Narcissistic Borderline Couple A Psychoanalytic Perspective On Marital Treatment:

The Narcissistic/borderline Couple Joan Lachkar, 1992 Defining the narcissistic borderline couple as individuals who when they are together form a shared couple myth that gives rise to many collective fantasies Lachkar explicates the network that underlies this type of relationship and demonstrates how two theoretical constructs self psychology and object relations can be integrated to create an effective conjoint treatment of marital pathology Annotation copyrighted by Book News Inc Portland OR

The Narcissistic/Borderline Couple ,2003 Joan Lachkar continues to break new ground in the application of psychoanalytic theory to couples therapy in this second edition of her innovative text Updated to incorporate the latest literature and developments in the field of marital conflict this new edition offers an improved understanding of marital pathology within the framework of our changing world In this vital text Lachkar focuses on the inexplicable dance of pain and trauma that occurs between couples especially within the common and unyielding dyad of narcissistic and borderline relationships and presents a unique and timely model for working with these couples Compelling case illustrations demonstrate how integrating object relations theory with self psychology at important junctures in treatment can benefit these complex relationships Through lucid language and evocative imagery Lachkar presents the new notions of dual projective identification the v spot or area of vulnerability in the relationship group psychology and cross cultural couples Replete with specific treatment approaches clinical examples and concise definitions it is the essential text for every clinician working with couples ranging from the least experienced to the most seasoned Joan Lachkar PhD is a private practitioner in Los Angeles and Tarzana California and an affiliate member of the Southern California Psychoanalytic Institute She has written numerous publications on the subjects of marital and political conflict and serves on the editorial board of the Journal of Emotional Abuse

Treating Difficult Couples Douglas K. Snyder, Mark A. Whisman, 2003-05-22 This essential handbook describes effective treatments for a particularly challenging clinical population couples struggling with both relationship distress and individual mental health difficulties Distinguished scientist practitioners provide detailed accounts of their respective approaches reviewing conceptual and empirical foundations as well as clinical procedures Included are well established treatments for couples in which one or both partners has anxiety mood disorders schizophrenia substance abuse sexual dysfunction or physical aggression Also covered are emerging couple based approaches to managing personality disorders PTSD difficulties related to aging and physical illness and other problems Following a standard format to facilitate comparison across treatments each chapter is illustrated with detailed case material Provided are powerful insights and tools for couple and family therapists clinicians providing individual therapy and students in any mental health discipline

The Narcissistic / Borderline Couple Joan Lachkar, 2004 In this second edition of her groundbreaking book Dr Joan Lachkar addresses the ever changing faces and phases of narcissism within the context of marital therapy and discusses the new developments in the treatment of marital conflict Drawing from many different theoretical frameworks mainly self

psychology Kohut and object relations Klein the works of D W Winnicott and Kernberg are expanded to further explain why couples stay in painful conflictual never ending relationships traumatic bonding The new chapters case illustrations and updated treatment sequences are invaluable to both beginning and experienced clinicians The Narcissistic Borderline Couple is an essential text for every marital therapist offering an improved understanding of marital pathology within the framework of our changing world Publisher s description

A Relational Psychoanalytic Approach to Couples Psychotherapy

Philip A. Ringstrom, 2014-03-26 Winner of the 2014 Goethe Award for Psychoanalytic and Psychodynamic Scholarship A Relational Psychoanalytic Approach to Couples Psychotherapy presents an original model of couples treatment integrating ideas from a host of authors in relational psychoanalysis It also includes other psychoanalytic traditions as well as ideas from other social sciences This book addresses a vacuum in contemporary psychoanalysis devoid of a comprehensively relational way to think about the practice of psychoanalytically oriented couples treatment In this book Philip Ringstrom sets out a theory of practice that is based on three broad themes The actualization of self experience in an intimate relationship The partners capacity for mutual recognition versus mutual negation The relationship having a mind of its own Based on these three themes Ringstrom s model of treatment is articulated in six non linear non hierarchical steps that wed theory with practice each powerfully illustrated with case material These steps initially address the therapist s attunement to the partners disparate subjectivities including the critical importance of each one s perspective on the reality they co habit Their perspectives are fleshed out through the exploration of their developmental histories with focus on factors of gender and culture and more Out of this arises the examination of how conflictual pasts manifest in dissociated self states the illumination of which leads to the enrichment of self actualization the facilitation of mutual recognition and the capacity to more genuinely renegotiate their relationship The book concludes with a chapter that illustrates one couple treated through all six steps and a chapter on frequently asked questions FAQ s derived from over thirty years of practice teaching supervision and presentations during the course of this books development A Relational Psychoanalytic Approach to Couples Psychotherapy balances a great range of ways to work with couples while also providing the means to authentically negotiate their differences in a way which is insightful and invaluable This book is for practitioners of couples therapy and psychoanalytic practitioners It is also aimed at undergraduate graduates and postgraduate students in the fields of psychiatry psychology marriage and family therapy and social work

Psychoanalytic Couple Therapy David E. Scharff, Jill

Savege Scharff, 2018-05-01 In this time of vulnerable marriages and partnerships many couples seek help for their relationships Psychoanalytic couple therapy is a growing application of psychoanalysis for which training is not usually offered in most psychoanalytic and analytic psychotherapy programs This book is both an advanced text for therapists and a primer for new students of couple psychoanalytic psychotherapy Its twenty eight chapters cover the major ideas underlying the application of psychoanalysis to couple therapy many clinical illustrations of cases and problems in various dimensions of

the work The international group of authors comes from the International Psychotherapy Institute based in Washington DC and the Tavistock Centre for Couple Relationships TCCR in London The result is a richly international perspective that nonetheless has theoretical and clinical coherence because of the shared vision of the authors

Handbook of Diagnosis and Treatment of DSM-IV-TR Personality Disorders Len Sperry, 2004-03-01 The second edition of this classic handbook includes the latest developments in the diagnosis and treatment of personality disorders that have emerged since the publication of the DSM IV TR Sperry highlights the many significant advances in the field providing the reader with a complete summary of new intervention strategies treatment approaches and research findings In addition this text includes greater coverage of Borderline Personality Disorder and presents an introduction to the diagnostic schema likely to be adopted by the DSM V The Handbook is at once comprehensive and concise offering integrative assessment and treatment strategies as well as theoretical overview for the full range of personality disorders Its reader friendly style and organization and make it an authoritative and accessible resource for clinicians and students of all mental health disciplines

The Disordered Couple Jon Carlson, Len Sperry, 2013-06-17 Experienced researchers and clinicians from a wide variety of theoretical background have come together to give a comprehensive analysis of couples diagnosed with major psychopathology personality disorders and social challenges Bipolar disorder panic disorder psychosis sexual dysfunction physical illness narcissistic borderline diagnoses these are among the common problems addressed in this text as the contributors tackle the complex task of assessment offering definitions interpretations interventions and instructive case material along the way

Handbook of Diagnosis and Treatment of DSM-5 Personality Disorders Len Sperry, 2016-05-12 Since the publication of the acclaimed second edition of Handbook of Diagnosis and Treatment of DSM IV TR Personality Disorders much has changed in how the personality disorders are understood and treated However like its previous editions this new edition is a hands on manual of the most current and effective evidence based assessment and treatment interventions for these challenging disorders The beginning chapters describes several cutting edge trends in the diagnosis case conceptualization and treatment of them Then specific chapters focus on evidence based diagnosis and treatment interventions for each of the 10 DSM 5 personality disorders Emphasized are the most recent developments from Cognitive Behavior Therapies Dialectical Behavior Therapy Cognitive Behavior Analysis System of Psychotherapy Pattern Focused Psychotherapy Mindfulness Schema Therapy Transference Focused Psychotherapy and Mentalization Based Treatment As in previous editions extensive case material is used to illustrate key points of diagnosis and treatment

How to Talk to a Borderline Joan Lachkar, 2011-01-07 In How to Talk to a Borderline Joan Lachkar introduces Borderline Personality Disorder BPD and outlines the challenges and difficulties it presents to clinicians She expands current understanding of BPD by outlining eight different kinds of borderline personality disorders and how each of these requires specific communication techniques and methods Case examples are offered throughout the text and in some cases describe

the kinds of partners borderlines attract This book offers new approaches to communicating working with and treating borderline personality disorders while integrating more contemporary treatment methods *The V-Spot* Joan

Lachkar,2007-12-24 Everyone knows what the G spot is of course It is a woman s most sensitive and vulnerable physical area Although men do not have a G spot per se both men and women have what Joan Lachkar calls a V spot a concentration of highly charged emotional sensitivities emanating from early childhood experiences that remain raw and unhealed These experiences might involve the parent who abandoned the child at an early age the mother who smothered the child with too much affection or the child who was neglected and never touched or soothed Another source can be a parent or caretaker who drills the message into the child You re not good enough not deserving enough too demanding etc For men it could be an emotionally castrating controlling dominating overbearing mother Many authors have written and talked about emotional abuse but until *The V Spot* no one has given this area of volcanic emotion a name or has written about it in terms accessible to layman and professional alike Getting in contact with the V spot is the only way to break away from emotional abuse and begin the healing process No other book pinpoints not only what ignites the V spot but also how and why the resulting affect explosion interferes with judgment reality thinking and perception The reader will be astonished to discover how tracing the source of one s V spot strengthens one s capacity to make complex decisions and lessens the repetitive cycle of pain anxiety confusion and turmoil that blindness to one s V spot can produce **Current Catalog** National Library of Medicine

(U.S.),1992 First multi year cumulation covers six years 1965 70 **Case Studies in Couples Therapy** David K.

Carson,Montserrat Casado-Kehoe,2013-06-19 This up to date highly readable theory based and application oriented book fills a crucial void in literature on couple therapy Few books in the couple therapy market bridge the gap between theory and practice texts tend to lean in one direction or the other either emphasizing theory and research with little practical application or taking a cookbook approach that describes specific techniques and interventions that are divorced from any conceptual or theoretical base However couples therapy requires a high degree of abstract conceptual thinking as well as ingenuity inventiveness and skill on the part of the therapist *Case Studies in Couples Therapy* blends the best of all worlds clinical applications with challenging and diverse couples that have been derived from the most influential theories and models in couples and family therapy all written by highly experienced and respected voices in the field In *Case Studies in Couples Therapy* readers will grasp the essentials of major theories and approaches in a few pages and then see how concepts and principles are applied in the work of well known clinicians The case studies incorporate a wide variety of couples from diverse backgrounds in a number of different life situations It is simultaneously narrow including specific processes and interventions applied with real clients and broad clearly outlining a broad array of theories and concepts in scope and the interventions in it are directly linked to theoretical perspectives in a clear and systematic way Students and clinicians alike will find the theoretical overview sections of each chapter clear and easy to follow and each chapter s

thorough descriptions of effective practical interventions will give readers a strong sense of the connections between theory and practice

Common Complaints in Couple Therapy Joan Lachkar, 2014-05-09 Marriage and couple therapists see clients with broken relationships and bonds all the time those who were once madly in love can grow indifferent people change and couples go into sessions feeling depressed traumatized and sometimes abused by their partners Joan Lachkar examines the vicissitudes of love relations by taking into account aspects of aggression cruelty sadism envy and other primitive defenses lurking in the shadows of love and intimacy Each chapter revolves around a specific situational conflict with guidelines and treatment suggestions offered to the therapist Numerous vignettes and detailed descriptions of theoretical technique methodology and diagnostic distinctions are included throughout the book to help readers see theory in action The theoretical concepts drawn on include psychoanalysis object relations self psychology attachment theory DBT mindfulness and others with a heavy emphasis on listening and non verbal and verbal communication throughout

Narcissism and Politics Jerrold M. Post, 2015 This book analyzes narcissism and politics and systematically explores the psychology of narcissism the entitlement the grandiosity and arrogance overlying insecurity the sensitivity to criticism and the hunger for acclaim illustrating different narcissistic personality features through a spectrum of international and national politicians

The Complete Systemic Supervisor , 1997 A preparatory text for students preparing to write the Supervisory Philosophy Statement and Case Study required for the Approved Supervision application for the American Association of Marriage and Family Therapy The 26 contributors outline contextual variables such as gender sexual orientation ethnicity and class to increase sensitivity and the contexts in which supervision occurs including academic settings agencies and private practices Additionally discussions of supervision philosophy and pragmatics help students develop their own game plan to meet supervision challenges and requirements Annotation copyrighted by Book News Inc Portland OR

The Disappearing Male Joan Lachkar, 2012-12-15 The Disappearing Male by Joan Lachkar PhD provides a psychoanalytic psychodynamic description of eight different kinds of men who disappear from relationships without warning or explanation The term is not restricted to merely a physical disappearance but also to ones who emotionally disappear such as the Robotic Man described in the chapter of the OCD Lachkar's personal clinical and professional experience have shown a number of women who have been vastly confused and hurt by the disappearing male These men appear to be madly in love at the onset and then suddenly vanish without an explanation Many of these women come into therapy sessions depressed feeling traumatized and abused by men who promise them the world act as though they are the love of their lives and then suddenly vanish without a call By acknowledging the diagnostic distinctions of eight different types of disappearing men this book can help to assist these women in recognizing the red flags and danger signs to prevent them from faltering in their relationship efforts The Disappearing Male describes the symptoms of eight different diagnostic types of men that women frequently encounter The symptoms and dynamics that are outlined in this book will vastly enhance an individual's capacity

to become aware of the disappearing male syndrome This book is significant to the awareness and self esteem of women in relationships the dating world and to the therapists that treat them

Islamic Terror Avner Falk, 2008-07-30 Independent scholar Falk analyzes the genesis of Islamic terror from many standpoints including religious cultural historical political social economic and above all psychological Drawing on his training as a clinical psychologist Falk s writings specialize in psychohistory and political psychology Here he examines topics including infantile experience and adult terrorism the meaning of terror terrorists and their mothers narcissistic rage and Islamic terror and whether terrorists are normal people as some scholars claim He also describes the infantile development of terrorist pathology non psychoanalytic theories of terrorism globalization s effect on terrorism and the notion of the clash of civilizations Other topics addressed in this reader friendly analysis include history s first Islamic terrorists and three important cases two recent deadly terrorists and a primary figure in our current war on terror Independent scholar Falk analyzes the genesis of Islamic terror from many standpoints including religious cultural historical political social economic and above all psychological Drawing on his training as a clinical psychologist Falk s writings specialize in psychohistory and political psychology Here he examines topics including infantile experience and adult terrorism the meaning of terror terrorists and their mothers narcissistic rage and Islamic terror and whether terrorists are normal people as some scholars claim He also describes the infantile development of terrorist pathology non psychoanalytic theories of terrorism globalization s effect on terrorism and the notion of the clash of civilizations Examining the emotional structure of traditional Muslim families Falk shows us the Muslim child s ambivalence toward his or her parents ways in which Muslims abuse women and children and the roots of Muslim rage and why all of that plays into the development of future terrorism Other topics addressed in this reader friendly analysis include history s first Islamic terrorists and three important cases two recent deadly terrorists and a primary figure in our current war on terror The central idea throughout the book is that a person s attitude toward terror and terrorism as well as whether he or she becomes a murderous terrorist or even who wages a global war on terror has much to do with that person s own terrifying experiences in infancy and childhood Such terror usually experienced first in the earliest interactions with the mother is symbolically expressed as Falk shows in fairy tales and myths about terrifying witches and female monsters Further terror may be experienced in the relationship with the father and also in various other traumatic ways It is these early terrors when extreme and uncontrollable that most often produce terrorists and wars on terror Falk argues Thus his book focuses on the conscious but also on the irrational and unconscious causes of terrorism

Fundamentals Of Marital Therapy D. Russell Crane, 2013-04-15 Published in 1996 Fundamentals of Marital Therapy is a valuable contribution to the field of Family Therapy

Couple Treatment Judith C. Nelsen, 1998 Most people live in couple relationships for a good part of their lives and many couples experience distress and seek help To support the professionals who treat these couples Dr Nelsen organizes material from systems and cognitive behavioural approaches as well as ego psychology and object relations theory
