Minnesota 150 Kate Roberts,2007 A fabulous showcase of individuals events and inventions that

have made Minnesota *Drs Mayo* Helen Clapesattle,1969-02 *The Love Affairs of An Old Maid* Lilian Bell,2020-07-30
Reproduction of the original *The Love Affairs of An Old Maid* by Lilian Bell **The Love Affairs of an Old Maid and
Looking Toward Sunset** Lilian Bell, Lydia Maria Child,2007-01-01 To morrow I shall be an Old Maid What a trying thing to
have to say even to one s self and how vexed I should be if anybody else said it to me Nevertheless it is a comfort to be
brutally honest once in a while to myself I do not dare I do not care to be so to everybody But with my own self I can feel that
it is strictly a family affair If I hurt my feelings I can grieve over it until I apologize If I flatter myself I am only doing what
every other woman in the world is doing in her innermost consciousness and flattery as honest as flattery from one s own self
naturally would be could not fail to please me Besides it would have the unique value of being believed by both sides a
situation in the flattery line which I fancy has no rival It is well to become acquainted with one s self at all hazards and as I
am going to be my own partner in the rubber of life I can do nothing better than to study my own hand So to harrow up my
feelings as only I dare to do I write down that it is really true of me that I passed the first corner five years ago and to
morrow I shall be 30 What a disagreeable figure a 3 is I never noticed it before It looks so self satisfied And as to that fat
hollow 0 which follows it I always did detest round numbers 30 there it goes again I must accustom myself to it privately so I
write it down once more and it laughs in my face and mocks me Then I laugh back at it and say aloud that it is true and for
the time being I have cowed it and become its master What boots it if the laughter is a trifle hollow There is no harm in
deceiving two miserable little figures Let me revel in my youth while I may To night I am a gay young thing of twenty nine To
morrow I shall be an Old Maid I have very little time left in which to make myself ridiculous and have it excused on account
of my youth But somehow I do not feel very gay I have a curious feeling about my heart as if I were at a burial one where I
was burying something that I had always loved very dearly but secretly and which would always be a sweet and tender
memory with me I feel nervous too quite as if I did not know whether to laugh or to cry I remember that Alice Asbury said she
was hysterical just before she was married I wonder if a woman s feelings on the eve of being an Old Maid are unlike those of
one about to become a bride My cat sits eying me with sleepy approval I always liked cats And tea Why have I never thought
of it before It is not my fault that I am an Old Maid I was cut out for one All my tendencies point that way Please don t blame
me good people Come here Tabby You and Missis will grow old together After all it is a sad thing when one realizes for the
first time that one s youth is slipping away But why Why do women of great intelligence of intellect even blush with pleasure
at the implication of youth There are fashions in thought as well as in dress and the best of us follow both as sheep follow
their leader We will sometimes follow our neighbor s line of insular prejudice when worlds could not bribe us to copy her
grammar or her gowns Dull people admire youth They excuse its follies they adore its prettiness That it is only a period of
education and that real life begins with maturity does not enter into their minds The odor of bread and butter does not
nauseate them Dull people I say and God pity us most of us are dull admire youth Men love it Therefore we all want to be

young We strive to be young nay we will be young I am no better than my neighbors I too am young when I am with people But there are times when I am alone when the strain of being young relaxes and I luxuriate in being old old old when I cease being contemporary and look back fondly to the time when the world and I were in embryo And yet I wonder if extreme age is as repulsive to everybody as it is to me Forty seems a long way off I fancy people at forty become very uninteresting to the oncoming generation Fifty is grandmotherly and suitable for little else Sixty seventy and beyond seem to me one horrible jumble of wrinkles and wheezes and false beauty and general unpleasantness Oh I hope if I should live to be over fifty that I may be a pleasant old person I hope my teeth will fit me and the parting to my wave be always in the middle I hope my fingers will always come fully to the ends of my gloves and that I never shall wear my spectacles on top of my head But I hope more than all that it isn't wicked to wish to die before I come to these things Before I entirely lose my youth in other words before I become an Old Maid let me see what I must give up Lovers of course That goes without saying And if I give them up it will not do to have their photographs standing around They must be oh and their letters must they too be destroyed Dear me no I'll just fold them all together and lay them away like a wedding dress which never has been worn And I'll put girls pictures or missionaries or martyrs into the empty frames Martyrs would be most appropriate
