Her Father's Daughter Marie Sizun, 2016-06-13 A taut and subtle family drama from France A little girl lives happily with her mother in war torn Paris She has never met her father a prisoner of war in Germany But then he returns and her mother switches her devotion to her husband The girl realizes that she must win over her father to recover her position in the family She confides a secret that will change their lives Why Peirene chose to publish this book This is a poetic story about a girl's love for her father Told from the girl's perspective but with the clarity of an adult's mind we experience her desire to be noticed by the first man in her life A rare examination of the bonds and boundaries between father and daughter Meike Ziervogel A delicate discreet novel Like its little heroine Impressive Sud Ovest Dimanche Sizun's beautifully controlled and simple story captures the surprisingly clear gaze of a little girl who discovers how adults excel in the art of concealment Le Nouvel Observateur This story brings to mind like a slap in the face our forgotten childhood memories We remember the way adults fail to hear the tiny cries of the heart Marie Claire *Midland; a Magazine of the Middle West*, 1927 The Midland, 1927 *Digest of the Decisions of the Supreme Court of Washington* Arthur Remington, 1912

HOW TO BE AN EVEN GREATER HUSBAND Tobias Jungreis, 2004-12-08 Why would a young man entering marriage set as his lifetime goal his highest priority his ultimate dream to be the best husband ever Again what would drive a man to get that special trophy given to a great husband Furthermore who will applaud him for it For sure they don't make too many trophies because of the lack of demand The truth of the matter is that it doesn't make a difference If a man can work hard at being an expert husband he will reap very generous rewards A woman who receives the caring and devotion and attention and unconditional love and time and support and entertainment and loyalty of her husband when will reward her hard working husband for his efforts every minute of his life A loved woman even more than a loved pup or a pet rock will return her received love to her mate in geometric proportions Ironically a woman despite her inherent strength and while being created so perfectly thank God still has an odd weakness the need to be admired and adored by a man And when she gets that admiration and adoration she will make her mate a lifetime lottery winner
