Creature Storms Ron Clinton Smith,2012-07-09 A WW II and Korean War pilot and hero a patriotic middle American farmer who'd trusted his government with two sons in Vietnam and been betrayed in that after having his farm largely controlled by his government all his life is in jeopardy of losing his homestead of 150 years After his death his sons scramble to hold onto the farm and make sense of all this and each other A seed that Deke the middle of three sons and Barrett his friend had brought back from Vietnam seventeen years earlier and kept pure becomes a means of saving the farm but in the process the hallucinogen from the seed begins to warn them of some imminent catastrophe through raining creatures and Barrett's visions The plant the government's trying to suppress brings them signs and warnings about what their government's doing as Barrett begins seeing Vietnamese spirits or visitors in the woods and fields when he ingests the stuff Creature Storms is a rawly told and original work a grounded human story of three brothers and a blood brother their love for and struggle with each other their country and the sacrifices they make to hold onto their land which they had already risked their lives in war to protect Politically timely Creature Storms unfolds on a number of dramatic levels that build into an apocalyptic ending **Everybody's Magazine** ,1922 **A Real Emergency** Joanna Sokol,2025-06-03 Introspective richly layered and surprisingly hopeful A Real Emergency is a love letter from a paramedic to the best and worst parts of her career For fifteen years Joanna Sokol filled private notebooks with her confusion humor and anger toward the strange world of emergency street medicine As her career on the ambulance progressed she found herself taking notes on scraps of paper the backs of gloves and in the margins of EKG printouts She listened to her patients' stories left food out for their pets and turned off the stove under their oxtail stews Once she read half a poem left in a dead woman's typewriter She learned about the history that brought ambulances into their current role as the caretakers of society's forgotten and spoke to her colleagues about their own experiences and perspectives Those reflections are collected here in a series of raw powerful essays about the state modern healthcare Sokol's life as a paramedic took her to three different counties the casinos and trailer parks of the Nevada desert the cozy beach town of Santa Cruz and eventually the crowded tenements of San Francisco's Tenderloin district There are no clear villains or heroes in Sokol's world only a group of patients and medics who are doing their best in a deeply broken system Combining impactful research compassionate reflections on her most memorable patients and the strong voices of her fellow paramedics Sokol takes readers deep into the everyday reality of 911 first responders offering insight empathy and a reminder of both the power and limitations of care *Do I Look American?* Gloria Mejia, In her book Gloria Mejia invites us to embark on a journey through history food language and the American dream exploring borders and shared humanity Each chapter begins with insights inspired by Maslow's hierarchy of needs and features reflections from diverse participants answering three key questions about what it means to be American As an immigrant she often pondered why American is primarily linked to the United States despite America being much broader Adapting to a new environment is

Congress,1981 **American Places** William Zinsser,2007 Setting out in the spring of 1990 to look for America when patriotic travel was suddenly back in fashion William Zinsser made first time pilgrimages to some of America s most cherished and visited historic sites Mount Rushmore Rockefeller Center Yellowstone National Park Pearl Harbor even the corny and obvious Niagara Falls At these and his other iconic destinations Zinsser unlearned cliché d assumptions and rediscovered fundamental truths about America Originally published in 1992 AMERICAN PLACES and the ideals that Zinsser discovers these places represent will never go out of fashion *The Dying Grass* William T.
