These men set off on the backs of donkeys with suitcases full of crosses and rosaries to return via steamship with suitcases stuffed with French francs Philippine pesos or Salvadoran colones They returned with news of mysterious lands and strange inventions clocks trains and other devices that both befuddled and bewitched the Bethlehemites With newfound wealth these merchants built shimmering pink mansions that transformed Bethlehem from a rural village into Palestine s wealthiest and most cosmopolitan town At the center of these extraordinary occurrences lived Jubrail Dabdoub The Lives and Deaths of Jubrail Dabdoub tells the story of Jubrail s encounters offering a version of Palestinian history rarely acknowledged From his childhood in rural Bethlehem to later voyages across Europe East Asia and the Americas Jubrail s story culminates in a recorded miracle in 1909 he was brought back from the dead To tell such a tale is to delve into the realms of the fantastic and improbable Through the story of Jubrail s life Jacob Norris explores the porous lines between history and fiction the normal and the paranormal the everyday and the extraordinary Drawing on aspects of magical realism combined with elements of Palestinian folklore Norris recovers the atmosphere of late nineteenth century Bethlehem a mood of excitement disorientation and wonder as the town was thrust into a new era As the book offers an original approach to historical writing

it captures a fantastic story of global encounter and exchange      **El-Hi Textbooks & Serials in Print, 2003** ,2003
