Purity Passion:

Passion, Purity and Popularity Whitney Fee, 2010-10 The thing I love about Whitney is that she is on a journey of listening to God's voice and following His direction wherever He is leading her Tony Marchetti Whitney Fee was born and raised in Augusta GA She attended Georgia College and State University where she received her Bachelor's degree in Mass Communication While in high school and college she led several teenage Bible studies volunteered in church youth groups served as a chaplain in college and led a middle school Sunday school class Whitney is on God's journey and not her own God gifted her with the ability to relate to girls in an understanding and loving way She is currently a teacher at a Christian school in Florida where she mentors teenage girls and teaches math Whitney's message is about hope faith in God trust and the importance of living a life modeled after Christ Whitney's promise to any girl who reads *Passion Purity and Popularity* is that she will be encouraged and renewed Her personal stories references to popular culture and uses of scripture truly speak to the hearts of young teenage girls After reading the book Whitney asks girls to engage in her website www.passionpuritypopularity.com by reading blogs posting questions and comments and joining her in a quest to stay pure In the end Whitney believes if a teenage girl is passionate about Christ is on a journey to stay pure of heart mind soul and body and is sweet to others then she will be popular sought after and highly esteemed It is when we are asked to lay down our life and we obey that God uses us in mighty ways to enhance His kingdom There are no regrets when we follow God Whitney Fee

Passion and Purity Elisabeth Elliot, 2021-03-16 In her classic book Elisabeth Elliot candidly shares her love story with Jim Elliot through letters diary entries and memories She is honest about the temptations difficulties victories and sacrifices of two young people whose commitment to Christ took priority over their love for each other These revealing personal glimpses combined with relevant biblical teaching will remind readers that only by putting their human passion and desire through His fire can God purify their love In a culture obsessed with dating sex and intimacy the need for Elliot's freeing message is greater than ever This beautifully repackaged edition will appeal to today's young people

Moral Passion and Christian Ethics Robin Gill, 2017-03-06 In this book Robin Gill argues that moral passion and rational ethical deliberation are not enemies and that moral passion often lurks behind many apparently rational ethical commitments He also contends that though moral passion is a key component of truly selfless moral action without rational ethical deliberation it can also be extremely dangerous Gill maintains that a reanalysis of moral passion is overdue He inspects the gap between the purely rational accounts of ethics provided by some moral philosophers and the normative positions that they espouse and or the moral actions that they pursue He also contends that Christian ethicists have not been adept at identifying their own implicit moral passion or at explaining why it is that doctrinal positions generate passionately held moral conclusions Using a range of disciplines including cognitive science and moral psychology alongside the more usual disciplines of moral philosophy and religious ethics Gill also makes links with moral passion in other world faith traditions

Power and Passion Samuel

Wells,2009-08-30 Samuel Wells vividly paints the stories surrounding Jesus cross and resurrection We see the weakness of Pontius Pilate and Barabbas and the compromised character of Joseph of Arimathea and Nicodemus We discover the subtle power of Pilate s wife And in Peter and Mary Magdalene we find the true power of resurrection bringing forgiveness and ending the stranglehold of death thus transforming all human passion Through close readings of the gospel texts Wells demonstrates the significance of these characters for faith and life today In this book structured with one chapter for each week of Lent Wells guides us from the deathly power that put Jesus on the cross to the new power brought by Jesus resurrection The book offers opportunities at the end of each chapter for prayer and discussion The Archbishop of Canterbury has selected Power and Passion as his Lent book for 2007 *An Essay on Self-Management*

Dr.N.N.Shrivastava,2017-06-30 There are two kinds of worlds one inside and the other outside each individual Individuals have to manage both worlds It is put forward for consideration that the management of the world inside is a precondition for an effective management of the world outside oneself namely the management of the money man material machine marketing etc The study of the world inside an individual constitutes the subject matter of self management An individual is a living organism The organism is self contained self regulated and self sustained The management of a self regulated order appears to be unnecessary But every individual is endowed with the power to choose freely and make ones own decisions The use of the power of conscious thought by individuals may or may not disturb the self regulated order of the living organism

Micro Approach to Human Welfare N.N. Shrivastava,2014-05 The micro approach to human welfare postulates the existence of man as a micro order The working of micro order depends upon the use of inputs provided by the soul or Self

nature and the macro order We affirm that an individual s decision can tailor the use of all inputs either to impair or improve his welfare The nature endowed instruments of activity contained in the body are animated by the life energy knowledge and consciousness provided by the Self The Self also provides insight and foresight through intelligence whose incidence on decision making is precepted by the relative strength of selfish or unselfish motive The micro approach reveals that the decision embodying the spirit of sacrifice and selfless service without disregarding one s own integrates the cause of life and livelihood both for oneself and other selves The decision is and ingenious device to make the micro and macro approaches to human welfare consistent *Mahābhārata* ,2006
