

Maths in Everyday Life

Maths is all around us...

How do I know how much of each ingredient to add?

If it leaves this way, how long is it until the next bus?

If the pool is 25 metres long, how many lengths do I need to swim to get my 50 metres badge?

I have £2, how many sweets can I buy? Can I buy some for Koko too?

How long does this programme last for and is it possible to watch it a few days after it has been filmed?

What number do I need to press to call?

What steps do I need to take to fix the top of my ladder just with a bit?

How much does this bag cost and how much change will I have?

What is showing this week? What time does it start?
