Lord From Heaven:

The Lord from Heaven Leon Morris, 1958 The Lord from Heaven Robert Anderson, 1978 A devotional treatment of the doctrine of Deity of Christ This differs from other works in that it offers indirect testimony of the Scriptures as to the validity of this doctrine This book is not written to settle doctrinal controversy but rather it is a Bible study that will deepen the student's conviction while giving a warm devotional approach Sir Robert Anderson Library Series **The Lord From Heaven** Sir Robert Anderson, 2008-04-04 During his many years as a lay preacher and biblical scholar Sir Robert Anderson wrote many provocative books on the Christian faith This series of his writings collects five of his most influential and enduring books **Wiseman Review**, 1884 The Lord's Prayers Shalom, Min, 2021-08-04 Hello I'm Lord's servant Shalom Min While accompanying the Holy Spirit he impressed me to meditate on Ephesus It's just a small meditation compared to Martin Lloyd Jones's Ephesus or other great believers' sermons on the strong side but I look forward to your relationship with the Lord Recently I read Ephesus repeatedly but I was moved to meditate on the contents of my life first after discovering the amazing truth in my life these days The Lord says we have something to save first If there is any prayer that we should seek more than anything it is a prayer that seeks his country and righteousness There is a great secret and amazing spiritual abundance in this prayer There is also this prayer in the Lord's Prayer which we know well Through this meditation I enter deeper Imjae and seek the righteousness of the kingdom of God in me and the will of the Lord is fulfilled If you go to church there's no one who doesn't know the Lord's Prayer But not many people will realize what the depth and height of the prayer is and pray for it They often memorize it like a spell that is nothing more or less than just a closing ceremony at the end of worship I watched the movie Paul the other day and the most impressive scene was the scene where I memorized the Lord's Prayer with one heart I remember praying together and couldn't hold back my tears We found that the confession of those who are about to be martyred the confession of saints who send martyrs and Paul's confession that will soon be martyred were melted in the Lord's Prayer The last thing you will hate the most is the division This is because in the Lord's Prayer there is a great prayer that the kingdom of the division is destroyed the church is built and the head of the division is broken On the contrary God is most pleased with the prayer that the Lord has taught Because it is a prayer in which the kingdom and will of God are fulfilled and God is honored This book is highly recommended to Christians who do not know what how or why to pray for Also I am sure it will be of great benefit to those who are already working hard in prayer or who have built many altars of prayer First of all I post this article to God while I cherish it in my heart and adore it to be a life not words and writing May the kingdom of God come to my soul in my life in my home in my workplace in my ministry in my church in Korea and in all heat and may your will be fulfilled Jesus the Amen Lord come Then I'll meet you in heaven **Angelic Wisdom Concerning the Divine Providence** Emanuel Swedenborg, 1862 *Ti & Do the Father & "Jesus" Heaven's Gate Ufo Two Witnesses* Sawyer, 2017-01-18 This book provides detailed evidence from everything Jesus

The God of Abraham, Isaac, and Jacob Watchman Nee, 1993-05-01 The Christian life is based upon the irrevocable promises of God the enjoyment of all that God has prepared for us in Christ and the transformation that results from the loving discipline of the Spirit In The God of Abraham Isaac and Jacob Watchman Nee draws upon the experiences of the Old Testament patriarchs and presents their lives as an allegory of the complete Christian experience From our response to God's promises by faith to our ultimate transformation into sons who are conformed to the image of Christ we must pass through the same life experiences of Abraham Isaac and Jacob Like Abraham we have been given the promise of God for the inheritance like Isaac we can enjoy all that God has planned for us in Christ His Son and like Jacob we must experience the discipline of the Holy Spirit for the sake of our growth and transformation *The Future Life* Emanuel Swedenborg, 1853

Getting to Know God Nathan Krupp, 2001-05 **The Lord's Day a Delight and Honourable. A Sermon [on Ps. Cxviii. 24].** Richard Rymer, 1856 **The Blue Scarab** Richard Austin Freeman, 2006-01-01 Medico legal practice is largely concerned with crimes against the person the details of which are often sordid gruesome and unpleasant Hence the curious and romantic case of the Blue Scarab though really outside our specialty came as somewhat of a relief But to me it is of interest principally as illustrating two of those remarkable gifts which made my friend Thorndyke unique as an investigator his uncanny power of picking out the one essential fact at a glance and his capacity to produce when required inexhaustible stores of unexpected knowledge of the most out of the way subjects It was late in the afternoon when Mr James Blowgrave arrived by appointment at our chambers accompanied by his daughter a rather strikingly pretty girl of about twenty two and when we had mutually introduced ourselves the consultation began without preamble I didn't give any details in my letter to you said Mr Blowgrave I thought it better not to for fear you might decline the case It is really a matter of a robbery but not quite an ordinary robbery There are some unusual and rather mysterious features in the case And as the police hold out very little hope I have come to ask if you will give me your opinion on the case and perhaps look into it for me But first I had better tell you how the affair happened The robbery occurred just a fortnight ago about half past nine o'clock in the evening I was sitting in my study with my daughter looking over some things that I had taken from a small deed box when a servant

rushed in to tell us that one of the outbuildings was on fire Now my study opens by a French window on the garden at the back and as the outbuilding was in a meadow at the side of the garden I went out that way leaving the French window open but before going I hastily put the things back in the deed box and locked it The building which I used partly as a lumber store and partly as a workshop was well alight and the whole household was already on the spot the boy working the pump and the two maids carrying the buckets and throwing water on the fire My daughter and I joined the party and helped to carry the buckets and take out what goods we could reach from the burning building But it was nearly half an hour before we got the fire completely extinguished and then my daughter and I went to our rooms to wash and tidy ourselves up We returned to the study together and when I had shut the French window my daughter proposed that we should resume our interrupted occupation Thereupon I took out of my pocket the key of the deed box and turned to the cabinet on which the box always stood But there was no deed box there For a moment I thought I must have moved it and cast my eyes round the room in search of it But it was nowhere to be seen and a moment's reflection reminded me that I had left it in its usual place The only possible conclusion was that during our absence at the fire somebody must have come in by the window and taken it And it looked as if that somebody had deliberately set fire to the outbuilding for the express purpose of luring us all out of the house That is what the appearances suggest Thorndyke agreed Is the study window furnished with a blind or curtains Curtains replied Mr Blowgrave But they were not drawn Any one in the garden could have seen into the room and the garden is easily accessible to an active person who could climb over a low wall So far then said Thorndyke the robbery might be the work of a casual prowler who had got into the garden and watched you through the window and assuming that the things you had taken from the box were of value seized an easy opportunity to make off with them Were the things of any considerable value To a thief they were of no value at all There were a number of share certificates a lease one or two agreements some family photographs and a small box containing an old letter and a scarab Nothing worth stealing you see for the certificates were made out in my name and were therefore unnegotiable And the scarab That may have been lapis lazuli but more probably it was a blue glass imitation In any case it was of no considerable value It was about an inch and a half long But before you come to any conclusion I had better finish the story The robbery was on Tuesday the 7th of June I gave information to the police with a description of the missing property but nothing happened until Wednesday the 15th when I received a registered parcel bearing the Southampton postmark On opening it I found to my astonishment the entire contents of the deed box with the exception of the scarab and this rather mysterious communication He took from his pocket book and handed to Thorndyke an ordinary envelope addressed in typewritten characters and sealed with a large elliptical seal the face of which was covered with minute hieroglyphics This said Thorndyke I take to be an impression of the scarab and an excellent impression it is Yes replied Mr Blowgrave I have no doubt that it is the scarab It is about the same size Thorndyke looked quickly at our client with an expression of surprise But he asked don't you recognize the hieroglyphics on it Mr

Blowgrave smiled deprecatingly The fact is said he I don t know anything about hieroglyphics but I should say as far as I can judge these look the same What do you think Nellie Miss Blowgrave looked at the seal rather vaguely and replied I am in the same position Hieroglyphics are to me just funny looking things that don t mean anything But these look the same to me as those on our scarab though I expect any other hieroglyphics would for that matter Thorndyke made no comment on this statement but examined the seal attentively through his lens Then he drew out the contents of the envelope consisting of two letters one typewritten and the other in a faded brown handwriting The former he read through and then inspected the paper closely holding it up to the light to observe the watermark *God so Loved...* Steve Ink,2015-05-05 John 3 16 is perhaps the most popular verse in the entire Bible It provides us with a concise description of God s motivation and action that leads to the hope of the eternal abundant life promised through Christ It is the Gospel proclaimed in one brief sentence In God So Loved this powerful verse is broken down so that each concept of the whole can be examined explored and personalized Author Steve Ink examines who God is what God has done and how we should live our lives in response This book is written for those seeking to learn about and gain a better understanding of the good news of Jesus Christ The main text of the book provides an overview of the Christian message as seen through Ink s personal experiences The notes provide supportive information for those who want to learn more
