Narcissitic Text A Reading Of Camus Fiction:

Canadiana ,1982 *Supplement to Who's who in America* ,1987 **The Narcissistic Text** Brian T. Fitch,1982 Kaethe Schwehn writes of her ten month sojourn at Holden Village a Lutheran retreat center in the Cascade Mountains of Washington State In 2001 the twenty two year old went to work at Holden as a teaching assistant at the school in the village For her the time was also a period of transition from a life as a teacher to a writer from having a romantic interest to a life without him and an in between time of her life to figure out who she is and who she would like to become The Narcissistic Text Brian T. Fitch,1982 This volume is the first book is the first to judge the whole of Camus fiction by contemporary critical methods and inter textuality or the study of the interrelationship between Camus own texts using the critical tools elaborated in the writings of French formalists and the hermeneutic theory of literature **Arts & Humanities Citation Index** ,1997 **Drama Criticism** Lawrence J. Trudeau,1992 Criticism of the most significant and widely studied dramatic works from all the world's literatures *Choice* ,1990 **The Stranger** Albert Camus,1989-03-13 With the intrigue of a psychological thriller The Stranger Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach With an Introduction by Peter Dunwoodie translated by Matthew Ward Behind the subterfuge Camus explores what he termed the nakedness of man faced with the absurd and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth century life The Stranger is a strikingly modern text and Matthew Ward's translation will enable readers to appreciate why Camus's stoical anti hero and devious narrator remains one of the key expressions of a postwar Western malaise and one of the cleverest exponents of a literature of ambiguity from the Introduction by Peter Dunwoodie First published in 1946 now in translation by Matthew Ward The Fall Albert Camus,1991-05-07 NOBEL PRIZE WINNING AUTHOR One of the most widely read novels of all time from one of the best known writers of all time about a lawyer from Paris who brilliantly illuminates the human condition Elegantly styled Camus profoundly disturbing novel of a Parisian lawyer's confessions is a searing study of modern amorality *Camus: The Stranger* Patrick McCarthy,2004-01-19 Publisher Description *The Stranger (Novel)* Albert Camus,2016-04-19 is a novel by Albert Camus published in 1942 Its theme and outlook are often cited as exemplars of Camus's philosophy of the absurd and existentialism though Camus personally rejected the latter label The Stranger (English Edition) Albert Camus,2016-02-20 The Outsider or The Stranger French L Etranger is a novel by Albert Camus published in 1942 Its theme and outlook are often cited as exemplars of Camus's philosophy of the absurd and existentialism though Camus personally rejected the latter label The titular character is Meursault an indifferent French Algerian a citizen of France domiciled in North Africa a man of the Mediterranean an homme du midi yet one who hardly partakes of the traditional Mediterranean culture who after attending his mother's funeral apathetically kills an Arab man whom he recognises in French Algiers The story is divided into two parts presenting Meursault's first person narrative view before and

after the murder respectively In January 1955 Camus wrote I summarized The Stranger a long time ago with a remark I admit was highly paradoxical In our society any man who does not weep at his mother s funeral runs the risk of being sentenced to death I only meant that the hero of my book is condemned because he does not play the game The Stranger Albert Camus,1983-10-01 *The Stranger - Albert Camus* Harold Bloom,2009 The condition of man is revealed as absurd in Camus s short novel The Outsider Albert Camus,2000 Meursault leads a bachelor life until he commits a random act of violence His lack of emotion and failure to show remorse serve to increase his guilt in the eyes of the law This novel explores the predicament of the individual who refuses to pretend and is prepared to face the indifference of the universe courageously and alone Two modern trials: Camus' "L'étranger" and Kafka's "Der Proceß" - a comparison Rebecca Steltner,2003-05-27 Research Paper undergraduate from the year 2003 in the subject Romance Studies Comparative Studies grade 67 Punkte 2 B University of Canterbury School of European Culture and Languages language English abstract To begin with I shall present an overview of some of the most common or most debated interpretations of the two novels and the issues they raise I also question whether it is legitimate to compare Camus L tranger which is often read alongside his philosophical essay Le Mythe de Sisyphe to Kafka s Der Proce which might be expressive of a philosophy but whose author only ever expressed himself in literary writing In the following the novels are then compared simultaneously and their similarities and differences examined from different angles such as their treatment of their common theme of law guilt and trial in part two which I see partly under the aspect of the absurd The idea of the absurd is also relevant when comparing the two main characters Josef K and Meursault later on For the further interpretation of both the characters but especially to solve the riddles surrounding Meursault s nature and the questions of reader s sympathy the narrative perspective is crucial and is examined in part four Subsequently the theme of philosophical ideas being expressed in literary form becomes important again as I look at the use of image and symbolism in L tranger and Der Proce as well as at the genres of the French r cit and parable and the philosophical and literary implications of the choice of genre symbolism or narrative perspective Kafka s Der Proce and Camus L tranger have one important thing in common and that is that both are extremely rich novels which can be read according to a large number of codes or preconceptions Camus himself has praised Der Proce It is the fate and perhaps the greatness of that work that it offers everything and confirms nothing Sisyphus p 124 This is certainly a principle that Camus aspires to in his own fiction and successfully as Thody confirms L tranger seems to be inexhaustible in the different ways in which it can be analysed 3 I hope to be able to do justice to these many angles and show how rich these two novels are To summarise some of the many interpretations of Kafka s Der Proce let me begin with a political reading

The Stranger by Albert Camus Albert Camus,1942 The Stranger French L tranger also published in English as The Outsider is a 1942 novella by French author Albert Camus Its theme and outlook are often cited as examples of Camus philosophy absurdism coupled with existentialism though Camus personally rejected the latter label The title character is

Meursault an indifferent French settler in Algeria described as a citizen of France domiciled in North Africa a man of the Mediterranean an homme du midi yet one who hardly partakes of the traditional Mediterranean culture Weeks after his mother's funeral he kills an Arab man in French Algiers who was involved in a conflict with one of Meursault's neighbors Meursault is tried and sentenced to death The story is divided into two parts presenting Meursault's first person narrative view before and after the murder respectively Meursault learns of the death of his mother who has been living in an old age home in the country He takes time off from work to attend her funeral but he shows no signs of grief or mourning that the people around him expect from someone in his situation When asked if he wishes to view her body he declines and he smokes and drinks regular white coffee not the obligatory black coffee at the vigil held by his mother's coffin the night before the burial Most of his comments to the reader at this time are about his observations of the aged attendees at the vigil and funeral which takes place on an unbearably hot day Back in Algiers Meursault encounters Marie a former secretary of his firm The two become reacquainted swim together watch a comedy film and begin to have an intimate relationship All of this happens on the day after his mother's funeral Over the next few days Meursault helps Raymond Sint's a neighbor and friend who is rumored to be a pimp but says he works in a warehouse to get revenge on a Moorish girlfriend he suspects has been accepting gifts and money from another man Raymond asks Meursault to write a letter inviting the girl over to Raymond's apartment solely so that he can have sex with her and then spit in her face and throw her out While he listens to Raymond Meursault is characteristically unfazed by any feelings of empathy so he does not express concern that Raymond's girlfriend would be emotionally hurt by this plan and agrees to write the letter In general Meursault considers other people either interesting or annoying or feels nothing for them at all Raymond's girlfriend visits him on a Sunday morning and the police get involved when he beats her for slapping him after he tries to kick her out He asks Meursault to testify that the girlfriend had been unfaithful when he is called to the police station to which Meursault agrees Ultimately Raymond is let off with a warning

The Stranger Albert Camus,1993-02-23 With the excitement of a perfectly executed thriller and the force of a parable The Stranger is the work of one of the most engaged and intellectually alert writers of the past century Albert Camus's spare laconic masterpiece about a murder in Algeria is famous for having diagnosed with an almost scientific clarity that condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth century life

The Possessed Albert Camus,2026-05-19 The Nobel Prize winning author here adapts Dostoyevsky's masterpiece for the stage a rousing invective against nihilism that brings together two of the great literary minds of the last two centuries When Albert Camus first read Dostoyevsky as a

twenty year old philosophy student it was a soul shaking experience The Possessed in particular had a profound effect on the young writer and thinker who found in the novel an echo of his own disdain for the philosophy of nihilism and its potentially disastrous effects In many ways he writes in the foreword to the play I can claim that I grew up on it and took sustenance from it For almost twenty years in any event I have visualized its characters on the stage To complete this labor of love Camus drew on hundreds of pages from Dostoyevsky s The Notebooks for The Possessed which document the Russian master s torturous writing process taking care all the while to preserve the thread of suffering and affection that makes Dostoyevsky s universe so close to each of us As a result he breathed new life into the enigmatic Stavrogin the gentle Shatov and the God haunted Kirilov bringing us face to face with Dostoyevsky s creations When it was finally performed in 1959 with Camus himself directing the play ran to four hours long and was an artistic and technical triumph featuring thirty three actors and seven sets The last finished work before Camus s death The Possessed stands as an enduring literary statement about human existence in which the conscience of the twentieth century meets and defines in contemporary terms the conscience of the nineteenth century
