

PUBLIC POLICY

Public policy refers to the government's stance toward, and efforts to address, issues of public concern.

DEFINITION

Peters defines public policy as "...the set of activities that governments engage in for the purpose of changing their economy and society" (2015). Public policy decisions are primarily made by the government, although they can sometimes involve non-profit organizations and citizens (experts, stakeholders, etc.) (Brandson, 2022). Various scholars conceive public policy in different ways.

EXAMPLE

Public Health Policy: The government's health policy covers aspects such as providing healthcare access to everybody, ensuring affordability and quality, tackling public health emergencies, and so on. Many countries, such as Canada and the United Kingdom, have centrally managed health systems with the goal of accessibility for all, while the USA has a more open-market system.

Public Policy Issues Analysis And Ideology Chatham House Series On Change In American Politics

Frederic Hanusch

Public Policy Issues Analysis And Ideology Chatham House Series On Change In American Politics:

Public Policy Ellen F. Paul, Philip A. Russo, **Library of Congress Catalogs** Library of Congress, 1982 *Bowker's Law Books and Serials in Print*, 1986 *Policy Success in Canada* Evert Lindquist, Michael Howlett, Grace Skogstad, Geneviève Tellier, Paul t' Hart, 2022-07-08 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations In Canada many public projects programs and services perform well and many are very successful However these cases are consistently underexposed and understudied in the policy literature which for various reasons tends to focus on policy mistakes and learning from failures rather than successes In fact studies of public policy successes are rare not just in Canada but the world over although this has started to change McConnell 2010 2017 Compton Luetjens Mintrom t Hart 2019 Like those publications the aims of *Policy Success in Canada* are to see describe acknowledge and promote learning from past and present instances of highly effective and highly valued public policymaking This exercise will be done through detailed examination of selected case studies of policy success in different eras governments and policy domains in Canada This book project is embedded in a broader project led by t Hart and OUP exploring policy successes globally and regionally It is envisaged as a companion volume to OUP's 2019 offering *Great Policy Successes* Compton and t Hart 2019 and to *Successful Public Policy in the Nordic Countries* de La Porte et al 2022 This present volume provides an opportunity to analyze what is similar and distinctive about introducing and implementing successful public policy in one of the world's most politically decentralized and regionally diverse federation and oldest democratic polities

Entrepreneurial Management and Public Policy Van R. Johnston, 2000 A collection of 14 papers by Johnston and other scholars **Party Politics in Taiwan** Dafydd Fell, 2006-09-27 In 1991 Taiwan held its first fully democratic election This first single volume of party politics in Taiwan analyzes the evolution of party competition in the country looking at how Taiwan's parties have adjusted to their new multi party election environment It features key chapters on the development of party politics in Taiwan the impact of party change on social welfare corruption and national identity party politics in the DPP era Including interviews with high ranking Taiwanese politicians and material on the 2004 Presidential election this important work brings the literature up to date It provides a valuable resource for scholars of Chinese and Taiwanese politics and a welcome addition to the field of regime transition and democratization *Governing States and Localities* Kevin B. Smith, Alan Greenblatt, 2016-11-30 The partisan and ideological polarization associated with federal government plagues states and localities too bringing with it significant implications for public policy and intergovernmental relations The trusted and proven *Governing States and Localities* guides students through these issues and continues its focus on the role economic and budget pressures play With their engaging journalistic writing and crisp storytelling Kevin B Smith and Alan Greenblatt employ a comparative approach to explain how and why states and localities are both similar and different in

institutional structure culture history economy geography and demographics A great blend of high quality academic analysis and the latest scholarship the Sixth Edition is thoroughly updated to account for such major developments as state vs federal conflicts over immigration reform gun control and voter rights health and education reforms aimed at improving the effectiveness of state and local government service delivery and the lingering effects of the Great Recession

Monographic Series Library of Congress, **Democracy and Climate Change** Frederic Hanusch, 2017-07-28

Democracy and Climate Change explores the various ways in which democratic principles can lead governments to respond differently to climate change The election cycle can lead to short termism which often appears to be at odds with the long term nature of climate change with its latency between cause and effect However it is clear that some democracies deal with climate change better than others and this book demonstrates that overall stronger democratic qualities tend to correlate with improved climate performance Beginning by outlining a general concept of democratic efficacy the book provides an empirical analysis of the influence of the quality of democracy on climate change performance across dozens of countries The specific case study of Canada s Kyoto Protocol process is then used to explain the mechanisms of democratic influence in depth The wide ranging research presented in the book opens up several new and exciting avenues of enquiry and will be of considerable interest to researchers with an interest in comparative politics democracy studies and environmental policies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY ND 4 0 license

[The Oxford Handbook of Political Executives](#)
Rudy B. Andeweg, Robert Elgie, Ludger Helms, Juliet Kaarbo, Ferdinand Müller-Rommel, 2020-07-30 Political executives have been at the centre of public and scholarly attention long before the inception of modern political science In the contemporary world political executives have come to dominate the political stage in many democratic and autocratic regimes The Oxford Handbook of Political Executives marks the definitive reference work in this field Edited and written by a team of world class scholars it combines substantive stocktaking with setting new agendas for the next generation of political executive research
