

# Narrative Self

This dimension it's considered as the resulting function of narrative processes.

To listen your own narrative Self is activated through the ability to tune-in to and recognize the other person.

The other person, in turn, becomes not only an activator of the process of reflexivity on the narrative Self, but also the organizer of the representations constructed in the interaction

## **Narrative And The Self:**

**Narrative, Self and Social Practice** Uffe Juul Jensen, 2009      **Narrative and the Self** Anthony Paul Kerby, 1991-11-22  
Examining the constitutive role of language and narration in key areas of human experience Narrative and the Self articulates a view of the self as the implied subject of narrative utterances Anthony Paul Kerby draws on the diverse insights of recent work in philosophy literary theory and psychology to synthesize a coherent and provocative view of narrative identity and selfhood Invoking the writings of Benveniste Ricoeur Merleau Ponty Lacan Taylor and other theorists he argues that language and narration play a central role in key aspects of human experience such as emotion values recollection and sense of history Fundamental to Kerby s exposition is a defense of the quasi narrative nature of our everyday experience Kerby delineates a convincing narrative model of the self and offers a valuable overview of contemporary philosophical issues surrounding the place and role of narrative in human experience      Identity and Story Dan P. McAdams, Ruthellen Josselson, Amia Lieblich, 2006 The editors bring together an interdisciplinary and international group of creative researchers and theorists to examine the way the stories we tell create our identities The contributors to this volume explore how beginning in adolescence and young adulthood narrative identities become the stories we live by      The Story I Tell Myself Peter Ash, 2018-04-23 You know who you are right Of course you do you re you But what if who you think you are is actually holding you back closing off exciting opportunities that are right in front of you and preventing you from achieving your best potential This book explores the concept of self narrative or the stories that we tell ourselves about who we are and our place in the world In this book I explore how understanding our own self narratives and challenging them can enable you to change how you think about yourself and open up those opportunities that you could be missing Using examples from my own journey I provide a process that you can follow to increase your own self awareness understand what your self narrative says and how it impacts your daily life and gives a template on how to make changes to your narrative We are powerful storytellers telling ourselves our most impactful story of all By understanding and changing your story you can make real positive change in your life Use your own story to learn grow and achieve what you want      *Autobiographical Memory and the Construction of A Narrative Self* Robyn Fivush, Catherine A. Haden, 2003-05-14 Divided into three parts this volume discusses the development of autobiographical memory and self understanding cross cultural variation in narrative environments and self construal and the construction of gender and identity concepts in developmental and situational contexts      **Identity and Story : Creating Self in Narrative** , 2006      **The Transformative Self** Jack J. Bauer, 2021 The Transformative Self explains how people create a self identity in their life stories to cultivate personal growth and the good life Combining scientific research in psychology with work in philosophy literature history and more this book shows how personal and cultural narratives shape the development of happiness love and wisdom      **The Narrative Self in Early Christianity** Janet E. Spittler, 2019-10-04 Essays that explore early Christian texts and the broader world in which they were

written This volume of twelve essays celebrates the contributions of classicist Judith Perkins to the study of early Christianity Drawing on Perkins s insights related to apocryphal texts representations of pain and suffering and the creation of meaning contributors explore the function of Christian narratives that depict pain and suffering the motivations of the early Christians who composed these stories and their continuing value to contemporary people Contributors also examine how narratives work to create meaning in a religious context These contributions address these issues from a variety of angles through a wide range of texts Features Introductions to and treatments of several largely unknown early Christian texts Essays by ten women and two men influenced or mentored by Judith Perkins Essays on the Deuterocanon the New Testament and early Christian relics

*Narrative Structures and the Language of the Self* Matthew Clark,2010 Narrative Structures and the Language of the Self by Matthew Clark offers a new way of thinking about the interrelation of character and plot Clark investigates the characters brought together in a narrative considering them not as random collections but as structured sets that correspond to various manifestations of the self The shape and structure of these sets can be thought of as narrative geometry and various geometries imply various theories of the self Part One Philosophical Fables of the Self examines narratives such as The Talented Mr Ripley A Farewell to Arms A Separate Peace and The Master of Ballantrae in order to show successively more complex versions of the self as modeled by Descartes Hegel Freud and Mead Part Two The Case of the Subject uses Case Grammar to extend the discussion to additional roles of the self in narratives such as The Waves The Great Gatsby Fifth Business and Howards End as examples of the self as experiencer the self as observer the instrumental self and the locative self The book ends with an extended analysis of the subject in Hartley s The Go Between Throughout the discussion is concerned with practical analysis of specific narratives and with the development of an understanding of the self that moves beyond the simple dichotomy of the self and the other the subject and the object

*Narrative, Identity and the Kierkegaardian Self* John Lippitt,2015-05-18 For the first time this collection brings together figures in both contemporary philosophy and Kierkegaard studies to explore pressing issues in the philosophy of personal identity and moral psychology

**Self, Value, and Narrative** Anthony Rudd,2012-10-25 Anthony Rudd presents a striking new account of the self as an ethical evaluative being He draws on Kierkegaard s thought to present a case for an ancient and currently neglected view that the tensions which are constitutive of selfhood can only be reconciled through the understanding of the self as guided by an objective Good

*The Intersubjective Mirror in Infant Learning and Evolution of Speech* Stein Bråten,2009 The Intersubjective Mirror in Infant Learning and Evolution of Speech illustrates how recent findings about primary intersubjectivity participant perception and mirror neurons afford a new understanding of children s nature dialogue and language Based on recent infancy research and the mirror neurons discovery studies of early speech perception comparative primate studies and

computer simulations of language evolution this book offers replies to questions as When and how may spoken language have emerged How is it that infants so soon after birth become so efficient in their speech perception What enables 11 month olds to afford and reciprocate care What are the steps from infant imitation and simulation of body movements to simulation of mind in conversation partners Stein Braten is founder and chair of the Theory Forum network with some of the world s leading infancy primate and brain researchers who have contributed to his edited volumes for Cambridge University Press 1998 and John Benjamins Publishing Company 2007 Series B

**The Proud Self** Lorenzo Greco,2025-05-30 This book presents a novel interpretation of Hume as a proponent of sentimental virtue ethics This interpretation sheds light on the nature of Hume s ethics as well as its relevance for contemporary debates in moral philosophy The book starts by developing an understanding of the self in Hume based on the passion of pride Contrary to the common view that Hume denies the unity of the self by diluting it into a bundle or collection of different perceptions the author argues that by focusing on pride it is possible to identify in Hume a firm notion of the self as having a sentimental nature that can be explained in narrative terms Pivoting on this narrative self he shows how it accounts for the Humean notion of the virtuous person by holding together in a harmonious whole several central issues in Hume s moral philosophy including sympathy the point of view from which we make moral judgements the practical nature of ethics and the role that reflection plays in it and the definition of perfect character Finally the author maintains that Humean virtue ethics so understood has the individual at its core representing a secular and pluralist alternative to neo Aristotelian versions discussed today The Proud Self will appeal to scholars and graduate students working on Hume 18th century philosophy virtue ethics and moral psychology

**Narrative social work** Clive Baldwin,2013-03-27 This is the first book to extend the narrative lens to explore the contribution of narrative to social work values and ethics social policy and our understanding of the self in social cultural and political context

**Snuff** Neil Jackson,Shaun Kimber,Johnny Walker,Thomas Joseph Watson,2016-01-28 The phenomenon of so called snuff movies films that allegedly document real acts of murder specifically designed to entertain and sexually arouse the spectator represents a fascinating socio cultural paradox At once unproven yet accepted by many as emblematic of the very worst extremes of pornography and horror moral detractors have argued that the mere idea of snuff constitutes the logical and terminal extension of generic forms that are dependent primarily upon the excitement stimulation and ultimately corruption of the senses Snuff Real Death and Screen Media brings together scholars from film and media studies to assess the longevity of one of screen media s most enduring cultural myths Thorough provocative and well argued the contributions to this volume address areas ranging from exploitation movies the video industry trends in contemporary horror cinema pornography and Web 2 0

Memory and the

Self Mark Rowlands, 2016-10-14 The idea that our memories in some sense make us who we are is a common one and not at all implausible After all what could make us who we are if not the things we have experienced thought felt and desired on these idiosyncratic pathways through space and time that we call lives And how can we retain these experiences thoughts feelings and desires if not through memory On the other hand most of what we have experienced has been forgotten And there is now a considerable body of evidence that suggests that even when we think we remember our memories are likely to be distorted sometimes beyond recognition Imagine writing your autobiography only to find that that most of it has been redacted and much of the rest substantially rewritten What would hold this book together What would make it the unified and coherent account of a life The answer Mark Rowlands argues lies partially hidden in a largely unrecognized form of memory Rilkean memory A Rilkean memory is produced when the content of a memory is lost but the act of remembering endures in a new mutated form a mood a feeling or a behavioral disposition Rilkean memories play a significant role in holding the self together in the face of the poverty and inaccuracy of the contents of memory But Rilkean memories are important not just because of what they are but also because of what they were before they became such memories Acts of remembering sculpt the contents of memories out of the slabs of remembered episodes Our acts of remembering ensure that we are in the content of each of our memories present in the way a sculptor is present in his creation even when this content is lamentably sparse and endemically inaccurate

*Self-Knowledge and the Self* David A Jopling, 2002-09-11 In this clear and reasoned discussion of self knowledge and the self the author asks whether it is really possible to know ourselves as we really are He illuminates issues about the nature of self identity which are of fundamental importance in moral psychology epistemology and literary criticism Jopling focuses on the accounts of Stuart Hampshire Jean Paul Sartre and Richard Rorty and dialogical philosophical psychology and illustrates his argument with examples from literature drama and psychology

**Self and Identity** Trenton Merricks, 2022 Trenton Merricks shows that we cannot get clear about personal identity unless we bring together the ethics and the metaphysics He argues that while identity is not what matters in survival it delivers what matters in survival which is the appropriateness of first personal anticipation of and self interested concern for a future person

Narrative And The Self: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. Narrative And The Self : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Narrative And The Self : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Narrative And The Self : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
