The Making of the Tabernacle and the Construction of Priestly Hegemony Nathan MacDonald,2023-08-23 How did the Jerusalem high priests go from being cultic servants in the sixth century BCE to assuming political supremacy at some point during the third or second century The Making of the Tabernacle and the Construction of Priestly Hegemony examines how the conditions were created for the priesthood s rise to power by examining the most important ideological texts for the high priests the description of the wilderness tabernacle and the instructions for the ordination ritual found in the Biblical books of Exodus and Leviticus Although neglected by many modern readers who often find them technical and repetitive the tabernacle accounts excited considerable interest amongst early scribes and readers as is evidenced by the survival of them in no fewer than four versions Untangling this intricate compositional history helps shed light on how these chapters in the Pentateuch shaped and were shaped by the perception of the priesthood s powers and competencies during the Persian and early Hellenistic periods The hierarchy that is developed is more nuanced and multifaceted than previously appreciated with Israelite artisans community leaders Levites and women incorporated into a complex vision of society The ordination ritual was also transformed by scribal elites during the Persian period appearing in no fewer than five variant forms as the role of the high priesthood and its relationship to other groups was negotiated Using a broad plural methodological approach that incorporates insights from sociology ritual studies textual and literary criticism early interpretation manuscript studies and philology Nathan MacDonald s study shines new light on the historical development theology and ideology of priestly texts in the Pentateuch

The Message of the Kingdom of God T. Desmond Alexander,2024-01-18 Across 22 chapters T Desmond Alexander expounds the theme of the kingdom of God from selected Old and New Testament texts showing its relevance for today God made us to rule with him as his representatives to establish his kingdom on earth But Adam and Eve s rebellion alienated humanity from God s kingdom instead making them slaves to the kingdom of darkness As the promised ruler Jesus Christ comes as the perfect king to redeem enslaved humanity This servant king brings God s kingdom on earth through self sacrificial love In hope we now await the return of the king and the coming of the eternal kingdom With a fully integrated study guide suitable for both individuals and groups The Message of the Kingdom of God will help you to see how the Bible s unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture
