**A Public Relations Survival Kit** S. E. Slack, 2002      **Experiencing Public Relations** Elizabeth Bridgen, Dejan Vercic, 2017-09-28 *Experiencing Public Relations* examines the everyday experiences of PR practitioners in order to better understand how public relations is perceived by those outside and within the field. The book aims to provoke debate around the nature of public relations by looking at how it is defined at a theoretical level compared to how it is lived and represented in the real world. Chapters feature work from some of the world's leading public relations scholars. They cover a diverse range of subjects such as representations of PR in fiction and film, terrorist use of public relations, the impact of social media on this medium, and a study of dirty work within the PR industry. The book also explores international PR practices, presenting analysis from contributors based in Australia, Germany, India, Norway, New Zealand, Poland, Russia, Slovenia, Spain, South Africa, Sweden, Taiwan, UAE, UK, USA, and Venezuela. *Experiencing Public Relations* goes beyond the frontstage scholarship of public relations to bring together stories of PR in daily life, revealing how influential theories work out in practice and translate into different cultural and social contexts. This book will provide researchers, professionals, and students with a vital perspective on the inner workings of public relations today.
