spirit in the Glendale Police Department Delia Riordan's father has just died Detective Jim Harvey's family have left for the holidays there are power blackouts and of course no let up in murders muggings burglaries and a perplexing triple murder suicide The department's mood improves with the addition of a dog and a family of kittens to the office Some crimes even have comic outcomes including the burglar who is given away by a trail of wool So it turns out to be a happy Christmas after all except for the victims My favourite American crime writer New York Herald Tribune *The Descendants of Edward Greenlee of West Virginia* William Clarkson Greenlee, 1956 *Blount County, Alabama Confederate Soldiers, Volume 3: Miscellaneous* Robin Sterling, 2013-08-15 Mary Gordon Duffee wrote When the drums beat and the bugles called for men to march to the front I tell you old Blount responded nobly and sent hundreds of her gallant sons to march fight suffer and die for the flag that now lies furled forever This series of books attempts to identify all the Confederate soldiers who enlisted in organizations from the Blount County area along with those who moved to Blount County after the Civil War Whole company rosters are captured and entire service records pension applications birth dates spouses and marriage dates newspaper clippings and obituaries and dozens of pictures are contained in these volumes This is the first time ever all this information has been available in a single reference book Volume 3 contains information on soldiers who enlisted in other Alabama organizations and those who moved to Blount County after the Civil War These books are vital to any serious student of Blount County Alabama genealogy and history *Religion and Theology: Breakthroughs in Research and Practice* Management Association, Information Resources, 2020-02-07 Religion is considered by many to be something of the past but it has a lasting hold in society and influences people across many cultures This integration of spirituality causes numerous impacts across various aspects of modern life The variety of religious institutions in modern society necessitates a focus on diversity and inclusiveness in the interactions between organizations of different religions cultures and viewpoints Religion and Theology Breakthroughs in Research and Practice examines the cultural sociological economic and philosophical effects of religion on modern society and human behavior It also explores the impact of gender identity and race within religious based institutions and organizations Highlighting a range of topics such as religious traditionalism spirituality and comparative religion this publication is an ideal reference source for theologists religious officials managers government officials theoreticians practitioners researchers policymakers advanced level students and sociologists **Equal: Women Reshape American Law** Fred Strebeigh, 2009-02-13 The dramatic untold story of how women battled blatant inequities in America's legal system As late as 1967 men outnumbered women twenty to one in American law schools With the loss of deferments from Vietnam reluctant law schools began admitting women to avoid plummeting enrollments As women entered the law resisted Judges would not hire women Law firms asserted a right to discriminate against women Judges permitted discrimination by employers against pregnant women Courts viewed sexual harassment as one judge said a game played by the male superiors Violence against women seemed to exist beyond the law's comprehension In this landmark book Fred

Strebeigh shows how American law advanced far and fast He brings together legal evidence and personal histories to portray the work of concerned women and men to advance legal rights in America Equal combines interviews with litigators plaintiffs and judges including Ruth Bader Ginsburg and Catharine MacKinnon along with research from private archives of attorneys who took cases to the Supreme Court to narrate battles waged against high odds and pinnacles of legal power Equal in the words of Professor Suzanne A Kim of Rutgers Law School is a book for anyone interested in how each individual can improve our society through compassion drive and creativity

Race and Ethnicity in America Russell M. Lawson, Benjamin A. Lawson, 2019-10-11 Divided into four volumes Race and Ethnicity in America provides a complete overview of the history of racial and ethnic relations in America from pre contact to the present The five hundred years since Europeans made contact with the indigenous peoples of America have been dominated by racial and ethnic tensions During the colonial period from 1500 to 1776 slavery and servitude of whites blacks and Indians formed the foundation for race and ethnic relations After the American Revolution slavery labor inequalities and immigration led to racial and ethnic tensions after the Civil War labor inequalities immigration and the fight for civil rights dominated America s racial and ethnic experience From the 1960s to the present the unfulfilled promise of civil rights for all ethnic and racial groups in America has been the most important sociopolitical issue in America Race and Ethnicity in America tells this story of the fight for equality in America The first volume spans pre contact to the American Revolution the second the American Revolution to the Civil War the third Reconstruction to the Civil Rights Movement and the fourth the Civil Rights Movement to the present All volumes explore the culture society labor war and politics and cultural expressions of racial and ethnic groups

Institutional Violence Deane Curtin, Robert Litke, 2022-05-20 Violence can be physical and psychological It can characterize personal actions forms of group activity and abiding social and political policy This book includes all of these aspects within its focus on institutional forms of violence Institution is also a broad category ranging from formal arrangements such as the military the criminal code the death penalty and prison system to more amorphous but systemic situations indicated by parenting poverty sexism work and racism Violence is as complex as the human beings who resort to it its institutional forms pervade our relational lives We are all participants in it as victims and perpetrators The chapters in this book were written in the hope that violence can be explicated even if not fully understood and that such clarification can help us in devising less violent forms of living even if it does not lead to its total abolition The studies bring new aspects of violence to light and offer a number of suggestions for its remedy

The Rights Revolution Samuel Walker, 1998 Walker offers a vigorous defense of the rise of personal rights in America conceding that the expansion of individual rights does present problems but insisting that the gains far outweigh the losses

The Supreme Court and Sexual Harassment Paul I.

Weizer, 2000-01-01 The issue of sexual harassment has received considerable attention in recent years. As responses to this problem have evolved, Paul I. Weizer argues, free speech and due process have become increasingly threatened. Because the Supreme Court has given little guidance, confronting harassment has been difficult and haphazard. *The Supreme Court and Sexual Harassment* examines the crux between limiting workplace speech and preventing sexual harassment. Weizer argues that the courts need to clarify further the meaning of sexual harassment and employers need to clarify their own and their employees' speech and due process rights in the workplace. The book offers a lucid examination of how the First Amendment has evolved in the past century, an investigation of comparative areas of unpopular speech, and an analysis of how sexual harassment precedent has developed. Weizer concludes with a proposal for a less restrictive alternative that would prevent true harassment while preserving free expression. Adding another strong voice to the debate on sexual harassment in America, this is an important book for our time.
