Puerto Rican Nation On The Move:

The Puerto Rican Nation on the Move Jorge Duany, 2002 An anthropologist delves deeply into the Puerto Rican identity revealing the complexity identity forged across two countries the island of Puerto Rico and the United States The Puerto Rican Nation on the Move Jorge Duany, 2003-10-15 Puerto Ricans maintain a vibrant identity that bridges two very different places the island of Puerto Rico and the U S mainland Whether they live on the island in the States or divide time between the two most imagine Puerto Rico as a separate nation and view themselves primarily as Puerto Rican At the same time Puerto Ricans have been U S citizens since 1917 and Puerto Rico has been a U S commonwealth since 1952 Jorge Duany uses previously untapped primary sources to bring new insights to questions of Puerto Rican identity nationalism and migration Drawing a distinction between political and cultural nationalism Duany argues that the Puerto Rican nation must be understood as a new kind of translocal entity with deep cultural continuities He documents a strong sharing of culture between island and mainland with diasporic communities tightly linked to island life by a steady circular migration Duany explores the Puerto Rican sense of nationhood by looking at cultural representations produced by Puerto Ricans and considering how others American anthropologists photographers and museum curators for example have represented the nation His sources of information include ethnographic fieldwork archival research interviews surveys censuses newspaper articles personal documents and literary texts *The Near Northwest Side Story* Gina Perez, 2004-10-04 In *The Near Northwest Side Story* Gina M P rez offers an intimate and unvarnished portrait of Puerto Rican life in Chicago and San Sebastian Puerto Rico two places connected by a long history of circulating people ideas goods and information P rez s masterful blend of history and ethnography explores the multiple and gendered reasons for migration why people maintain transnational connections with distant communities and how poor and working class Puerto Ricans work to build meaningful communities P rez traces the changing ways that Puerto Ricans have experienced poverty displacement and discrimination and illustrates how they imagine and build extended families and dense social networks that link San Sebastian to barrios in Chicago She includes an incisive analysis of the role of the state in shaping migration through such projects as the Chardon Plan Operation Bootstrap and the Chicago Experiment *The Near Northwest Side Story* provides a unique window on the many strategies people use to resist the negative consequences of globalization economic development and gentrification

Latino(a) Research Review , 2002 **Latin American Research Review** , 2005 **The Oxford Encyclopedia of Latinos and Latinas in the United States** Suzanne Oboler, Deena J. González, 2005 A landmark scholarly work *The Oxford Encyclopedia of Latinos and Latinas in the United States* offers comprehensive reliable and accessible information about the fastest growing minority population in the nation With an unprecedented scope and cutting edge scholarship the Encyclopedia draws together the diverse historical and contemporary experiences in the United States of Latinos and Latinas from Mexico Puerto Rico Cuba the Dominican Republic Central America South America Europe Asia and the Middle East

Over 900 A to Z articles ranging in length from 500 words to 7 500 words written by academics scholars writers artists and journalists address such broad topics as identity art politics religion education health and history Each entry has its own bibliography and cross references and is signed by its author Essential for scholarly and professional researchers as well as the classroom and library The Oxford Encyclopedia of Latinos and Latinas in the United States will fill a void in the historical scholarship of an under served population *The World Contracted to Recognizable Images* Edrik Joel Lopez,2008

From Puerto Rican Nationalism to Latinidad Vanessa Yvette Pérez,2007 *Race, Science, and Nation* Solsiree del Moral,2006 **The Book Review Digest** ,2005

Decoding **Puerto Rican Nation On The Move**: Revealing the Captivating Potential of Verbal Expression
