The Daughters of Juárez Teresa Rodríguez, Diana Montané, Lisa Pulitzer, 2007

For the last nine years the city of Ciudad Juárez in northern Mexico has been the centre of an ongoing phenomenon of female homicides referenced in Spanish as femicidios or las muertas de Juárez the dead women of Juárez As of February 2005 more than 370 bodies have been recovered with over 400 women still missing according to Amnesty International The BBC News reported in November 2005 that 28 women had been murdered so far in 2005 As for who is behind the murders the answer remains unknown Despite numerous arrests over the last few years the killings continue leading the Mexican police and the general public to consider many theories among them that the original killer or killers are in jail and copycats have moved to the area since Furthermore there has been speculation that there has been a conspiracy of silence and cover up by Mexican politicians

Daughters of Juárez will be the first major non fiction work to examine the Juárez murders In it authors Rodríguez Montané and Pulitzer will focus on retelling the stories of three missing women and of their families' plight to find the responsible killer or killers As this story begins to land on the

front pages of national papers such as i fs20 The New York Times i0 fs18 this book will become a staple of required reading on the case for years to come par *The Continuum Encyclopedia of Children's Literature* Bernice E.
