to numerous negative qualities that plague humanity such as violence greed and maliciousness Racism he contends was developed by the aliens to prevent their genetic experiments from being compromised by breeding with others outside their influence Examining historical records Kerner shows that Jesus who represented an uncorrupted genetic line warned his disciples about the threat posed by these alien interlopers while Hitler a pure product of this alien intelligence waged genocide in an attempt to rid Earth of all those untouched by this genetic tampering Despite the powerful grip the Greys have on humanity Kerner says that all hope is not lost Greys exist wholly in the material world so if we follow the spiritual laws of reincarnation and karma aiming for enlightenment and rising above the material a state the Greys are unable to reach we can free ourselves from their grasp *Quarterback Dad* Bobby Mercer, Alison D.
