Naomis Story:

The Story of Naomi—The Book of Ruth Terry Giles, William J. Doan, 2016-01-29 The book of Ruth is probably best known as a romantic love story that through the expression of loving devotion overcomes tragedy and ends with the founding of the most famous family in all of biblical Israel But the book wasn't always this way In fact it wasn't a book at all but rather a story told with a very different purpose in mind Before Ruth there was the Story of Naomi a subversive story designed to challenge a male dominated status quo Through comedy sarcastic irony and unparalleled rhetorical skill the Naomi storyteller holds up for inspection social gender roles and the power of sexuality in a manner that resonates yet today The Story of Naomi The Book of Ruth goes behind the literary rendition of the story and recaptures the original oral tale with script and performance directions that brings to life the humor tragedy and transparent honesty shared between the Naomi storyteller and her audience

I, Naomi This Is My Story Suneeti Lock, 2022-11-04 Meet Naomi eminent townswoman and woman extraordinaire as she reclines in her favorite cedarwood armchair in her lovely home in central Bethlehem Hear her remarkable story as she tells of droughts famines wars and disasters woven from the Old Testament OT history into her personal life and that of her generation Revel in the rich landscape and culture of ancient pre monarchic though chaotic Israel as she lifts the curtain and unfolds her gripping account that weaves OT history law myth and legend into a uniquely credible story Very especially listen to her message for the Levites of our day though her appeal and legacy are both timeless and universal To achieve this Suneeti has used a unique device that she calls a di monologue wherein the ancient Naomi converses with an invisible modern day audience to recount her untold story and thus bridges the gap of some three millennia I Naomi grew out of a Bible study on the book of Ruth conducted by the women's group in Suneeti's church During one of the sessions when Naomi was getting the short end of the stick it dawned on Suneeti that Naomi's story had never been told Thus grew this story of an obscure shelved almost forgotten woman but who was central not only to OT history but also the history of all mankind

Whispering the Word Jacqueline E. Lapsley,2005-11-03 Many Christian feminists wonder if they can simultaneously maintain their commitment to principles of gender equality and their faith in the Scriptures particularly the Old Testament Writing in response to feminist biblical scholars who approach the Old Testament with a hermeneutic of suspicion Jacqueline Lapsley offers Christian feminists strategies to hear the subtle ideas and voices of the less powerful within the Old Testament texts Reading and interpreting a number of Old Testament narratives in which women are prominent Lapsley considers how these stories may reflect God s word for us In doing so she demonstrates how the narrative often attempts to shape the moral response of the reader by revealing the intricacy and complexity of the moral world evoked In this gentle shaping of the reader s ethical sensibilities she argues is where God may be whispering a word for us *Naomi Osaka* Ben
