Long Roll On The Rhine:

The Elements of Parapsychology K. Ramakrishna Rao, 2017-11-29 Psychic phenomena recorded throughout human history remained a mystery or a matter of faith rather than a subject of serious study until scientists began to investigate them roughly a century and a half ago Systematic experimentation began with the work of J B Rhine at Duke University resulting in the publication of Extra Sensory Perception 1934 followed by Extra Sensory Perception After Sixty Years 1940 Rhine and researchers who came after him struggled to present sufficient evidence to gain scientific credibility for the existence of extrasensory abilities Yet despite tight experimental controls and numerous significant results the subject remains controversial Parapsychologists argue that the impasse is not due to a lack of evidence but to the challenge their claims pose to the worldview of science in general This comprehensive overview of the discipline of parapsychology written by one of its most notable investigators offers the reader a full understanding of both its concepts theories and methods and its controversies problems and prospects *The Reminiscences of Carl Schurz: 1829-1852* Carl Schurz, 1907 **The Reminiscences: 1829-1852** Carl Schurz, 1907 **The Reminiscences of Carl Schurz** Carl Schurz, 2010-06-01 Carl Schurz 1829 1906 was born in Germany and emigrated to the United States in 1852 An early supporter of Lincoln he became a general in the Union Army during the Civil War After the war he was elected U S senator from Missouri then was Secretary **1829-1852** Carl Schurz, 1909 *The Reminiscences of Carl Schurz: Volume 1. 1829-1852* Carl Schurz, 2024-02-19 Fascinating and detailed memoirs of Carl Schurz whose political and military career spanned seminal events in Germany and the American Civil War Carl Schurz March 2 1829 May 14 1906 was a German revolutionary and an American statesman journalist and reformer After serving as a Union general in the American Civil War he helped found the short lived Liberal Republican Party and became a prominent advocate of civil service reform Born in the Kingdom of Prussia s Rhine Province Schurz fought for democratic reforms in the German revolutions of 1848 1849 as a member of the academic fraternity association Deutsche Burschenschaft Like many other Forty Eighters he then migrated to the United States settling in Watertown Wisconsin in 1852 After being admitted to the Wisconsin bar he established a legal practice in Milwaukee Wisconsin He also became a strong advocate for the anti slavery movement and joined the newly organized Republican Party unsuccessfully running for Lieutenant Governor of Wisconsin After briefly representing the United States as Minister ambassador to Spain Schurz served as a general in the American Civil War fighting in the Battle of Gettysburg and other major battles After the war Schurz established a newspaper in St Louis Missouri and won election to the U S Senate becoming the first German born American elected to that body Breaking with Republican President Ulysses S Grant Schurz helped establish the Liberal Republican Party The party advocated civil service reform sound money low tariffs low taxes an end to railroad grants and opposed Grant s efforts to protect African American civil rights in the Southern United States during Reconstruction Schurz chaired the 1872 Liberal Republican convention which nominated a ticket that unsuccessfully

The Force Is With Us Thomas Walker,2014-03-17 Inspired by encounters with his son from beyond the grave Tom
Walker went searching for answers He discovered that paranormal phenomena have not only been exhaustively studied but
that scientific evidence exists to support it He uncovered numerous scientific studies involving telepathy clairvoyance
precognition and psychokinesis as well as government funded scientists who proved their validity Through his research
Walker eventually came to the belief that there is a force in the world that makes things happen The force an energy field
that permeates the universe forms and sustains all things and is the basis behind paranormal phenomena and alternative
forms of healing He describes his provocative conclusions in this book Making compelling connections between ideas like the
Great Void and dark matter between Ch i and quantum fields Walker argues that it is our connection with the higher planes
of consciousness the fundamental quantum reality that truly makes up the world The World's Paper Trade Review ,1908
