Narrative poems

Some poems tell stories. These poems tend to be quite long and often rhyme. As the poem is a narration, it usually tells a story that has a beginning, middle and end, with characters and plot development, an exciting ending and conclusion.

Rhyming narrative poems

Before writing and books were common, people used narrative poetry to tell stories. The rhymes and the rhythm made the stories easy to remember and pass on to other people.

The Rime of the Ancient Mariner by Samuel Taylor Coleridge is a good example of a narrative poem.

Day after day, day after day,
We stuck, nor breath nor motion;
As idle as a painted ship
Upon a painted ocean.
Water, water, everywhere,
And all the boards did shrink;
Water, water, everywhere,
Nor any drop to drink.

It tells the story of a sailor left alone on a boat when the rest of the crew dies. The underlined words rhyme.

Free-form narrative poem

A narrative poem that **does not** contain a predictable rhyme scheme but does contain the various parts of poetry (alliteration, symbolism, metaphors, similes), is called a free-form narrative poem, or prose poem. Free-form narrative poems still tell a story but the only limit to these types of narrative poems is the poet's imagination!

William Stanley Braithwaite

Narrative Poems From Journal And Verse:

The Contemporary Narrative Poem Steven P. Schneider,2012-12-15 Over the past thirty years narrative poems have made a comeback against the lyric approach to poetry that has dominated the past century Drawing on a decade of conferences and critical seminars on the topic The Contemporary Narrative Poem examines this resurgence of narrative and the cultural and literary forces motivating it Gathering ten essays from poet critics who write from a wide range of perspectives and address a wide range of works the collection transcends narrow conceptions of narrative antinarrative and metanarrative The authors ask several questions What formal strategies do recent narrative poems take What social cultural and epistemological issues are raised in such poems How do contemporary narrative poems differ from modernist narrative poems In what ways has history been incorporated into the recent narrative poetry How have poets used the lyric within narrative poems How do experimental poets redefine narrative itself through their work And what role does consciousness play in the contemporary narrative poem The answers they supply will engage every poet and student of poetry
