Self Portrait with Boy Rachel Lyon, 2024-09-12 Rachel Lyon's first novel soon to be made into a major motion picture starring Zo Kravitz and Thomasin McKenzie. Lu Rile is a relentlessly focused young photographer struggling to make ends meet. Working three jobs and worrying that the crumbling warehouse she lives in is being sold to developers, she is at a point of desperation. Until, by pure chance, Lu discovers she's captured a tragedy in the background of a self-portrait: a boy falling to his death. The photograph turns out to be the best work of art she's ever made. It's an image that could change her life if she lets it. Set in early 90s Brooklyn on the brink of gentrification, *Self Portrait with Boy* is a provocative commentary about the emotional dues that must be paid on the road to success. Beautifully imagined and flawlessly executed.

Joyce Carol Oates. A sparkling debut. *New York Times Book Review*

The Paris Muse Louisa Treger, 2024-07-04 Living with him was like living at the centre of the universe. It was electrifying and humbling, blissful and destructive, all at the same time. Paris 1936. When Dora Maar, a talented French photographer, painter, and poet, is introduced to Pablo Picasso, she is mesmerized by his dark and intense stare. Drawn to his volcanic creativity, it isn't long before she embarks on a passionate relationship with the Spanish artist that sometimes includes sadism and masochism and ultimately pushes her to the edge. *The Paris Muse* is the fictionalized retelling of this disturbing love story as we follow Dora on her journey of self-discovery and expression. Set in Paris and the French Riviera where Dora and Pablo spent their holidays with their glamorous artist friends, it provides a fascinating insight into how Picasso was a genius who side-stepped the rules in his human relationships as he did in his art. Much to Dora's torment, he refused to divorce his wife and conducted affairs with Dora's friends. The Spanish Civil War made him depressed and violent, an angst that culminated in his acclaimed painting *Guernica*, which Dora documented as he painted. As the

encroaching darkness suffocates their relationship a darkness that escalates once the Second World War begins and the Nazis invade the country Dora has a nervous breakdown and is hospitalized Atmospheric intense and moving The Paris Muse is an astonishing read that ensures that this talented often overlooked woman who gave her life to Picasso is no longer a footnote Praise for The Paris Muse An accomplished literary novel and also an absolute page turner Raw sexual charisma and its descent into toxic cruelty which is set and artfully echoed in times of peace and war Essie Fox author of the Sunday Times bestseller The Fascination Dora Maar The Weeping Woman of Picasso's famous paintings steps out of the canvas in Louisa Treger's unforgettable new novel Dora's passionate obsessive relationship with the artist came close to destroying her and Treger's beautifully written first person narrative takes us deep inside her grief and torment Picasso emerges as a controlling sadistic man who is single minded in pursuit of his art first his pleasure second This is a powerful absorbing read about a woman who was a talented artist in her own right and it illustrates very graphically who was responsible for making the Weeping Woman weep Gill Paul internationally bestselling author of A Beautiful Rival Gifted photographer and painter and muse of Picasso Dora Marr comes vibrantly to life in Treger's new novel THE PARIS MUSE A fascinating and heartfelt portrait of a female artist striving to succeed in the male dominated Parisian art world readers won't be able to resist rooting for Dora or relishing every page until The End A compelling and absorbing read Heather Webb USA Today and International bestselling author of Queens of London *skin & bones* Renée Watson, 2024-05-07 Best Book of May 2024 by New York Post Finalist for the 2024 Westport Prize for Literature From the acclaimed 1 New York Times bestselling author comes a soulful and lyrical novel exploring sisterhood motherhood faith love and ultimately what gets passed down from one generation to the next At 40 Lena Baker is at a steady and stable moment in life between wine nights with her two best friends and her wedding just weeks away she's happy in love and in friendship until a confession on her wedding day shifts her world Unmoored and grieving a major loss Lena finds herself trying to teach her daughter self love while struggling to do so herself Lena questions everything she's learned about dating friendship and motherhood and through it all she works tirelessly to bring the oft forgotten Black history of Oregon to the masses sidestepping her well meaning co workers that don't understand that their good intentions are often offensive and hurtful Through Watson's poetic voice *skin bones* is a stirring exploration of who society makes space for and is ultimately a story of heartbreak and healing **Self-Portrait** Marti Friedlander, 2014-01-01 From a childhood spent in London's rough East End to a half century in New Zealand photographing winemakers and artists children and kuia Marti Friedlander has lived a life marked by adventure travel and its fair share of challenges It is also a life that has been defined by the art of observation and capturing on film In *Self Portrait* the renowned photographer tells her story for the first time As clear and unflinching in her prose as she is in her photography Friedlander describes growing up in a London orphanage being Jewish working in a Kensington photography studio marrying a New Zealander the challenges of moving to a new country and a life spent photographing the ordinary and the extraordinary from

balloons and beaches to politicians and protests She also explains how with a stranger's eye she captured the transformation of New Zealand life over the last half century This is a rich meditation on one woman's photographic journey through the 20th century
