Puerto Rican Discourse A Sociolinguistic Study Of A New Yo:

Puerto Rican Discourse Lourdes M. Torres, 2013-12-02 Before conclusions about Spanish in the United States can be drawn individual communities must be studied in their own contexts That is the goal of Puerto Rican Discourse One tendency of previous work on Spanish in the United States has been an eagerness to generalize the findings of isolated studies to all Latino communities but the specific sociocultural contexts in which people and languages live often demand very different conclusions The results of Torres work indicate that the Spanish of Puerto Ricans living in Brentwood continues to survive in a restricted context Across the population of Brentwood for Puerto Ricans of all ages and language proficiencies the Spanish language continues to assume an important practical symbolic and affective role An examination of the structural features of 60 oral narratives narrative components and the verbal tenses associated with each overall Spanish verb use and clause complexity reveals little evidence of the simplification and loss across generations found in other studies of Spanish in the United States English dominant Puerto Ricans are able Spanish language narrators demonstrating a wide variety of storytelling skills The structure of their oral narratives is as complete and rich as the narratives of Spanish dominant speakers The content of these oral narratives of personal experience is also explored Too often in studies on U S Spanish sociolinguists ignore the words of the community the focus is usually on the grammatical aspects of language use and rarely on the message conveyed In this study oral narratives are analyzed as constructions of gendered and ethnically marked identities The stories demonstrate the contradictory positions in which many Puerto Ricans find themselves in the United States All of the speakers in this study have internalized to a greater or lesser extent dominant ideologies of gender ethnicity and language at the same time that they struggle against such discourse The analysis of the discourse of the community reveals how the status quo is both reproduced and resisted in the members narratives and how ideological forces work with other factors such as attitudes to influence the choices speakers make concerning language use A special feature of this book is that transcripts are provided in both Spanish and English This volume combines ethnographic quantitative and qualitative discourse methodologies to provide a comprehensive and novel analysis of language use and attitudes of the Brentwood Puerto Rican community Its rich linguistic and ethnographic data will be of interest to researchers and teachers in cultural communication ethnic Hispanic American studies sociolinguistics and TESL

Puerto Rican Discourse Lourdes M. Torres, 2013-12-02 Before conclusions about Spanish in the United States can be drawn individual communities must be studied in their own contexts That is the goal of Puerto Rican Discourse One tendency of previous work on Spanish in the United States has been an eagerness to generalize the findings of isolated studies to all Latino communities but the specific sociocultural contexts in which people and languages live often demand very different conclusions The results of Torres work indicate that the Spanish of Puerto Ricans living in Brentwood continues to survive in a restricted context Across the population of Brentwood for Puerto Ricans of all ages and language proficiencies the Spanish language continues to assume

an important practical symbolic and affective role An examination of the structural features of 60 oral narratives narrative components and the verbal tenses associated with each overall Spanish verb use and clause complexity reveals little evidence of the simplification and loss across generations found in other studies of Spanish in the United States English dominant Puerto Ricans are able Spanish language narrators demonstrating a wide variety of storytelling skills The structure of their oral narratives is as complete and rich as the narratives of Spanish dominant speakers The content of these oral narratives of personal experience is also explored Too often in studies on U S Spanish sociolinguists ignore the words of the community the focus is usually on the grammatical aspects of language use and rarely on the message conveyed In this study oral narratives are analyzed as constructions of gendered and ethnically marked identities The stories demonstrate the contradictory positions in which many Puerto Ricans find themselves in the United States All of the speakers in this study have internalized to a greater or lesser extent dominant ideologies of gender ethnicity and language at the same time that they struggle against such discourse The analysis of the discourse of the community reveals how the status quo is both reproduced and resisted in the members narratives and how ideological forces work with other factors such as attitudes to influence the choices speakers make concerning language use A special feature of this book is that transcripts are provided in both Spanish and English This volume combines ethnographic quantitative and qualitative discourse methodologies to provide a comprehensive and novel analysis of language use and attitudes of the Brentwood Puerto Rican community Its rich linguistic and ethnographic data will be of interest to researchers and teachers in cultural communication ethnic Hispanic American studies sociolinguistics and TESL

Negotiation of Identities in Multilingual Contexts Aneta

Pavlenko, Adrian Blackledge, 2004 This volume highlights the role of language ideologies in the process of negotiation of identities and shows that in different historical and social contexts different identities may be negotiable or non negotiable

Spanish as a Heritage Language in the United States Sara M. Beaudrie, Marta Fairclough, 2012-11-13 There is growing interest in heritage language learners individuals who have a personal or familial connection to a nonmajority language Spanish learners represent the largest segment of this population in the United States In this comprehensive volume experts offer an interdisciplinary overview of research on Spanish as a heritage language in the United States They also address the central role of education within the field Contributors offer a wealth of resources for teachers while proposing future directions for scholarship

Introducción a la lingüística hispánica actual Javier Muñoz-Basols, Nina Moreno, Taboada Inma, Manel Lacorte, 2016-12-19 Introducci n a la ling stica hisp nica actual is the ideal introduction to Spanish linguistics for all undergraduate and postgraduate students of Spanish No prior knowledge of linguistics is assumed as the book takes you step by step through all the main subfields of linguistics both theoretical and applied Phonology morphology syntax semantics pragmatics second language acquisition history of the Spanish language dialectology and sociolinguistics are concisely and accurately outlined providing a comprehensive foundation in the field A comprehensive companion website

provides a wealth of additional resources including further exercises to reinforce the material covered in the book extra examples to clarify the most difficult concepts extensive audio clips which reproduce the sounds of phonemes and allophones and sonograms Written in a clear and accessible manner with extensive auxiliary materials Introducci n a la ling stica hisp nica actual has been specially designed for students of Spanish with little or no linguistic background who need to understand the key concepts and constructs of Spanish linguistics **Puerto Rican Chicago** Mirelsie

Velázquez, 2022-02-01 Winner of the Critics Choice Book awards of the American Educational Studies Association AESA CCBA The postwar migration of Puerto Rican men and women to Chicago brought thousands of their children into city schools These children s classroom experience continued the colonial project begun in their homeland where American ideologies had dominated Puerto Rican education since the island became a US territory Mirelsie Vel zquez tells how Chicago s Puerto Ricans pursued their educational needs in a society that constantly reminded them of their status as second class citizens Communities organized a media culture that addressed their concerns while creating and affirming Puerto Rican identities Education also offered women the only venue to exercise power and they parlayed their positions to take lead roles in activist and political circles In time a politicized Puerto Rican community gave voice to a previously silenced group and highlighted that colonialism does not end when immigrants live among their colonizers A perceptive look at big city community building Puerto Rican Chicago reveals the links between justice in education and a people s claim to space in their new home American Sociolinguistics Stephen O. Murray, 1998-10-15 This is a revised version of Theory Groups and the Study of Language in North America 1994 the post World War II history of the emergence of sociolinguistics in North America that was described in Language in Society as a heady combination of detailed scholarship mordant wit and sustained narrative designed to persuade even the skeptical reader that these myriad often simultaneously emergent ways of thinking about language are indeed interrelated This is an outspoken engaging rollicking occasionally aggravating adventure in the history of these sciences as related to their practice not to be missed by anyone who cares about the intellectual underpinnings of the study of language in society in Language as providing the closest approximation to how sociolinguists came together and developed the field and in Lingua as providing the most comprehensive overviews of the various and varied approaches to American linguistic research American Sociolinguistics examines both theory groups such as the ethnography of speaking and ethnoscience and sociolinguistic scholars such as William Labov Einar Haugen and Erving Goffman whose widely known and often emulated work was not pursued by organized groups Enciclopedia de Lingüística Hispánica Volume I Javier Gutiérrez-Rexach, 2016-01-29 The Enciclopedia de Linguistica Hisp nica provides comprehensive coverage of the major and subsidiary fields of Spanish linguistics Entries are extensively cross referenced and arranged alphabetically within three main sections Part 1 covers linguistic disciplines approaches and methodologies Part 2 brings together the grammar of Spanish including subsections on phonology morphology syntax and semantics Part 3 brings

together the historical social and geographical factors in the evolution of Spanish Drawing on the expertise of a wide range of contributors from across the Spanish speaking world the Enciclopedia de Linguística Hispánica is an indispensable reference for undergraduate and postgraduate students of Spanish and for anyone with an academic or professional interest in the Spanish language Spanish linguistics

Aproximaciones al estudio del español como lengua de herencia Diego Pascual y Cabo, Julio Torres, 2021-09-20
