Puebla A Pilgrimage Of Faith:

Puebla Pope John Paul II,1979

Puebla Jan Paweł II ((papież ;),1979

Witness to Hope George Weigel,2009-10-13

This definitive biography of Pope John Paul II explores his historic influence on the world stage Magnificent A tremendous achievement Washington Post As head of the Catholic Church from 1978 until his death in 2005 John Paul II was one of the world s most transformational figures With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of him as a man a thinker and a leader whose religious convictions defined a new approach to world politics and changed the course of history The Pope played a crucial yet underexplored role in some of the most momentous events of his time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America With an updated preface this edition of Witness to Hope explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world

Blood in the Fields Matthew Philipp Whelan,2020-02-14 On March 24 1980 a sniper shot and killed Archbishop Oscar Romero as he celebrated mass Today nearly four decades after his death the world continues to wrestle with the meaning of his witness Blood in the Fields Oscar Romero Catholic Social Teaching and Land Reform treats Romero s role in one of the central conflicts that seized El Salvador during his time as archbishop and that plunged the country into civil war immediately after his death the conflict over the concentration of agricultural land and the exclusion of the majority from access to land to farm Drawing extensively on historical and archival sources Blood in the Fields examines how and why Romero advocated for justice in the distribution of land and the cost he faced in doing so In contrast to his critics who understood Romero s calls for land reform as a communist inspired assault on private property Blood in the Fields shows how Romero relied upon what Catholic Social Teaching calls the common destination of created goods drawing out its implications for what property is and what possessing it entails For Romero the pursuit of land reform became part of a more comprehensive politics of common use prioritizing access of all peoples to God s gift of creation In this way Blood in the Fields reveals how close consideration of this conflict over land opened up into a much more expansive moral and theological landscape in which the struggle for justice in the distribution of land also became a struggle over what it meant to be human to live in society with others and even to be a follower of Christ Understanding this conflict and its theological stakes helps clarify the meaning of Romero s witness and the way God s work to restore creation in Christ is cruciform

Scripture Matters Scott Hahn,2003 Popular author and scholar Dr Scott Hahn has released a collection of essays on the study and interpretation of Scripture from a Catholic perspective Aptly titled Scripture Matters Essays on Reading the Bible from the Heart of the Church Dr Hahn takes a penetrating look into the depths of Scripture showing the reader how to uncover its many layers of meaning and inspiration Scripture Matters serves both as an instructional guide to reading the Bible and as a delightful meditation on the grandeur of

God's Word Dr Hahn effectively illustrates his discussion with the writings of Saint Thomas Aquinas Saint Josemaria Escrivá Cardinal Ratzinger and other exemplary scholars of Scripture who truly speak from the heart of the Church Joy to the World Scott Hahn, 2014-10-21 What could be more familiar than the Christmas story and yet what could be more extraordinary The cast of characters is strange and exotic shepherds and magicians an emperor and a despot angels and a baby who is Almighty God The strangeness calls for an explanation and this book provides it by examining the characters and the story in light of the biblical and historical context Bestselling author Scott Hahn who has written extensively on Scripture and the early Church brings evidence to light dispelling some of the mystery of the story Yet Christmas is made familiar all over again by showing it to be a family story Christmas as it appears in the New Testament is the story of a father a mother and a child their relationships their interactions their principles their individual lives and their common life To see the life of this earthly trinity is to gaze into heaven Family Matters Michaelann Martin, Curtis Martin, 2002 Make time for the thing that matters most your family Michaelann and Curtis Martin share valuable lessons from Scripture and their own experience on how to raise up a happy and holy family even amidst the challenges of today's culture *The Encyclicals of John Paul II* Richard A. Spinello, 2016-12-08 Pope John Paul II was the second longest serving pope in history and the longest serving pope of the last century His presence was influential not only to Catholics but also throughout the world The Encyclicals of John Paul II is the first book to focus in depth on the pope's fourteen encyclicals through which he communicated many of the key themes of his papacy The first part of the book includes helpful background information a brief biographical sketch of John Paul II's life his intellectual formation and central theological themes of his papacy including some of the major controversies of the 20th century The first section of the book also provides invaluable background on the nature of an encyclical including the history of this papal document The second part of the book provides a thorough commentary on these encyclicals The encyclicals are grouped by theme introduced individually and analyzed to trace broad themes through John Paul II's work and theology The Encyclicals of John Paul II provides an important discussion of these key documents from John Paul II's papacy Contradiction and Conflict Debra Sabia, 2014-02-28 Sabia examines the complex interaction of religious belief and political inspiration among internal divisions of Nicaragua's popular church *These Beautiful Bones: An Everyday Theology of the Body* Emily Stimpson, 2013-09-01 It was Blessed John Paul II's greatest gift to the Church The theology of the body A window into who we are the theology of the body is a theology for the rooms where we make love But it's also a theology for the rooms where we work where we eat where we laugh and where we pray These Beautiful Bones takes you on a walk through those rooms With both humor and practical wisdom it sheds light on what the theology of the body has to say about life beyond the bedroom about the everyday moments of life helping you discover how to let grace enter into those moments and make of them something extraordinary
