Public Policies Towards Business:

Public Policies for Hybrid Governance Jarmo Vakkuri, Jan-Erik Johanson, Rómulo M. Pinheiro, Tero Erkkilä, 2025-04-09

This authoritative book examines the complex interplay between government business and civil society through the lens of public policy. It analyzes the role of hybridity in policy formation and diffusion drawing on in depth theoretical discussions alongside diverse case studies. Public Policies for Environmental Protection Paul Portney, Robert N. Stavins, 2010-10-28

The first edition of Public Policies for Environmental Protection contributed significantly to the incorporation of economic analysis in the study of environmental policy. Fully revised to account for changes in the institutional legal and regulatory framework of environmental policy the second edition features updated chapters on the EPA and federal regulation air and water pollution policy and hazardous and toxic substances. It includes entirely new chapters on market based environmental policies global climate change solid waste and for the first time coverage of the Safe Drinking Water Act. Portney Stavins and their contributors provide an invaluable resource for researchers policymakers industry professionals and journalists anyone who needs up to date information on U S environmental policy. With their careful explanation of policy alternatives the authors provide an ideal book for students in courses about environmental economics or environmental politics.
