Creative 52 Lindsay Adler,2013-10-15 A powerful portfolio involves so much more than just a strong grasp of the technical aspects of photography it s a complex mix of style techniques and intriguing ideas Many photographers struggle to achieve a high impactportfolio feeling that they lack the creative spark to invigorate them andmove their work forward Creative 52 is that spark and your guide to a new and more creative portfolio in just one year A remedy for that average portfolio this collection of innovative projects will help portrait wedding and fashion photographers build a portfolio that draws the attention of editors and clients leaving the competition behind While other how to books often use bland imagery simply to prove a technical point and many fine art books are filled with beautiful imagery but contain minimal if any educational insights to help working photographers this book blends both inspiration and knowledge that you can use to create images that attract potential clients Divided into three parts concept technique and post processing author Lindsay Adler s 52 challenges each contain a description of the project potential inspiration and suggestions of other artists to check out and her own unique solution to the challenge all to push you beyond your comfort zone to explore new ideas and approaches to your work Includes a year s worth of weekly projects that motivate you to experiment with new concepts techniques and software tools like Adobe Photoshop to achieve more eye catching images Offers the cure for expected imagery showing how to produce memorable photographs that are distinct from the competition enabling you to reach new clients Empowers you with the encouragement and expertise necessary to create spectacular images *Scripture and Tradition* Azzan Yadin-Israel,2015-01-06 This is a book in rabbinics It looks at the Rabbi Akiva school of interpretation with respect to Sifra which comprises the midrashim on Leviticus **Halakhah** Chaim N. Saiman,2020-09-29 How the rabbis of

the Talmud transformed Jewish law into a way of thinking and talking about everything Typically translated as Jewish law halakhah is not an easy match for what is usually thought of as law This is because the rabbinic legal system has rarely wielded the political power to enforce its rules nor has it ever been the law of any state Even more idiosyncratically the talmudic rabbis claim the study of halakhah is a holy endeavor that brings a person closer to God a claim no country makes of its law Chaim Saiman traces how generations of rabbis have used concepts forged in talmudic disputation to do the work that other societies assign not only to philosophy political theory theology and ethics but also to art drama and literature Guiding readers across two millennia of richly illuminating perspectives this panoramic book shows how halakhah is not just law but an entire way of thinking being and knowing
