Napoleon And Blücher:

Blücher Michael V. Leggiere, 2014-01-29 One of the most colorful characters in the Napoleonic pantheon Gebhard Leberecht von Blücher 1742-1819 is best known as the Prussian general who along with the Duke of Wellington defeated Napoleon at the Battle of Waterloo Throughout his long career Blücher distinguished himself as a bold commander but his actions at times appeared erratic and reckless This magnificent biography by Michael V Leggiere an award winning historian of the Napoleonic Wars is the first scholarly book in English to explore Blücher's life and military career and his impact on Napoleon Drawing on exhaustive research in European archives Leggiere eschews the melodrama of earlier biographies and offers instead a richly nuanced portrait of a talented leader who contrary to popular perception had a strong grasp of military strategy Nicknamed Marshal Forward by his soldiers he in fact retreated more often than he attacked Focusing on the campaigns of 1813 1814 and 1815 Leggiere evaluates the full effects of Blücher's operations on his archenemy In addition to providing military analysis Leggiere draws extensively from Blücher's own writings to reveal the man behind the legend Though tough as nails on the outside Blücher was a loving family man who deplored the casualties of war This meticulously written biography enhanced by detailed maps and other illustrations fills a large gap in our understanding of a complex man who for all his flaws and eccentricities is justly credited with releasing Europe from the yoke of Napoleon's tyranny

Henderson,2015-11-06 Includes 32 Illustrations and 6 maps BL CHER is chiefly known to English readers as the man who came to Wellington s aid at Waterloo The object of the present volume is to show that he had a separate existence of his own and performed other great deeds in the cause that are equally deserving of praise Strange that he has never been made the subject of an English biography and that of his German lives none have been translated into English The present work cannot pretend altogether to fill the gap as the plan of the series if I have understood it rightly is to treat the movement as fully as the man I shall feel a certain satisfaction if I can succeed in establishing Bl cher in his rightful position as the peer of Wellington in all that concerns the overthrow of Napoleon You forget Wellington s Spanish campaigns I shall be told You in turn forget I shall answer that Bl cher was the one progressive inspiring element among the leaders of the allied armies from the year 1813 on Without Bl cher s decision to cross the Elbe at Wartenburg there would have been no battle of Leipzig without his cutting loose from Schwarzenberg in March 1814 there would have been no closing in of the allies on Paris without his brave endurance at Ligny in spite of the non arrival of the promised reinforcements Wellington would have been overwhelmed at Quatre Bras and there would have been no Waterloo Napoleon and Blücher Luise Mühlbach,19?? *Napoleon and Blücher* Luise Mühlbach,1905 Napoleon and Blucher an Historical Novel L.
