Fantasies of Gender and the Witch in Feminist Theory and Literature Justyna Sempruch, 2008-03-01 In *Fantasies of Gender and the Witch in Feminist Theory and Literature* Justyna Sempruch analyzes contemporary representations of the witch as a locus for the cultural negotiation of genders Sempruch revisits some of the most prominent traits in past and current perceptions in feminist scholarship of exclusion and difference She examines a selection of twentieth century US American Canadian and European narratives to reveal the continued political relevance of metaphors sustained in the archetype of the witch widely thought to belong to pop cultural or folkloristic formulations of the past Through a critical rereading of the feminist texts engaging with these metaphors Sempruch develops a new concept of the witch one that challenges traditional gender biased theories linking it either to a malevolent hag on the margins of culture or to unrestrained feminine sexual desire Sempruch turns instead to the causes for radical feminist critique of feminine sexuality as a fabrication of logocentric thinking and shows that the problematic conversion of the hag into a superwoman can be

interpreted today as a therapeutic performance translating fixed identity into a site of continuous negotiation of the subject in process Tracing the development of feminist constructs of the witch from 1970s radical texts to the present Sempruch explores the early psychoanalytical writings of Cixous Kristeva and Irigaray and feminist reformulations of identity by Butler and Braidotti with fictional texts from different political and cultural contexts *Family and Relationships in Ian McEwan's Fiction* Tomasz Dobrogoszcz,2018-02-23 The book provides a lucid analysis of all Ian McEwan fiction published to date from his 1975 debut short stories up to the 2016 novel *Nutshell* spanning forty years of his literary career Apart from a general discussion of McEwan's works the study offers a uniform focal point it concentrates on one of the key issues taken up by the writer the aspect of relationships between partners and between family members As the book demonstrates the novelist employs interpersonal relations to establish a pertinent context in which he can dramatically portray the process of identity formation in his characters Throughout his fiction McEwan consistently uses references to psychoanalysis either veiled or direct The proposed book investigates the novelist's oeuvre through the lens of the psychoanalytic theory developed by Jacques Lacan The approach used makes the book useful both for readers well familiar with this apparatus and for those who need introduction to Lacanian psychoanalysis and such of his concepts as desire fantasy the symbolic order or the Name of the Father The Self-Reflexive Art of Don DeLillo Graley Herren,2019-06-27 Don DeLillo has spent his career reflecting upon the creative processes of artists In recent years he has become increasingly drawn to spectators and how they project and indulge their own private obsessions through art The Self Reflexive Art of Don DeLillo is the first book devoted to this dimension of DeLillo's art It is also the first book to identify and analyze a signature DeLillo motif the embedded author In multiple novels short stories and plays DeLillo inserts a character subtly implied as the creator of the very narrative we are reading or watching Spanning his entire career but focusing primarily on his work from *Underworld* 1997 to *Zero K* 2016 The Self Reflexive Art of Don DeLillo breaks important new ground in DeLillo studies **Flying Cups & Saucers: Gender Explorations in Science Fiction & Fantasy** Debbie Notkin,The Secret Feminist Cabal,2008 Ever wonder what happened to the rest of the tea party when the saucers went off into space Here's your chance to find out What would it be like to go to a club where you could buy an injection of sexiness To grow up in a world where you didn't know what gender you would be until puberty and the discovery could be painful To find yourself and your secret pitted against the entire United States government The James Tiptree Jr Award has been recognizing science fiction and fantasy novels and stories that explore and expand gender since 1992 Although the award itself is given to one or two works of fiction a year each jury also produces an honor list of notable works that were considered for the award This anthology contains almost all of the short fiction that either won or was honored in the first five years of the award **The Secret Sharer** Joseph Conrad,Peter Fudakowski,2014-05-12 Atlantic All its phases were familiar enough to me every characteristic all the alternatives which were likely to face me on the high seas everything except the novel responsibility of command But I took heart from the

reasonable thought that the ship was like other ships the men like other men and that the sea was not likely to keep any special surprises expressly for my discomfiture Inspired by Joseph Conrad s short story The Secret Sharer first published in 1910 Peter Fudakowski s 2014 Secret Sharer film is a contemporary fable told with epic beauty humour and a twist in its tale Secret Sharer is a romantic and sensuous moral story about a young man s journey into maturity through challenging human relationships on the high seas Bloomsbury Reader s edition of The Secret Sharer includes Conrad s original text Peter Fudakowski s screenplay exclusive images from the film as well as two invaluable essays by literary critic Gene M Moore which explore the fiction of Joseph Conrad and its inexhaustible appeal for screen and theater adaptations
