Our society is still obsessed with quick fixes. But Peterson's time-tested prescription for discipleship remains the same: a long obedience in the same direction. Following Jesus requires a deepening life of prayer and throughout history Christians have learned to pray from the Psalms. Peterson finds particular encouragement for today's pilgrims in the Songs of Ascents Psalms 120-134. With prophetic and pastoral wisdom he shows how the psalms teach us to grow in worship, service, joy, work, humility, community, and blessing. Now including a bibliography of Peterson's works, *A Long Obedience in the Same Direction* is available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press. McNall,2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected plurality in which multiple images are affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ s work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us **Understanding the Faith** Jeff Myers,2016-06-01 Does the Bible have authority in a world committed

Reading Jesus Vance L. Toivonen,2012-04-12 For more than five hundred years the Bible has been referred to as the Word of God Yet even before the Bible was written there was a Living Word spoken through prophets and through Jesus of Nazareth that ultimately echoes through the centuries Pastor Toivonen relies on his nearly thirty years of preaching as well as studying and interpreting the Bible to inspire others to contemplate how God speaks in the contemporary world and whether God prefers flesh and blood to ink and paper While sharing his careful examination of how the Bible came to be the Word of God through a very human process and why the Word of God is intended to be living and breathing as opposed to a book Toivonen offers intriguing insights and commentary that encourages spiritual seekers to embark on a personal journey to answer their own questions about the Bible its authority and its trustworthiness Reading Jesus offers encouragement to anyone ready to consider a deeper and more meaningful

relationship with Jesus of Nazareth and apply the Word of God to truly live God's way today **No Silver Bullets** Daniel Im, 2017-09-01 What if I told you that you were only one step away from unlocking new levels of maturity and growth in your church The myth of the silver bullet still exists because we desperately want it to We all prefer quick fixes and bandage solutions to the long hard slow work that produces real change So the moment we learn about a new ministry or strategy and see its effect in another church we run to implement it in our own Unfortunately this impulse is usually met by opposition skepticism and ultimately rejection What if the solution isn't a new model or a complicated strategy but a shift in perspective What if you could keep your church's current vision values and model and simply make a few micro shifts leading to macro changes This book explores five micro shifts that have the potential to produce macro changes in your church As you read you will discover how to integrate these micro shifts into the life of your church starting with the way you disciple You will finish by developing a plan to structure communicate and evaluate these changes to ensure that they take root and pave the way for lasting change and kingdom impact
