M. Waterworth,1889      **"A Name which is Above Every Name". [Texts from the Bible for Every Day in the Year.]**,1878      Jesus--Name Above All Names Joyce Meyer,2008-12-14 In her easy to understand style the nationally known author explains the reverence and respect that should be given to the name of Jesus and the proper use of the name She also teaches foundational truths about the power and authority believers possess in the name of Jesus and how it will alter a life      **The Whole Works of the Late Reverend Thomas Boston of Ettrick** Thomas Boston,1851      **The Sermons and other practical works of R. E., ... besides his poetical pieces. To which is prefixed, a short account of the author's life and writings by J. Fisher. Edited by J. Newlands** Ralph Erskine,1821  
*The Power of Simple Prayer* Joyce Meyer,2007-04-03 Prayer transforms lives every day But for those who pray how many truly understand its power In her straightforward and profound style beloved by millions worldwide Joyce Meyer reveals the incredible force that comes through the simple act of prayer By explaining the keys to unanswered prayers the hindrances to prayer s effectiveness and the Bible s role in prayer Joyce gives readers a new perspective on how best to communicate with God She reveals that through prayerful conversation comes the ability to be successful in life strong at heart and sincere with others Simple prayer powerful results      **Love Out Loud** Joyce Meyer,2011-11-02 Jesus said You must love the Lord your God with all your soul and with all your strength and with all your mind and your neighbor as yourself Luke10 27 If one had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer love God yourself and others in that order Many Christians get mixed up about love They know they should love God and

others but many do not understand that loving oneself is one third of God's equation. They mistakenly think of it as selfishness or self aggrandizement. Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey. Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God, ourselves and others. Drawing upon her previous work and teaching series as well as original devotions, the author of *Power Thoughts* examines the three loves that we've been commanded to exhibit. **Hē Kainē Diathēkē**, 1847 **The Voice of the Seven**

**Thunders** George Kevyn Weber, 2014-07-21 There is no time for the people of the world to waste to decide to change their ways and their ways of living. The world is in a crisis that it has not been in before. Actually, the world has been in countless crises in the past before disaster, calamity or catastrophe struck the people of the earth. We are not talking of crises of natural disasters, calamities or catastrophes that have hit the earth; we are talking about man-made, man-engineered and man-designed disasters, calamities and catastrophes that have hit the world from time to time. History is full of them and apart from those natural disasters caused by God or the Devil themselves, the rest were caused by man themselves. Now this revelation is not about the natural but about the spiritual. Power mad dictators, rulers and potentates who rule the world over are normally the cause of these disasters, calamities and catastrophes, and nature has little to do with them, although they did affect nature in some way or another. Small and great wars were started by whosoever caused them without any due regard of men's lives and the resultant horrors, hardships and horrendous pain lived on in the hearts and lives of the people that survived. No one can add these things up nor can they count the cost in human suffering, misery and pain nor the cost of men's souls lost all for the sake of man's vanity. The current synopsis is catchy and intriguing. This synopsis is well written and it will entice readers into picking this book up and reading it.
