Public Policy In Latin America A Comparative Study:

Public Policy in Latin America John W. Sloan, 2010-11-23 The study of Latin America has long been an ideological battleground Scholars disagree on every major issue the impact of the U S influence in the region the political orientation of the middle class the role of the military the rate of socioeconomic change and the viability of reform Public Policy in Latin America is a masterful synthesis of scholarship on the region Sloan studies political phenomena not by making superficial comparisons between leaders parties or styles but by examining what governments do the creation of public policy through political process The decisions to stress accumulation versus distribution of economic goods the role of the bureaucracy and the quality of political participation tell more about a nation than what party or persons are in power Comparative Public Policy in Latin America Susan Franceschet, Jordi Díez, 2012-01-01 This pioneering collection offers a comprehensive investigation into how to study public policy in Latin America While this region exhibits many similarities with the North American and European countries that have traditionally served as sources for generating public policy knowledge Latin American countries are also different in many fundamental ways As such existing policy concepts and frameworks may not always be the most effective tools of analysis for this unique region To fill this gap Comparative Public Policy in Latin America offers guidelines for refining current theories to suit Latin America s contemporary institutional and socio economic realities The contributors accomplish this task by identifying the features of the region that shape public policy including informal norms and practices social inequality and weak institutions This book promises to become the definitive work on contemporary public policy in Latin America essential for those who study the area as well as comparative public policy more broadly

Policymaking for Conservation in Latin America Jack W. Hopkins, 1995-10-20 The book a study of policymaking for conservation in Latin America employs comparative analysis to explain the policy process in three countries Argentina Chile and Costa Rica Case studies and examples of important policy decisions made in the three countries are employed to help illuminate variations in the policy process from country to country The analysis is set against the constant conflict between demands for economic development and conservation Hopkins has selected important examples of policy problems in the areas of conservation national parks and environmental protection in the three countries and set these against the political system in each country for comparison The cases range from the controversial issue of Lago Chungara in Chile to Corcovado National Park in Costa Rica to the Yacyreta hydroelectric project in Argentina The study aims at beginning to fill an important gap in the literature on national parks conservation and environmental protection in Latin America As such the volume will be of interest to students of contemporary Latin America policymaking and environmental studies

Politics and Petroleum in Ecuador John D. Martz, In 1972 Ecuador began to produce and export petroleum in the Amazon interior and the formulation and execution of the petroleum policy became central to the political life of the nation The nation s armed forces seized political power that same year and continued to rule until the reestablishment of democratic pluralist government in 1979 In this book John D Martz probes the differences and similarities between military authoritarianism and democratic pluralism through an analysis of the politics of petroleum in Ecuador The Ecuadorian experience provides an ideal laboratory to test the policymaking characteristics and the overall performances of the two regimes ideal types Martz uses a textured and detailed analysis of global oil companies and nationalist politics to trace the growth and evolution of Ecuador s petroleum industry The course of partisan and sectoral politics and the internal workings of military politics are also examined Against this interplay of politics and the nationalistic struggle against multinational pressures Martz compares policymaking under military and civilian government John D Martz is a professor of political science at Pennsylvania State University He is the author and editor of more than a dozen books on Latin American politics and was the editor of the Latin American Research Review from 1975 to
