ISBS Annotation copyrighted by Book News Inc Portland OR
