Appalachian Children's Literature, 2010-04-13 This comprehensive bibliography includes books written about or set in Appalachia from the 18th century to the present. Titles represent the entire region as defined by the Appalachian Regional Commission including portions of 13 states stretching from southern New York to northern Mississippi. The bibliography is arranged in alphabetical order by author and each title is accompanied by an annotation, most of which include composite reviews and critical analyses of the work. All classic genres of children's literature are represented. The editorials of Henry Watterson Henry Watterson, Arthur Krock, 1923 *Herndon's Lincoln - The History and Personal Recollections of Abraham Lincoln by William Herndon - Vol I* Abraham Lincoln, 2020-10-16 A quarter of a century has well nigh rolled by since the tragic death of Abraham Lincoln. The prejudice and bitterness with which he was assailed have disappeared from the minds of men and the world is now beginning to view him as a great historical character. Those who knew and walked with him are gradually passing away and ere long the last man who ever heard his voice or grasped his hand will have gone from earth. With a view to throwing a light on some attributes of Lincoln's character heretofore obscure and thus contributing to the great fund of history which goes down to posterity, these volumes are given to the world. If Mr. Lincoln is destined to fill that exalted station in history or attain that high rank in the estimation of the coming generations which has been predicted of him, it is alike just to his memory and the proper legacy of mankind that the whole truth concerning him should be known. The story of his life is truthfully and courageously told, nothing coloured or suppressed, nothing false either written or suggested. The reader will see and feel the presence of the living man. He will in fact live with him and be moved to think and act with him. If on the other hand the story is coloured or the facts in any degree suppressed, the reader will be not only misled but imposed upon as well. At last the truth will come and no man need hope to evade it. There is but one true history in the world, said one of Lincoln's closest friends to whom I confided the project of writing a history of his life several years ago, and that is the Bible. It is often said of the old characters portrayed there that they were bad men. They are contrasted with other characters in history and much to the detriment of the old worthies. The reason is that the Biblical historian told the whole truth, the inner life. The heart and secret acts are brought to light and faithfully photographed. In other histories virtues are perpetuated and vices concealed. If the life of King David had been written by an ordinary historian, the affair of Uriah would at most have been a quashed indictment with a denial of all the substantial facts. You should not forget there is a skeleton in every house. The finest character dug out, thoroughly photographed, honestly and judged by that standard of morality or excellence which we exact for other men, is never perfect. Some men are cold, some lewd, some dishonest, some cruel, and many a combination of all. The trail of the serpent is over them all. Excellence consists not in the absence of these attributes but in the degree in which they are redeemed by the virtues and graces of life. Lincoln's character, will I am certain

bear close scrutiny I am not afraid of you in this direction Don't let anything deter you from digging to the bottom yet don't forget that if Lincoln had some faults Washington had more few men have less In drawing the portrait tell the world what the skeleton was with Lincoln What gave him that peculiar melancholy What cancer had he inside **The Red Ranger**, 1917

Weik,2009-01-01 Written only 25 years after his death this beloved biography of Abraham Lincoln offers something that most other studies of him do not an intimate portrait constructed from the memories experiences and evidence of those who knew him Lincoln s former law partner WILLIAM HENRY HERNDON 1818 1891 broke new journalistic ground when he insisted in compiling this charming and insightful work on gathering input from others who knew Lincoln well Everything from old correspondence to new interviews Herndon conducted himself with such figures as Mary Todd Lincoln contribute to a personal look at the great man as a man not as a myth First published in 1889 across three small volumes this replica edition collects the complete work into one book that will surprise and delight even those students of history who believe they know everything there is to know about Lincoln *Lincoln Lore* Louis Austin Warren,1929 **Abraham Lincoln, American Prince** Wayne Soini,2022-02-16 The relationship between Abraham Lincoln and his two most influential ancestors his mother and the Virginia planter a slaveholder a shadowy grandfather he likely never met is rarely mentioned in Lincoln biographies or in history texts However Lincoln forever linked to the cause of freedom and equality in America spoke candidly of the planter to his law partner Billy Herndon who recalled his words My mother inherited his qualities and I hers All that I am or ever hope to be I get from my mother God bless her This vital two generation relationship was nonetheless problematic In Lincoln s boyhood the planter was a figure he ridiculed while in his young manhood the planter evolved into a role model whom Lincoln revered and associated with Jefferson s overdue ideal that all men are created equal Thus galvanized by blood to educate himself to stand for election and to oppose slavery Lincoln quit farming at age 22 This book explains how he thus followed an inherited family dream **Journal of the Illinois State Historical Society** Illinois State Historical Society,1968
