The Punisher's Brain Morris B. Hoffman,2014-04-14 Why do we punish and why do we forgive Are these learned behaviors or is there something deeper going on This book argues that there is indeed something deeper going on and that our essential response to the killers rapists and other wrongdoers among us has been programmed into our brains by evolution Using evidence and arguments from neuroscience and evolutionary psychology Morris B Hoffman traces the development of our innate drives to punish and to forgive throughout human history He describes how over time these innate drives became codified into our present legal systems and how the responsibility and authority to punish and forgive was delegated to one person the judge or a subset of the group the jury Hoffman shows how these urges inform our most deeply held legal principles and how they might animate some legal reforms
