Translation Robin Healey,1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence The Rose Annual ,1907 Mysterium and Mystery William David Spencer,1992 A reprint of the first book on the topic of the cleric as a crime solver in fiction Mysterium and Mystery by William David Spencer is a primary reference of meticulous scholarship for anyone interested in mystery literature *Dictionary of American Family Names* Patrick Hanks,2003-05-08 Where did your surname come from Do you know how many people in the United States share it What does it tell you about your lineage From the editor of the highly acclaimed *Dictionary of Surnames* comes the most extensive compilation of surnames in America The result of 10 years of research and 30 consulting editors this massive undertaking documents 70 000 surnames of Americans across the country A reference source like no other it surveys each surname giving its meaning nationality alternate spellings common forenames associated with it and the frequency of each surname and forename The *Dictionary of American Family Names* is a fascinating journey throughout the multicultural United States offering a detailed look at the meaning and frequency of surnames throughout the country For students studying family genealogy others interested in finding out more about their own lineage or lexicographers the *Dictionary* is an ideal place to begin research Heart of the Dragon Peter Man,2018-06-09 Victoria a Canadian teenager adopted from China as a baby goes through incredible adventures in China and America to discover her mysterious background Victorias odyssey is interwoven with the amazing story of the first warrior queen of China during the Shang dynasty circa 1200 BCE Victoria is also linked to a northeastern barbarian tribe at the beginning of the Han dynasty circa 200 BCE These barbarians and their descendants would one day rule China and become a part of China The famous Mulan was from that barbarian ruled era Many of the mysteries are encoded in the ancient Chinese Oracle Bone writing Victoria also learns the origins of the Chinese and other ancient civilizations They are all related to a mythical paradise planet known as Shangala which colonized the red giants Betelgeuse of Orion and Antares of Scorpio the latter also known as the Heart of the Dragon *A dictionary of the English and German languages* Josef Leonhard Hilpert,1845 **Encyclopedia of**

Contemporary Literary Theory Irene Rima Makaryk, 1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and sometimes conflict within it I R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides lucid concise explanations of myriad approaches to literature that have arisen over the past forty years Some 170 scholars from around the world have contributed their expertise to this volume Their work is organized into three parts In Part I forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose The essays also discuss the uses and limitations of the various schools and the key issues they address Part II focuses on individual theorists It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context Part III deals with the vocabulary of literary theory It identifies significant complex terms places them in context and explains their origins and use Accessibility is a key feature of the work By avoiding jargon providing mini bibliographies and cross referencing throughout Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture

The Encyclopedia of Epic Films Constantine Santas, James M. Wilson, Maria Colavito, Djoyi Baker, 2014-03-21 Soon after film came into existence the term epic was used to describe productions that were lengthy spectacular live with action and often filmed in exotic locales with large casts and staggering budgets The effort and extravagance needed to mount an epic film paid off handsomely at the box office for the genre became an immediate favorite with audiences Epic films survived the tribulations of two world wars and the Depression and have retained the basic characteristics of size and glamour for more than a hundred years Length was and still is one of the traits of the epic though monolithic three to four hour spectacles like *Gone with the Wind* 1939 and *Lawrence of Arabia* 1962 have been replaced today by such franchises as the Harry Potter films and the Lord of the Rings trilogy Although the form has evolved during many decades of existence its central elements have been retained refined and modernized to suit the tastes of every new generation The Encyclopedia of Epic Films identifies describes and analyzes those films that meet the criteria of the epic sweeping drama panoramic landscapes lengthy adventure sequences and in many cases casts of thousands This volume looks at the wide variety of epics produced over the last century from the silent spectacles of D W Griffith and biblical melodramas of Cecil B DeMille to the historical dramas of David Lean and rollercoaster thrillers of Steven Spielberg Each entry contains Major personnel behind the camera including directors and screenwriters Cast and character listings Plot summary Analysis Academy Award wins and nominations DVD and Blu ray availability Resources for further study This volume also includes appendixes of foreign epics superhero spectacles and epics produced for television along with a list of all the directors in the book Despite a lack of overall critical recognition and respect as a genre the epic remains a favorite of

audiences and this book pays homage to a form of mass entertainment that continues to fill movie theaters The Encyclopedia of Epic Films will be of interest to academics and scholars as well as any fan of films made on a grand scale The Works of Thomas Reid ,1863 **Postmodern Media Culture** Jonathan Bignell,2007-12-13 The book deals with film television information technology consumer products and popular literature and assesses challenges to conceptions of the postmodern based on gender race and religion **The Name of the Rose by Umberto Eco...
