Beyond the Threshold Christopher M. Moreman, 2008-09-18 In every culture throughout history people have asked the same fundamental question about what will happen to them when they die From the underworld to the light at the end of the tunnel beliefs and experiences of death abound And even though we cannot know for sure what happens to us after death our understanding of the afterlife can have a profound impact on how we live Beyond the Threshold is the first book to seriously examine the afterlife through the lens of both world religions and metaphysical experiences Christopher M Moreman includes an introduction to the afterlife beliefs of ancient cultures which are essential to understanding the roots of many modern ideas about death He examines the folklore and doctrines of major world religions including Judaism Christianity Islam Hinduism Buddhism Confucianism and Taoism He also discusses psychic phenomena across traditions such as mediums near death and out of body experiences and past life memories While ultimately the afterlife remains unknowable Moreman s unique in depth exploration of both beliefs and experiences can help readers reach their own understanding of the afterlife and how to live No other book in the field approaches the issue of the afterlife from so many angles but Moreman weaves them skillfully together into an accessible and engaging book

Ninian Smart on World Religions: Traditions and the challenges of modernity. I. Individual traditions. Buddhism. 'Mysticism and scripture in Theravāda Buddhism' Ninian Smart, 2009

Ninian Smart came to public prominence as the founding Professor of the first British university Department of Religious Studies in the late 1960s His pioneering views on education in religion proved hugely influential at all levels from primary schools to academic teaching and research An unending string of publications many of them accessible to the general public sustained a reputation that became worldwide Here for the first time a selection of Ninian Smart's wide ranging writings is organised systematically under a set of categories which both comprehend and also illuminate his varied output over a career spanning half a century The editor John Shepherd was Principal Lecturer in Religion and Philosophy at the University of Cumbria He first met Smart as a postgraduate student and recently helped establish the Ninian Smart Archive at the University of Lancaster

The Cosmic Breath Amos Yong, 2012-05-10

Recent thinking in the interfaith dialogue and in the theology science dialogue have taken a pneumatological turn The Cosmic Breath explores this pneumatological theology as unfolded in the Christian Buddhist dialogue alongside critical interaction with the theology and science conversation As an attempt in comparative and constructive Christian philosophical theology its central thesis is that a pneumatological approach to Buddhist traditions in further dialogue with modern science generates new philosophical resources that invigorate Christian thinking about the natural world and humanity's place in it The result is a transformation of the Buddhist Christian dialogue from insights generated in the theology and science interface and a contribution to the religion and science dialogue from a comparative theological and philosophical perspective

Comparing Faithfully Michelle Voss, 2016-09-01

Every generation of theologians must respond to its context by rearticulating the central tenets of the faith Interreligious comparison has been integral to this process from the start of the Christian tradition and is especially salient today The emerging field of comparative theology in which close study of another religious tradition yields new questions and categories for theological reflection in the scholar's home tradition embodies the ecumenical spirit of this moment This discipline has the potential to enrich systematic theology and by extension theological education at its foundations The essays in Comparing Faithfully demonstrate that engagement with religious diversity need not be an afterthought in the study of

Christian systematic theology rather it can be a way into systematic theological thinking Each section invites students to test theological categories to consider Christian doctrine in relation to specific comparisons and to take up comparative study in their own contexts This resource for pastors and theology students reconsiders five central doctrines of the Christian faith in light of focused interreligious investigations The dialogical format of the book builds conversation about the doctrine of God theodicy humanity Christology and soteriology Its comparative essays span examples from Hindu Buddhist Jewish Muslim Jain and Confucian traditions as well as indigenous Aztec theology and contemporary spiritual but not religious thought to offer exciting new perspectives on Christian doctrine

Nagarjuna And The Philosophy Of Openness: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Nagarjuna And The Philosophy Of Openness : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Nagarjuna And The Philosophy Of Openness : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
