American Book Publishing Record ,2003 **Pupils** M. Sussman,2003 In a time when standards are being applied to everything from the manufacture of your car to the management of your investment portfolio it is hard to imagine that your health and well being are in the hands of men and women who follow no professional accepted standards This book will open your eyes to the risks you take as a patient while your doctors quite free to act entirely on their individual discretion administer to your medical and surgical needs It will open your eyes to how doctors either through arrogance carelessness or indifference feel they can act with impunity Dr Bernard J Sussman a professor of neurosurgery passionately argues that implementing standards for the medical profession will prevent the dire consequences of reckless and negligent medical practices Such standards will assure patients the high level of medical care which Sussman insists we all deserve **The British Medical Journal** ,1907 *The Journal of the Michigan State Medical Society* ,1915 *Optical Age. ...* ,1910
