

THE NANDADEVI AFFAIR

BILL AITKEN

'Educated Indians...regard Western travellers in search of Eastern mystique, perhaps justifiably, as a spillover from the flower-power days...Aitken can hardly be classified thus. His conclusions about the country may not be sudden but they possess a clarity all their own.'

Nanda Devi Affair Paperback:

The Nanda Devi Affair Bill Aitken, 1994 Author's travel impressions of Uttar Khand Region and Hindu shrines in the region

Nanda Devi Affair Bill Aitken, 2000-10-14 There is a kind of brotherhood between man and mountains The inescapable logic of desire leaves the mountain traveller no choice but to plan his next expedition to the very peak that may have just rejected vociferously the most singleminded of advances In his thirty year sojourn in India Bill Aitken has had two serious affairs one essentially spiritual in nature with the country's rivers the other more earthy and passionate with her mountains In this sequel to his first book for Penguin *Seven Sacred Rivers* he talks of his second great obsession Nanda Devi patron Goddess of Kumaon and Garhwal Spanning more than a decade from the Seventies to the Eighties Aitken's attempts to explore the sanctuary of this most beautiful of Himalayan peaks were not he admits those of a professional mountaineer but of a romantic Accordingly what he gives us is in his own words neither a book about Himalayan climbing nor a treatise on hill theology but a diary of mountain relish Aitken's deep seated study of the cult of the Goddess and the folklore and customs of the Kumaon Himalayas is chequered with deliciously acerbic asides on bumptious bureaucrats the bane of Indian mountaineering while the true nature lover's concern for the environment is manifest in his anger over the destruction wrought by political motivations and the ambitions of so called professional mountaineers

BiodiverCités Emmanuel Lézy, Louise Lézy-Bruno, 2013-02-22T00:00:00+01:00 Les aires protégées urbaines posent le problème du rapport entre la ville et ce que nous avons pris l'habitude de désigner sous le terme de Nature La civilisation longtemps menacée de destruction par les forces dites naturelles a fixé ses limites au contact de la sauvagerie L'urbanisation a fini par inverser les enjeux et faire de la Nature la première victime d'une croissance urbaine devenue sauvage Dans un ultime et significatif retournement s'émancipe la jungle elle-même est devenue urbaine protectrice incontrôlée de la biodiversité de la plante Pour éviter sa destruction totale la ville a réduit la Nature environnante la seule métonymie du parc protégé L'englobé est devenu englobant Ce paradoxe mortifère repose largement sur les fondements philosophiques et religieux de l'opposition entre les domaines du Naturel et du Culturel

A partir de ce constat le Réseau d'aires protégées urbaines www.upa-network.org réseau international indépendant et sans but lucratif réunit gestionnaires d'aires protégées autorités locales représentants de la société et chercheurs pour changer sur l'interaction entre les milieux naturels et urbains
