Look Round The Estate Poems 19571967:

The Poetry of the Forties in Britain A. T. Tolley, 1985-10-15 *Classes on Modern Poets and the Art of Poetry* James Dickey, 2004 Housman Gerard Manley Hopkins Robert Frost Walter de la Mare and Robert Bridges **The Life of Kingsley Amis** Zachary Leader, 2011-05-30 Kingsley Amis was not only the finest comic novelist of his generation but also a dominant figure in post World War II British writing as a novelist poet critic and polemicist Zachary Leader's definitive authorized biography conjures in vivid detail the life of one of the most controversial figures of twentieth century literature renowned for his blistering intelligence savage wit and belligerent fierceness of opinion In *The Life of Kingsley Amis* Leader the acclaimed editor of *The Letters of Kingsley Amis* draws not only on published and unpublished works and correspondence but also on interviews with a wide range of Amis's friends relatives fellow writers students and colleagues many of whom have never spoken publicly before The result is a compulsively readable account of Amis's childhood school days and life as a student at Oxford teacher critic political and cultural commentator professional author husband father and lover Neither evading nor sensationalizing the more salacious aspects of Amis's life Leader explores the writer's phobias self doubts and ambitions the controversies in which he was embroiled and the role that drink played in a life bedeviled by erotic entanglements domestic turbulence and personal disaster Here is the biography that its subject deserves Like Amis himself it is incisive and unsentimental deeply appreciative of aesthetic achievement and a great source of amusing anecdotes Dazzling for its thoroughness psychological acuity and elegant style *The Life of Kingsley Amis* is exemplary literary biography at its very best

Understanding Kingsley Amis Merritt Moseley, 1993 **Kingsley Amis** Richard Bradford, 1998 This is a study of the real Kingsley Amis literary technician and popular storyteller the most amusing serious novelist of contemporary fiction

Kingsley Amis Andrew James, 2013 Throughout the first twenty years of his career Amis used bad artists as whimsical characters or antimodels that helped identify his artistic preferences and fictional techniques He became convinced that the relationship between an artist and his audience was reciprocal and that both the outer audience and the artist's inner circle must be held accountable for the production of poor literature During the last twenty years of his career Amis no longer concerned himself with satirizing bad artists but instead explored ways of ameliorating them James shows that the development of antimodels as fully drawn characters and Amis's insistence upon reciprocity in the writer reader relationship demonstrate that he was more than just a comedic writer and was aware of himself as an artist with social responsibilities

Page 4 of cover *Twentieth Century Fiction* George Woodcock, 1983-04-01 **The Odd Couple** Richard Bradford, 2012-10-30 Kingsley Amis was a mimic jester father husband atheist pseudo socialist and clubland Tory boozier with a limitless taste for adultery Philip Larkin a glum misanthrope who lived in self imposed solitude And yet after meeting at St John's Oxford in 1941 this unlikely pair struck up a friendship to endure for more than forty years despite a period of acrimony in the 1960s From their early days of undergraduate ambitions and enthusiasms through to the bitterness of middle

age Richard Bradford charts the progress of a remarkable friendship and shows how crucial it was to the making of these two literary giants Without Larkin s inspiration and input Amis would never have written his award winning debut Lucky Jim if not for Amis s overnight success Larkin would never have abandoned his hopes of becoming a novelist and turned instead to verse Larkin s ensuing resentment would simmer beneath the surface of their relationship for years to come Drawing on an enormous archive of letters manuscripts and interviews The Odd Couple not only offers a rare glimpse into the private correspondence of two controversial and eccentric men it also illuminates some of the finest novels and poems of the twentieth century Twentieth Century Crime & Mystery Writers NA NA,2015-12-25 Poetry Harriet Monroe,1969

St. James Guide to Horror, Ghost & Gothic Writers David Pringle,1998 As a companion volume to St James Guide to Fantasy Writers this volume concentrates on those types of fiction which may be labelled as horror novels dark fantasies ghost stories gothic novels tales of terror supernatural fictions occult fantasies black magic stories psychological thrillers tales of unease grand guignol shockers creepy stories shudder pulp fictions contes cruels uncanny stories macabre fictions and weird tales Editor s note p ix **Blasphemy** Leonard Williams Levy,1995 What society considers blasphemy a verbal assault against the sacred is a litmus test of the standards it believes to be necessary to preserve unity order and morality Society has always condemned as blasphemy what it regards as an abuse of liberty **Twentieth-century Science-fiction Writers** Curtis C. Smith,1986 **The Blue Book** ,1973 **A. E. Housman** ,1968 **Contemporary Novelists** Noelle Watson,1991 Contains entries for each author with a biography a list of separately published books and an essay Kingsley Amis--modern Novelist Dale Salwak,1992 This is a fascinating critical study of the life work and milieu of one of Britain s best known and most popular novelists Starting with a biographical overview of the influences on the developing writer while at home at school at Oxford and at war Dale Salwak goes on to offer the general reader a lively interpretation of all of Amis s novels from Lucky Jim 1954 through to The Folks That Live on the Hill 1990 set against the ever changing backdrop of the twentieth century Dale Salwak makes extensive use of the major Amis archives and draws on material from Amis s notebooks letters juvenilia and manuscripts as well as upon his own discussions with Amis and many of his friends Waving these sources with his own critical appraisal Salwak plots each step in the development of Amis s imaginative vision throughout his writing career This illustrated study which includes a selective chronology and a complete primary bibliography will be read with pleasure by those who are interested in learning more about Kingsley Amis modern novelist Kingsley Amis Philip Gardner,1981 **University Review** ,1968 *Critical Survey of Long Fiction: Chinua Achebe-Karel Capek* ,2000
