Radiant Divine Seal Xiu MuKeDiao,2019-10-24 A long time ago the world was originally dark and without sunlight Later the three emperors joined

forces to create Jinwu a divine bird that could produce sunlight and the world began to have light However the immortal who was in charge of the light despised human life killing at will and dominating the order leading to chaos in the world Jinwu also died and the world had no light again There was a young man who stepped out of the darkness and determined to defeat the immortal recreate the Jinwu and return the world to light Would he succeed About the Author Rotten wood can be carved an excellent author of online novels He has authored many novels among which the representative works are Radiant Divine Seal Badling and so on Radiant Divine Seal has been highly praised Second Marriage With the Prince Cha XiaoQiong,2019-11-12 In her previous life she had placed too much trust in the people around her resulting in her mother s tragic death Once she was reborn she would definitely make those people pay the price The stepmother was vicious Good Then she would be even more poisonous than she was Proud Big Sister Shu has a venomous heart Good Then she would peel off that beauty s skin and leave no place for that venomous heart to hide His previous life had been hurt by love and in this life he had cut off all love in order to protect the people he wanted to protect However why was that man by her side always lingering around like a ghost He would always appear wherever she went *Silver Bough Volume 4* F. Marian McNeill,2013-08-20 The Silver Bough is an indispensable treasury of Scottish culture universally acknowledged as a classic of literature The author F Marian McNeill succeeded in capturing and bringing to life many traditions and customs of old before they died out or were influenced by the modern era The Silver Branch of the sacred apple tree laden with crystal blossoms of golden fruit is in Celtic mythology the equivalent of the Golden Bough of classical mythology the symbolic bond between the world we know and the Otherworld In the first volume of the Silver Bough the author deals generally with Scottish folk lore and folk belief with chapters on ethnic origins the Druids the Celtic gods the slow transition to Christianity magic the fairy faith second sight selkies changelings and the witch cult In volumes two and three she explored in some depth the foundations of many of these beliefs and rituals through the Calendar of Scottish national festivals in which we find enshrined many of the fascinating folk customs of our ancestors This fourth volume turns our attention to the Local Festivals of Scotland As man makes greater and greater advances in the understanding and control of his physical environment the river between the known and the unknown gradually changes its course and the subjects of the simpler beliefs of former times become part of the new territory of knowledge The Silver Bough maps out the old course of the waterway that in Celtic belief winds between here and beyond and reveals the very roots of the Scottish people s distinctive customs and way of life The Silver Bough is a large and important work which involved many years of research into both living and recorded lore Its genesis lies perhaps in the author s subconscious need to reconcile the old primitive world she had glimpsed in childhood with the sophisticated modern world she later entered e I do not believe that you can exaggerate the importance of the preservation of old ways and customs and all those little things which bind a man to his native place Today we live in difficult times The steam roller of progress is flattening out many of our old institutions and there is a danger of a general decline in

idiom and distinctive quality in our Scottish life The only way to counteract this peril is to preserve jealously all these elder things which are bone of our bone and flesh of our flesh For remember no man can face the future with courage and confidence unless it is solidly founded upon the past And conversely no problem will be too hard no situation too strange if we can link it with what we know and lovee F Marian McNeill *The Demon Tide* Laurie Forest,2022-03-01 The New York Times bestselling series A USA TODAY bestseller Nothing can stop the demon tide Don t miss the epic fourth book in The Black Witch Chronicles by critically acclaimed fantasy author Laurie Forest Newly exposed as the Black Witch of Prophecy Elloren Gardner Grey is on the run not knowing if she ll find friends or foes With her fastmate Lukas Grey either dead or in the hands of High Mage Marcus Vogel Elloren knows the only chance of turning the tide of the coming war is to seek allies who will listen long enough not to kill her on sight In the Eastern Realm Water Fae Tierney Calix and Elloren s brother Trystan have joined the Wyvernguard to prepare for Vogel s attack But Trystan is fighting on two fronts as the most despised and least trusted member of the guard And Tierney s bond with Erthia s most powerful river has exposed a danger even more terrifying than the looming war The Black Witch is back and the Prophecy is at hand It s time to fight But Vogel has one more earth shattering revelation for them all Books in The Black Witch Chronicles The Black Witch The Iron Flower The Shadow Wand The Demon Tide The Dryad Storm Wandfasted ebook novella Light Mage ebook novella Also available in print in The Rebel Mages anthology Scalpers Ralph Cotton,2015-04-07 LIKE FATHER LIKE SON Arizona Territory Ranger Sam Burrack rides the border badlands to Iron Point hoping to capture Ozzie Cord a mercenary who killed a sheriff back in Mesa Grande Cord escaped jail once but won t get away this time But as Sam nears his prey the trail of scalped bodies makes it clear that someone else has a vendetta By all appearances Turner Big Foot Pridemore leader of the scalpers has gained major footing in Iron Point He s driven away the desert Apaches and ousted the law But he s missing one thing his son Fox Not satisfied living in his father s shadow Fox has allied himself with Ozzie Cord and is staging his own bloody rampage Now Sam must walk a fine line between the law and the lawless to make sure he gets his man and cuts Big Foot and his son down to size
