Public Sentiments Structures Of Feeling In Nineteenth Century American Literature

Glenn Hendler

Public Sentiments Structures Of Feeling In Nineteenth Century American Literature:

Public Sentiments Glenn Hendler, 2003-04-03 In this book Glenn Hendler explores what he calls the logic of sympathy in novels by Walt Whitman Louisa May Alcott T S Arthur Martin Delany Horatio Alger Fanny Fern Nathaniel Parker Willis Henry James Mark Twain and William Dean Howells For these nineteenth century writers he argues sympathetic identification was not strictly an individual feminizing and private feeling but the quintessentially public sentiment a transformative emotion with the power to shape social institutions and political movements Uniting current scholarship on gender in nineteenth century American culture with historical and theoretical debates on the definition of the public sphere in the period Hendler shows how novels taught diverse readers to feel right to experience their identities as male or female black or white middle or working class through a sentimental emotionally based structure of feeling He links novels with such wide ranging cultural and political discourses as the temperance movement feminism and black nationalism **Public Sentiments** demonstrates that whether published for commercial reasons or for higher moral and aesthetic purposes the nineteenth century American novel was conceived of as a public instrument designed to play in a sentimental key *The*

Public Life of Privacy in Nineteenth-Century American Literature Stacey Margolis, 2005-05-13 Challenges the familiar way of reading a major strain of 19th century American literature Rather than seeing this strain as preoccupied with a subject's inner mental life it shows that subjects can only be understood and understand themselves through **Representations of**

Death in Nineteenth-Century US Writing and Culture Lucy Frank, 2018-01-18 From the famous deathbed scene of Harriet Beecher Stowe's Little Eva to Mark Twain's parodically morbid poetess Emmeline Grangerford a preoccupation with human finitude informs the texture of nineteenth century US writing This collection traces the vicissitudes of this cultural preoccupation with the subject of death and examines how mortality served paradoxically as a site on which identity and subjectivity were productively rethought Contributors from North America and the United Kingdom representing the fields of literature theatre history and American studies analyze the sexual social and epistemological boundaries implicit in nineteenth century America's obsession with death while also seeking to give a voice to the strategies by which these boundaries were interrogated and displaced Topics include race and gender based investigations into the textual representation of death imaginative constructions and re constructions of social practice with regard to loss and memorialisation and literary reconceptualisations of death forced by personal and national trauma *Sentimentalism in*

Nineteenth-Century America Mary G. De Jong, 2013-06-07 Sentimentalism emerged in eighteenth century Europe as a moral philosophy founded on the belief that individuals are able to form relationships and communities because they can by an effort of the imagination understand one another's feelings American authors of both sexes who accepted these views cultivated readers' sympathy with others in order to promote self improvement motivate action to relieve suffering reinforce social unity and build national identity Entwined with domesticity and imperialism and finding expression in literature and in

public and private rituals sentimentalism became America's dominant ideology by the early nineteenth century. Sentimental writings and practices had political uses, some reformist and some repressive. They played major roles in the formation of bourgeois consciousness. The first new collection of scholarly essays on American sentimentalism since 1999, this volume brings together ten recent studies, eight published here for the first time. The Introduction assesses the current state of sentimentalism studies; the Afterword reflects on sentimentalism as a liberal discourse central to contemporary political thought as well as literary studies. Other contributors exploring topics characteristic of the field today examine nineteenth-century authors' treatments of education, grief, social inequalities, intimate relationships, and community. This volume has several distinctive features. It illustrates sentimentalism's appropriation of an array of literary forms: advice literature, personal narrative, and essays on education and urban poverty, as well as poetry and the novel, objects, memorial volumes, and cultural practices, communal singing, benevolence. It includes four essays on poetry, less frequently studied than fiction. It identifies internal contradictions that eventually fractured sentimentalism's viability as a belief system, yet suggests that the protean sentimental mode accommodated itself to revisionary and ironized literary uses, thus persisting long after twentieth-century critics pronounced it a casualty of the Civil War. This collection also offers fresh perspectives on three esteemed authors not usually classified as sentimentalists: Sarah Piatt, Walt Whitman, and Henry James, thus demonstrating that sentimental topics and techniques informed realism and modernism as they emerged. Offering close readings of nineteenth-century American texts and practices, this book demonstrates both the limits of sentimentalism and its wide and lasting influence.

Handbook of the American Novel of the Nineteenth Century Christine Gerhardt, 2018-06-11 This handbook offers students and researchers a compact introduction to the nineteenth-century American novel in the light of current debates, theoretical concepts, and critical methodologies. The volume turns to the nineteenth century as a formative era in American literary history, a time that saw both the rise of the novel as a genre and the emergence of an independent, confident American culture. A broad range of concise essays by European and American scholars demonstrates how some of America's most well-known and influential novels responded to and participated in the radical transformations that characterized American culture between the early republic and the age of imperial expansion. Part I consists of 7 systematic essays on key historical and critical frameworks, including debates about race and citizenship, transnationalism, environmentalism, and print culture, as well as sentimentalism, romance, and the gothic, realism, and naturalism. Part II provides 22 essays on individual novels, each combining an introduction to relevant cultural contexts with a fresh close reading and the discussion of critical perspectives shaped by literary and cultural theory.

The Politics of Anxiety in Nineteenth-Century American Literature Justine S. Murison, 2011-04-21 For much of the nineteenth century, the nervous system was a medical mystery, inspiring scientific studies and exciting great public interest. Because of this widespread fascination, the nerves came to explain the means by which mind and body related to each other. By the 1830s, the nervous

system helped Americans express the consequences on the body and for society of major historical changes Literary writers including Nathaniel Hawthorne and Harriet Beecher Stowe used the nerves as a metaphor to re imagine the role of the self amidst political social and religious tumults including debates about slavery and the revivals of the Second Great Awakening Representing the romance of the nervous system and its cultural impact thoughtfully and at times critically the fictional experiments of this century helped construct and explore a neurological vision of the body and mind Murison explains the impact of neurological medicine on nineteenth century literature and culture *Literary Celebrity and Public Life in the Nineteenth-Century United States* Bonnie Carr O'Neill,2017-10-15 Through extended readings of the works of P T Barnum Walt Whitman Ralph Waldo Emerson Frederick Douglass and Fanny Fern Bonnie Carr O Neill shows how celebrity culture authorizes audiences to evaluate public figures on personal terms and in so doing reallocates moral intellectual and affective authority and widens the public sphere O Neill examines how celebrity culture creates a context in which citizens regard one another as public figures while elevating individual public figures to an unprecedented personal fame Although this new publicity fosters nationalism it also imbues public life with personal feeling and transforms the public sphere into a site of divisive emotionally intense debate Further O Neill analyzes how celebrity culture s scrutiny of the lives and personalities of public figures collapses distinctions between the public and private spheres and as a consequence challenges assumptions about the self and personhood Celebrity culture intensifies the complex emotions and debates surrounding already fraught questions of national belonging and democratic participation even as for some it provides a means of redefining personhood and cultural identity O Neill offers a new critical approach within the growing scholarship on celebrity studies by exploring the relationship between the emergence of celebrity culture and civic discourse Her careful readings unravel the complexities of a form of publicity that fosters both mass consumption and cultural criticism The Oxford Handbook of Nineteenth-Century American Literature Russ Castronovo,2014-02 The Oxford Handbook of Nineteenth Century American Literature will offer a cutting edge assessment of the period s literature offering readers practical insights and proactive strategies for exploring novels poems and other literary creations A Companion to American Fiction, 1865 - 1914 Robert Paul Lamb,G. R. Thompson,2008-04-15 A Companion to American Fiction 1865 1914 is a groundbreaking collection of essays written by leading critics for a wide audience of scholars students and interested general readers An exceptionally broad ranging and accessible Companion to the study of American fiction of the post civil war period and the early twentieth century Brings together 29 essays by top scholars each of which presents a synthesis of the best research and offers an original perspective Divided into sections on historical traditions and genres contexts and themes and major authors Covers a mixture of canonical and the non canonical themes authors literatures and critical approaches Explores innovative topics such as ecological literature and ecocriticism children s literature and the influence of Darwin on fiction **Dying and Death** ,2007-01-01 Death is a topic people are reluctant to ponder Neither is dying a process that is usually being openly

discussed However on a variety of occasions dying and death are on a person's minds under some sensitive circumstances he or she are eager to discuss with a close person a friend a professional The present volume the second in the Series on Dying and Death is meant to enrich personal experience of dying or death by providing its reader with knowledge and understanding of some aspects of dying or death Section 1 describes practices of mourning in different times and places USA during the Civil War Ashley Byock the Island of Viz between Croatia and Italy Kathleen Young present day Israel Asa Kasher medieval Serbia Mira Crouch and post Holocaust USA Paula David Section 2 consists of reflections on mourning It includes philosophical discussions of Friendship Gary Peters Grace Dana Freibach Heifetz and the Other Havi Carel all in the context of mourning as well as Mourning itself as a skill Marguerite Peggy Flynn Section 3 brings papers on culture and suicide in early modern Holland Laura Cruz in historical Japan Lawrence Fouraker as well as in the Jazz age Kathleen Jones Section 4 discusses different predicaments of medics facing death and dying terminal diagnosis Angela Armstrong Coster palliative patients Anna Taube and the hospice setting Elizabeth Gill

Public Sentiments Structures Of Feeling In Nineteenth Century American Literature Introduction

In the digital age, access to information has become easier than ever before. The ability to download Public Sentiments Structures Of Feeling In Nineteenth Century American Literature has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Public Sentiments Structures Of Feeling In Nineteenth Century American Literature has opened up a world of possibilities. Downloading Public Sentiments Structures Of Feeling In Nineteenth Century American Literature provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Public Sentiments Structures Of Feeling In Nineteenth Century American Literature has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Public Sentiments Structures Of Feeling In Nineteenth Century American Literature. These websites range from academic databases offering research papers and journals to online libraries with an expansive

collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Public Sentiments Structures Of Feeling In Nineteenth Century American Literature. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Public Sentiments Structures Of Feeling In Nineteenth Century American Literature, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Public Sentiments Structures Of Feeling In Nineteenth Century American Literature has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
