Conversations with memorable personalities Amos Malupenga,2024-05-21 After reviewing just part of this book s contents Rex Mudenda a risk management professional and Lusaka based avid reader of political science literature states This book is loaded There is usually no such a cocktail of prominent personalities covered in one book I kept on salivating on the featured names under the Conversations section The book has captured a good slice of Zambia s political story Mulenga Kapwepwe a prolific Zambian author states A page turning thriller of historical social and political value Each prominent personality comes alive through Amos Malupenga s compelling narrative allowing us rare glimpses into their personal experiences and connections to pivotal events that have impacted and coloured our fascinating national story The above is an apt description of this book s contents They are as intriguing as they are gripping Because of the cocktail of the personalities featured one can safely say these are several books in one On the basis of these conversations with most of the political figures the author has taken the liberty to draw a parallel between democracy and theocracy In so doing the author concludes that from the beginning of human history even the best human governments democracies have failed to solve mankind s serious problems because of bad leadership owing to the inherent imperfection as a result of sin The bad leadership is increasingly proving to be one of the root causes of all evil in human societies across the entire inhabited earth Consequently the author asserts that theocracy is the panacea the universal cure the perfect solution and sovereign remedy to mankind s problems be they big or small
