

A photograph of two men standing in a mountainous landscape. The man on the left has long hair and is wearing a brown jacket and grey pants. The man on the right has a beard and is wearing a dark jacket and blue pants. They are standing next to two motorcycles. A metal box is on the ground between them. Long Way Round Ewan McGregor, Charley Boorman, Robert Uhlig, 2004 It started as a daydream Poring over a map of the world at home one quiet Saturday afternoon Ewan McGregor actor and self confessed bike nut noticed that it was possible to ride all the way round the world with just one short hop across the Bering Strait from Russia to Alaska It was a revelation he couldn't get out of his head So he picked up the phone and called Charley Boorman his best friend fellow actor and bike enthusiast Charley he said I think you ought to come over for dinner From London to New York Ewan and Charley chased their shadows through Europe the Ukraine Kazakhstan Mongolia and Russia across the Pacific to Alaska then down through Canada and America But as the miles slipped beneath the tyres of their big BMWs their troubles started Exhaustion injury and accidents tested their strength Treacherous roads unpredictable weather and turbulent politics challenged their stamina They were chased by paparazzi in Kazakhstan courted by men with very large guns in the Ukraine hassled by the police and given bulls testicles for supper by Mongolian nomads And yet despite all these obstacles they managed to ride over 20 000 miles in four months changing their lives forever in the process As they travelled they documented their trip taking photographs and writing diaries by the campfire *Long Way Round* is the result of their adventures a fascinating frank and highly entertaining travel book about two friends riding round the world together and against all the odds realising their dream

Lycra, Lattes and the Long Way Round Mark Krieger, 2011-11-11 As I drew closer to the town of Pont de Vaux I found myself thinking of some of the places I'd passed through There were so many tiny hamlets villages and larger towns some vibrant and fine looking others lifeless run down and in dire need of repair Then there were of course the countless

numbers of French people who had helped me piece together the jigsaw of roads along my way The places I was riding through weren't quite the same but there was that unmistakable pungent smell of agriculture in the air and the sight of fat cows chomping lazily on mouthfuls of grass It was vastly different from the Hautes Alps and the bustling stretch of Mediterranean coast but full of its own charm and character nonetheless Beginning with the idea of tackling some of Europe's most formidable mountains on his road bike Mark Krieger along with his wife Roz started his journey around France from the medieval town of Langres and instantly fell in love with the country Known for its history culture fine cuisine and above all its cycling it became the perfect setting for a Tour of a lifetime Tederederies P. Papua Wilco van den Heuvel,2025-02-27 In this book the author Wilco van den Heuvel intends to make Drabbe's 1959 description of Yonggom Wambon available to a wider scientific public As such the book is in line with an earlier reanalysis by the same author of Drabbe's description of Aghu 1957 which was published in 2016 In only 45 pages Drabbe managed to

present an incredible amount of Yonggom Wambon language data The current work takes over 400 pages for their representation and reanalysis and includes a 500 item wordlist that Drabbe had written a few years earlier This book attempts both to increase our understanding of the peculiarities of this individual language and to contribute to our understanding of the past and present of this still very under documented part of our globe An area where as Drabbe foresaw minority languages are disappearing giving way to a common national language The author expresses his gratefulness to Drabbe for having unravelled some of the complexities of the languages in this area which in Drabbe s words form an eldorado for the practitioners of general linguistics a labyrinth without escape for missionaries and in the author s words offer a unique and highly valuable perspective on specific communities in a specific space and time **Crossing the Line**
