in his closet where all the other books he had finished reading were He continued on with his life but everyday he would hear a voice calling to him Do you wish to know the truth He was not sure where the voice was coming from so he ignored it But the more he ignored it the louder the voice got Godfrey White soon began to lose his mind because the voice would not go away so one day when he was alone in his room he spoke back to the voice Who is it that is speaking Am I going crazy What is the truth It was at that moment when the voice spoke back to him saying I heard you were searching for me so I called back to you but you ignored me Go to your closet and find that book you have failed to understand and I will guide you to the truth Today the gospel shall be revealed to you and you shall not only receive truth but a relationship with me

The Lamb John R. Cross,2014-05-14 Many years ago on a very important day a remarkable story was told about a Lamb The story took the listeners on a journey through the Bible from Creation to the Cross It explained the central message of scripture and revealed the true significance of the Lamb Now here in this book the story is retold an unforgettable message that everyone should hear

Marriage of the Lamb Gordon Powell,2010-05 **God's Revelation of the Lamb** H. Dave Derkson,2021-11-30 John s 3 16 states For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life The next verse declares For God did not send His Son into the world to condemn the world but that the world through Him might be saved John 3 17 Both of these statements are the absolute truth and the Book of Revelation confirms it God s Revelation given to John shows how the Lamb brings that truth into the reality of our world Modern day theologians argue that the seven horns of this symbolic Lamb presents him as the judge and prosecutor of sin and the sinners of the world However this is a distortion of the text There is no scripture in the entire Bible where a secondary symbol transforms a primary symbol The Lamb is shown as the primary symbol in Revelation and that Lamb is repeatedly designated as humanity s redeemer

Tales of Theology, Jehovah, Satan and the Christian Creed Henry Mulford Tichenor, 1918 Bride of the Lamb Sergej Nikolaevič Bulgakov, Sergius Bulgakov, 2002-02-14 Sergius Bulgakov is thought by many to be the twentieth century's foremost Russian Orthodox theologian The Bride of the Lamb is widely regarded as Bulgakov's magnum opus and even more as one of the greatest works ever produced in the modern Orthodox church This book is now available for the first time in English complete with an introduction to Bulgakov and his theological context For readers new to Russian religious thought The Bride of the Lamb presents a fresh approach to Christian doctrine Bulgakov examines issues of ecclesiology and eschatology from a sophiological perspective This distinctive Russian approach based on the doctrine of Sophia the wisdom of God sees the Creator and creation intimately linked as Divine humanity The Bride of the Lamb explores the nature of created beings the relationship between God and the world the role of the church and such eschatological themes as the second coming of Jesus resurrection and judgment and the afterlife Copyright Libri GmbH All rights reserved The Doomsday Clock Dr. Jimmie L. Chapman, 2015-04-11 This book is timely bold and provocative It is the news the world needs to hear now Dr Jimmie Chapman tells it like it is and how it's going to be He explains the significance of Israel in the fulfillment of Biblical prophecies for the end of the world He also explains how the current events in the Middle East and Far East fit into Bible prophecies He explains the antichrist the Beast and the Mark of the Beast in frightening detail He explains many Bible prophecies and how they relate to many items of world news we hear and read about each day This book should shock us into a reality check and cause us to reexamine our thoughts about what is happening in the world right now If you are interested in what the Bible says about our near future you really should read this book

All Power to the Lamb James R. Johnson, 2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning

regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8-22 as three parallel prophecies of the Lamb's power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age

The Wedding of the Lamb James L. Papandrea,2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church

Follow the Lamb Douglas D. Webster,2014-09-16 The Revelation builds conviction inspires worship and encourages patient endurance This is a prison epistle like no other a disciple making tract a manifesto an extraordinary treatise on Christ and culture and a canonical climax We come expecting to learn the ABCs of the end times and the Apostle John gives us the fullness and fury of his Spirit inspired praying imagination Meaning is not found in cleverly devised interpretations but in God's redemptive story The apostle's purpose was to strengthen the people of God against cultural assimilation and spiritual idolatry not to stimulate end times speculation The Revelation is a sustained attack against diluted discipleship with an unrelenting focus on the immediacy of God's presence in the totality of life Nothing escapes the gaze of Christ
