## Naive Sentimental Love:

*Dialectic of Love* David Pugh, 1997 Unravelling the contradictions and complexities of Friedrich Schiller's labyrinthine thought David Pugh illuminates the inner dynamics of these writings and places them within a wider philosophical and cultural context Modern discussions tend to focus on *Joyce's Love Stories* Christopher DeVault, 2016-12-05 In his comprehensive study of love in James Joyce's writings Christopher DeVault suggests that a love ethic persists throughout Joyce's works DeVault uses Martin Buber's distinction between the true love for others and the narcissistic desire for oneself to frame his discussion showing that Joyce frequently ties his characters' personal and political pursuits to their ability to affirm both their loved ones and their fellow Dubliners In his short stories and novels DeVault argues Joyce shows how personal love makes possible a broader social compassion that creates a more progressive body politic While his early protagonists' narcissism limits them to detached engagements with Dublin that impede effective political action Joyce demonstrates the viability of his love ethic through both the Blooms' empathy in *Ulysses* and the polylogic dreamtext of *Finnegans Wake* In its revelation of Joyce's amorous alternative to the social and political paralysis he famously attributed to twentieth-century Dublin Joyce's *Love Stories* allows for a better appreciation of the ethical and political significance underpinning the author's assessments of Ireland

**Enter Laughing** Carl Reiner, 2009-02-02 In this semi-autobiographical laugh-out-loud novel Carl Reiner details a young man's frustrations as he works as a machinist's helper and tries to break into show business Along the bumpy path the aspiring young actor tries to extricate himself from his overly protective parents and his two girlfriends and eventually lands an acting gig with a small theater troupe Human, funny, and relatable *Enter Laughing* is a warm tale of a young man with love in his heart and greasepaint on his face that guarantees to have everyone exit laughing

**Reckoning** V (formerly Eve Ensler), 2023-01-31 A Publishers Weekly Top 10 Memoir of the Season The work of a lifetime from the Tony Award-winning bestselling author of *The Vagina Monologues*, political, personal, profound, and more than forty years in the making The newest book from V formerly Eve Ensler *Reckoning* invites you to travel the journey of a writer's and activist's life and process over forty years representing both the core of ideas that have become global movements and the methods through which V survived abuse and self-hatred Seamlessly moving from the internal to the external, the personal to the political *Reckoning* is a moving and inspiring work of prose, poetry, dreams, letters, and essays drawn from V's lifelong journals that takes readers from Berlin to Oklahoma to the Congo from climate disaster, homelessness, and activism to family Unflinching, intimate, introspective, courageous *Reckoning* explores ways to create an unstoppable force for change to love and survive love to hold people and states accountable to reckon with demons and honor the dead to reclaim the body and to see oneself as connected to a greater purpose It reimagines what seems fixed and intractable, providing a path to understand one's unique experience as deeply rooted in the world to break through one's own boundaries and to write oneself into freedom

*Émigrés* Richard Scholar, 2022-06-14 The fascinating history of French

words that have entered the English language and the fertile but fraught relationship between English and French speaking cultures across the world English has borrowed more words from French than from any other modern foreign language French words and phrases such as *la mode* *ennui* *na vet* and *caprice* lend English a certain *je ne sais quoi* that would otherwise elude the language Richard Scholar examines the continuing history of untranslated French words in English and asks what these words reveal about the fertile but fraught relationship that England and France have long shared and that now entangles English and French speaking cultures all over the world *migr s* demonstrates that French borrowings have over the centuries turned English in more ways than one From the seventeenth century polymath John Evelyn s complaint that English lacks words that do so fully express the French *ennui* and *na vet* to George W Bush s purported claim that the French don t have a word for *entrepreneur* this unique history of English argues that French words have offered more than the mere seasoning of the occasional *mot juste* They have established themselves as creolizing keywords that both connect English speakers to and separate them from French Moving from the realms of opera to ice cream the book shows how migrant French words are never the same again for having ventured abroad and how they complete English by reminding us that it is fundamentally incomplete At a moment of resurgent nationalism in the English speaking world *migr s* invites native Anglophone readers to consider how much we owe the French language and why so many of us remain ambivalent about the migrants in our midst

**Autoethnography as Feminist Method** Elizabeth Ettorre, 2016-11-25 Autoethnography is an ideal method to study the feminist I Through personal stories the author reflects on how feminists negotiate agency and the effect this has on one s political sensibilities Speaking about oneself transforms into stories of political responsibility a key issue for feminists who function as cultural mediators

**My Life as a Russian Novel** Emmanuel Carrère, Linda Coverdale, 2024-03-26 An unsparingly truthful account of love betrayal and the traps we set for ourselves by France s master of psychological suspense In work after work the critically acclaimed author Emmanuel Carrère has trained his unblinking gaze on the lives of others as they fight a losing battle with that most fearsome of adversaries the self Now determined to escape the bleak visions of his narratives he takes on a film project in the heart of Russia while also embarking on a new love affair back home in Paris But soon enough the diversion he seeks eludes him intimacy proves too arduous and Carrère is left peering into the dark mirror of his own life Set in Paris and Kotelnich a small post Soviet town *My Life as a Russian Novel* traces Carrère s pursuit of two obsessions the disappearance of his Russian grandfather and his erotic fascination with a woman he loves but cannot keep from destroying In prose that is elegant and passionate Carrère weaves the strands of his story into a travelogue of a journey inward Road trip confession erotic tour de force this fearless reckoning illuminates the schemes we devise to evade ourselves and the inevitable payment they exact

**The Tender Detail** Daniel E. Snyder, 2020-06-25 *The Tender Detail* tells a story about the repression of sentimentality through architectural ornament The protagonists are Louis H Sullivan and Frank Lloyd Wright two of the most important architects and designers of ornament in

American history Interweaving close readings of their architecture and writings with wide ranging discussions about sexuality gender and philosophy the book explores how both men worked to solve the problem of late nineteenth century ornamentation It suggests that their solutions while widely different were both intimately rooted in the tender emotions of sentimentality Viewing ornament in this way reveals much not only about Sullivan and Wright s artistic intentions but also about the role of affect the value of beauty and the agency and ontology of objects Illuminated by personal stories from their respective autobiographies which add a level of human interest unusual in an academic work The Tender Detail is a readable scholarly study which sheds fresh light on Sullivan and Wright s relationship their work and on the nature of ornament itself

program and liner notes on his works from 1978 to 2005 and section Constructions of Childhood in Ancient Greece and Italy Ada Cohen, Jeremy B. Rutter, 2007 These 20 papers explore ancient notions and experiences of childhood around the Mediterranean from prehistory to late antiquity They are grouped into sections on Families Socialization and Enculturation Rituals and Life Transitions Gender and Representation Burial Commemoration and Childhood and the Classical Tradition The contributors come from a range of different disciplines including art history archaeology classical philology and physical anthropology Chaotic Justice John Ernest, 2009-11-15 What is African American about African American literature Why

identify it as a distinct tradition John Ernest contends that too often scholars have relied on naive concepts of race superficial conceptions of African American history and the marginalization of important strains of black scholarship With this book he creates a new and just retelling of African American literary history that neither ignores nor transcends racial history Ernest revisits the work of nineteenth century writers and activists such as Henry Box Brown Frederick Douglass Harriet Wilson William Wells Brown and Sojourner Truth demonstrating that their concepts of justice were far more radical than those imagined by most white sympathizers He sheds light on the process of reading publishing studying and historicizing this work during the twentieth century Looking ahead to the future of the field Ernest offers new principles of justice that grant fragmented histories partial recoveries and still unprinted texts the same value as canonized works His proposal is both a historically informed critique of the field and an invigorating challenge to present and future scholars **Forum**

**International**, 1980 *Families in Faith* Rachel Vanderwood, 2022-03-09 When homicide detective Damon Norse takes his family on a much needed vacation away from the stress and chaos of work obligations and inner city living he expects to enjoy a relaxing and uneventful week Not long after he and his family arrive to their destination however Damon find that his well intended plans are soon to be uprooted when unexplained events and disappearances start to occur At first settled in allowing the local law officials and now federal agents that have been contacted to solve the mystery Damon quickly changes his plans when the threat reaches close to his own family The deeper that Damon involves himself in the case the stranger and more dangerous his investigation becomes But with the help of some unexpected new friends and unseen allies Damon gains the necessary support he needs to fight the evil that plagues the woods around him In his race against time to protect the innocent from the darkness that he himself cannot yet explain Damon realizes that the unbreakable bonds of his family and those sent to aide and protect him will become the strength he needs to face his fears and begin to understand that his purpose is more than what he ever thought it would be **The Encyclopaedia Britannica: Aus to Cal**, 1910
