Publicizing And Promoting Programs

Jack H. Armstrong

Publicizing And Promoting Programs:

Adjusting Marketing Service Programs to Changing Conditions, 1959
Off-duty Education Program United States. Army Service Forces, 1945
Adolescent Development Institute of Medicine, National Research Council, Commission on Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Community-Level Programs for Youth, 2000-10-12 This report summarizes the presentations and discussion at a workshop entitled Opportunities to Promote Child and Adolescent Development During the After School Hours convened on October 21 1999 The workshop was organized by the Board on Children Youth and Families and its Forum on Adolescence of the National Research Council and the Institute of Medicine with funding from the David and Lucile Packard Foundation This workshop brought together policy makers researchers and practitioners to examine research on the developmental needs of children and adolescents ages 5 to 14 years and the types of after school programs designed to promote the health and development of these young people Intended to provide a forum for discussion among the various stakeholders the workshop did not generate conclusions about the types of programs that are most effective nor did it generate specific recommendations about after school programs or promote a particular approach The workshop coincided with release of the Packard Foundation's fall 1999 issue of *The Future of Children* entitled When School Is Out Focusing on after school programs the journal provided some context for the workshop providing a backdrop for discussing the importance of after school programs the types of programs that exist across the country and the policy climate that surrounds after school programs This report summarizes the workshop
Marketing Highway Technology and Programs, 1990 As the private sector applies marketing techniques to develop and ultimately to sell products to customers the Federal Highway Administration FHWA must also have effective approaches for developing products that meet the needs of the highway community and ensuring that those products are delivered The FHWA Executive Committee for Marketing formed two groups to assist in this effort the Work Group and the Marketing Team The result of their efforts is this report which establishes a framework for defining the process of marketing highway technology and programs within the FHWA's mission and an approach for building a cooperative relationship with the highway community Four premises are presented and discussed
Department of Commerce's Program to Promote Relocation of U.S. Industry United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Commerce, Transportation, and Tourism, 1987
OPM Should Promote Medical Necessity Programs for Federal Employees' Health Insurance United States. General Accounting Office, 1980
Sheep and Lamb Marketing Jack H. Armstrong, 1970
Meat Promotion Programs United States. Congress. Senate. Agriculture and Forestry Committee, 1958
Marketing Child Care Programs Mary Isabelle Frank, Bettye M. Caldwell, 1985 Is marketing appropriate for child care programs National leaders in marketing management and child care discuss the growing trend toward marketing child care programs As more agencies

recognize the need to develop their own marketing programs inherent obstacles particularly negative public and professional attitudes are revealed Marketing Child Care Programs addresses the resistance and offers strategies for surmounting the problems The contributors outline the value of marketing child care programs and document how different types of programs have successfully marketed their services through case studies and illustrations of various kinds of communication strategies The study of this trend and the exposure to successful marketing programs will prove valuable to administrators of profit and non profit child care agencies centers for special needs children and other church hospital and community related programs

Meat Promotion Programs United States. Congress. Senate. Committee on Agriculture and Forestry, United States. Congress. Senate. Committee on Agriculture and Forestry. Subcommittee on Agricultural Research and General Legislation, 1958
