First-third Supplement. 1889-1903: 1894-1898* Detroit Public Library, 1899 *Mackinaw City* Madeline Okerman Adie, 2007 Rich in history magnificent in scenery and abundant in hospitality Mackinaw City lies at the very tip of Michigan's Lower Peninsula and is the area's own majestic playground From early Native American settlements French explorers and fur traders to Mackinaw City founding father Edgar Conkling's vision to build a business center upon the south shore of the Mackinac Straits Mackinaw City does not disappoint anyone who visits it Due to its strategic location on the crossroads of the Great Lakes this area has always been a gathering place for early inhabitants When the railroad arrived in the late 1800s it provided needed transportation with unique railroad and car ferries to and from Michigan's Upper Peninsula Today Mackinaw City still enjoys the distinction of being one of the most popular historical resort areas in Michigan Through the insight of talented individuals who had the foresight to capture history with the interesting and colorful medium of the postcard one is able to learn and smile at Mackinaw days gone by **General Catalogue of the Public Library of Detroit, Mich** Detroit Public Library, 1899 *Michigan in Literature* Clarence A. Michigan Myths and Legends Sally Barber,2020-12-01 From tales of pirate treasure to Jimmy Hoffa's mysterious disappearance Michigan Myths and Legends makes history fun and pulls back the curtain on some of the state's most fascinating and compelling stories Most people have heard about the Bermuda Triangle where ships and people disappear without a trace but few have heard about the equally deadly Great Lakes Triangle where one third of all unsolved sea and air disasters in America take place Night after night curious onlookers congregate on a remote hill near the Michigan Wisconsin border to watch for mysterious lights that rise out of the ground hover and then disappear Are the orbs merely optical phenomena created by headlights of passing cars Or are they spirits returning to haunt where their earthly bodies met their demise In the mid 1960s the number of reports to the US Air Force of UFO sightings spiked across the country Were people seeing unfamiliar technological innovations in aircraft Had the rising popularity of the new fangled television's sci fi programs sparked Americans' imaginations Or were extraterrestrial beings actually responding to signals from newly constructed deep space radio transmitters
