MYTHS AND LEGENDS

Myths And Legends Of Ancient Israel Myths And Legends Series

John Moore Wickersham

Myths And Legends Of Ancient Israel Myths And Legends Series:

Ancient Israel--myths and Legends Angelo Solomon Rappoport,1987 In *Ancient Israel Myths and Legends* Angelo S Rappoport discusses and explains the fascinating early beliefs of the Jewish people The first section discusses the Jewish myths that deal with the origin of the world angels and demons paradise and hell the creation of Adam and Eve and legends related to the patriarchs Abraham and Isaac The second section discusses in greater depth the legends concerning the patriarchs prophets and priests the friends and favorites of God and explores Biblical personages such as Jacob Joseph Moses and Aaron The third section focuses on the first three kings of Israel Saul David and Solomon Also discussed are the Prophet Elijah and Queen Esther other important figures in Jewish legend *Myth and Legend of Ancient Israel* Angelo Solomon Rappoport,1928 *Myth and Legend of Ancient Israel* Angelo S. Rappoport,2013-10 This is a new release of the original 1928 edition **Myth and Legend of Ancient Israel** Angelo Solomon Rappoport,1966 **Encyclopedia of Jewish Folklore and Traditions** Raphael Patai,2015-03-26 This multicultural reference work on Jewish folklore legends customs and other elements of folklife is the first of its kind **Weapons Upon Her Body** Sandra Ladick Collins,2013-01-16 The biblical stories of Lot s daughters Tamar Ruth and Bathsheba share much in common singular women who are left to rely upon their own wits to achieve some measure of victory over the men around them Scholarly interpretation of these women often reduces them to mere stock characters who inform civic notions about Israel the perennial underdog who like these women achieves against great odds Or they reflect the trickery and moral ambiguity inherent in their line as ancestresses of the House of David However when read for their gender information and not for what they can tell readers about Israel one finds women who employ strategies of deception and trickery motivated by individual self interest in order to successfully maneuver within the system to their benefit Such initiative can be seen as valorous they save themselves through their own pluck and ingenuity Thus a close consideration of these stories finds that heroic biblical women carry their essential weapons upon and within themselves in their drive their resolve and their cleverness Using methods from biblical study as well as folklore this study identifies biblical women motivated by self interest coupled with deception and an incidence of the bedtrick an instance of sexual trickery that challenges the text s power and gender dynamics This identification puts Lot s daughters Tamar Ruth and Bathsheba in league with female heroes from folk tale and legend By contrasting and comparing common motifs and actions with traits established by other non biblical female heroic narratives strong heroic themes are located in all four narratives This offers a dynamic argument for identifying the female biblical heroic This work concludes that this new identification of heroic women in the Bible profoundly affects further interpretation of the Bible *Myths and Hero Tales* Agnes Regan Perkins,1997-11-25 This one stop cross cultural selective guide to recent retellings of myths and hero tales for children and young adults will enable teachers and library media specialists to select comparative myths and tales from various mostly non European cultures The focus is on stories from Native America Asia Africa the Middle East

Central and South America and Oceania The Guide contains extensively annotated entries on 189 books of retellings of myths and hero tales both ancient and modern from around the world published between 1985 and 1996 Represented are 1 455 stories suitable for use with young people from mid elementary through high school The entries arranged alphabetically by writer contain complete bibliographic data age and grade levels and evaluative annotations Seven indexes title author illustrator culture story type name and grade level make searching easy The story type index will enable teachers to select comparative myths and tales from different cultures on more than 50 types of myths and hero tales Among the many myth types cited are origin of human beings and the world comparative social customs and rituals natural and heavenly phenomena animal appearance and behavior searches and quests and tricksters Among the hero tale types are fools and buffoons kings and queens warriors monster slayers important female figures magicians voyagers and adventurers and spiritual leaders The Guide concludes with a bibliography of retellings published earlier that have come to be considered standard works

The Land of God Yang Xiaoli M.A., God's Promise to the Chinese God created the heavens and the earth He created everything from nothingness God exists forever without reason Nature including stars mountains rivers sky clouds flowers trees seasons the universe that operates orderly has been declaring the glory of God and proclaiming the wondrous and mighty works of God God is spirit Only those whose spirit is alive to Him can see and perceive God and the things of Him Since the first man sinned and refused to repent which caused man's spiritual death to God man is no longer spiritual but worldly After that man has been blind and deaf to God and His mighty works For instance man takes it for granted that the orderly operated nature came into being by itself

The Jewish Story Finder Sharon Barcan Elswit, 2012-08-10 Storytelling as oral tradition and in writing has long played a central role in Jewish society Family educators and clergy employ stories to transmit Jewish culture traditions and values This comprehensive bibliography identifies 668 Jewish folktales by title and subject summarizing plot lines for easy access to the right story for any occasion Some centuries old and others freshly imagined the tales include animal fables supernatural yarns and anecdotes for festivals and holidays Themes include justice community cause and effect and mitzvahs or good deeds This second edition nearly doubles the number of stories and expands the guide's global reach with new pieces from Turkey Morocco Libya Tunisia and Chile Subject cross references and a glossary complete the volume a living tool for understanding the ever evolving world of Jewish folklore

American Myths, Legends, and Tall Tales Christopher R. Fee, Jeffrey B. Webb, 2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science

fiction and conspiracy theories with mass media such as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father s cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today s urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic

The Bookman ,1929 *Myths and Legends of the World* John Moore Wickersham,2000 Presents alphabetically arranged cross referenced entries on the mythology of cultures around the world including entries on specific myths and legends and their themes overviews of larger subjects informational sidebars maps and charts and color photos and illustrations This volume covers Acastus through Coriolanus

A Letter That Has Not Been Read Bar Shaul,2001-12-31 Since Freud the study of dreams has typically involved inquiry into past and present emotional states The ancients unfamiliar with the intricate byways of the human soul revealed by modern psychology typically saw dreams as channels of communication between human beings and external sources Shaul Bar explores the etymology of key terms for dreams in the Hebrew Bible presents dozens of examples of biblical dreams and visions and categorizes them as prophetic symbolic or incubation He studies biblical dreams and visions in the context of similar phenomena in the literature of neighboring cultures and analyzes the functions of dream reports in the biblical corpus The literature of dream interpretation in Egypt and Mesopotamia informs Bar s treatment of the structure of dream accounts as conforming to the three part model setting message response proposed for ancient Near Eastern dream accounts in A Leo Oppenheim s classic work on dream interpretation Symbolic dreams whether or not God is their source contain no divine appearance and require interpretation to be understood While oneiro criticism was a significant profession in ancient Near Eastern cultures the Hebrew Bible presents only two such experts Joseph and Daniel Both were active in royal courts and the success of both in interpreting the rulers dreams served to confirm the superiority of the God of Israel Ambivalence characterizes the attitude toward dreams and visions in prophetic literature Joel and Job allow that they have some value But Jeremiah Zechariah Isaiah and Ecclesiastes find no religious significance in them and even treat them as tools of deceit The Talmud presents no consensus about whether dreams are a legitimate form of communication from God Although a guild of professional interpreters existed in Jerusalem and the Talmud includes a short dream book many Sages expressed skepticism about such alleged divine messages Dreams also serve important functions within the literary world of the Hebrew Bible Bar

shows how Jacob's dream at Bethel serves to explain the sanctity of the place and detach it from its Canaanite context how the dreams in the Joseph cycle show the hand of divine providence in the descent to Egypt followed by the ascent to the Promised Land how Solomon's dream at Gibeon serves to legitimate Solomon's rule and how Nebuchadnezzar's dreams served to emphasize once again that it is the Lord who guides universal history

The Samson Story Shaul Bar, 2018-06-15 Love seduction betrayal violence riddles and myth all find their place in the biblical story of Samson Samson is the last of the judges with 20 percent of the book devoted to him more than any other judge From the beginning Samson is unlike any other judge which the author suggests when narrating Samson's birth Samson is destined even before his birth to deliver Israel He doesn't lead his people into battle he acts alone his battles are personal vendettas Samson fights with a lion defeats the Philistines with the jawbone of an ass captures foxes sets Philistine fields on fire and carries the Gates of Gaza on his shoulders So what stands behind these stories Was Samson a mythological hero like Hercules and Gilgamesh Like other men in the Hebrew Bible Samson can't resist foreign women Time after time he follows Philistine women who eventually betray him Samson is defeated not by physical strength but by the powers of seduction making this story a tragedy Who were these women and how did they defeat Samson Readers of this volume will rediscover Samson and better understand his achievements and failures This study will afford a provocative and useful insight into the character of Samson

Middle Eastern Mythology S. H. Hooke, 2004-01-01 The role of mythology in ritual and its place in the origins of customs cults and hero worship are the areas covered by this survey Based on firsthand sources this book recounts the legends of the Egyptians Babylonians Assyrians Hittites and Canaanites in addition to discussing the mythological elements of the Jewish apocalyptic literature and the New Testament The author's well documented commentary highlights the similarities between various Middle Eastern legends and offers revealing citations from documents tablets and inscriptions recovered by archaeological excavations It contains 16 black and white illustrations

Behind the Myths John Pickard, 2013-02-26 There has never been a more important time for a study of the social economic and political origins of Judaism Christianity and Islam the three important world religions that share a common root This book adopts a Marxist that is a materialist view of human development so it takes as its starting point the idea that gods angels miracles and other supernatural phenomena do not exist in the real world and therefore cannot be taken as explanations for the origin and rise of these faiths It looks instead at the material conditions at appropriate periods in antiquity and the social and economic forces that were at work to outline the real foundations of these three doctrines In doing so it challenges the historicity of key figures like Moses Jesus and Mohammed This is a unique book that draws on the research knowledge and expertise of hundreds of historians archaeologists and scholars to create a new synthesis that is both coherent and completely based on a materialist world outlook It is a book written by an unbeliever for other unbelievers as a contribution to a discussion among atheists and secularists as to the real origins of the so called Abrahamic faiths It will be a revelatory read even to those already firmly of an

atheist or secularist persuasion underpinning their nonreligious views and it will provide a valuable resource for all those who might be coming to question the hold that organized religion has had on human society *Sacred Wells* Gary R. Varner,2009 *Sacred Wells* is an in depth study of springs wells and waters that have been venerated from California to Cornwall Russia to Australia Tales of faeries black hounds hauntings and miraculous cures are explored Many of these sites are still locations for religious festivals and ritual unchanging for hundreds of years The book is illustrated with photos taken by the author *God's Conflict with the Dragon and the Sea* John Day,2020-04-20 The Old Testament contains a number of interesting poetic references to God s conflict with a dragon called by names such as Leviathan Rahab or the twisting serpent and with the sea In this original contribution to the background and understanding of the Old Testament Dr Day undertakes a detailed and thorough examination of these allusions Building on the discovery of the Ugaritic texts he demonstrates a source for these references within Canaanite mythology His study further explores the associations of the imagery Sometimes in the Old Testament the dragon is associated with the creation of the world or it becomes a symbol of a foreign nation and in some references it is associated with divine conflict at the end of time *Revelation of Jesus Christ* Margaret Barker,2000-05-01 A new and transforming approach to the Book of Revelation Margaret Barker bases her study on a fresh reading of the primary sources As an Old Testament scholar she can read Revelation as Hebrew prophecy ancient temple oracles which inspired Jesus and his own prophecies and influenced the whole Jerusalem Church Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee This expectation fuelled the revolt against Rome Josephus who deserted to Rome was the false prophet John who escaped to Patmos compiled Revelation as a record of the first generation In the future he taught the Lord would return to his people in the Eucharist This work illuminates the formative years of Christianity in the social religious and political situation of mid first century Palestine in a quite remarkable way It will have profound implications for the understanding of Christian origins and the development of Christian liturgy *Myth and legend of ancient Israel* Angelo Solomon Rappoport,1928

Myths And Legends Of Ancient Israel Myths And Legends Series Book Review: Unveiling the Magic of Language
