Narrative Purpose in the Novella Judith Leibowitz, 1970 **Narrative Purpose in the Novella** Judith Leibowitz, 2013-11-05 No detailed description available for Narrative Purpose in the Novella **Writing the Novella** Sharon Oard Warner, 2021-03 Winner of the Bronze Medal for Writing Publishing in the 2022 Independent Publisher IPPY Book Awards A novella compresses the world with a short story's focus but it explores that smaller space with a novel's generosity Josh Weil author of The New Valley Novellas While the novella has existed as a distinct literary form for over four hundred years Writing the Novella is the first craft book dedicated to creating this intermediate length fiction Innovative integrated journal prompts inspire and sustain the creative process and classic novellas serve as examples throughout Part 1 defines the novella form and steers early decision making on situation character plot and point of view Part 2 provides detailed directions for writing the scenic plot points that support a strong but flexible narrative arc Appendix materials include a list of recommended novellas publishing opportunities and blank templates for the story map graphs and charts used throughout the book By turns instructive and inspirational Writing the Novella will be a welcome resource for new and experienced writers alike **The Cambridge History of the English Short Story** Dominic Head, 2016-11-14 The Cambridge History of the English Short Story is the first comprehensive volume to capture the literary history of the English short story Charting the origins and generic evolution of the English short story to the present day and written by international experts in the field this book covers numerous transnational and historical connections between writers modes and forms of transmission Suitable for English literature students and scholars of the English short story generally it will become a standard work of reference in its field Women's Diaries as Narrative in the Nineteenth-Century Novel Catherine Delafield, 2016-12-05 Using private diary writing as her model Catherine Delafield investigates the cultural significance of nineteenth century women's writing and reading practices Beginning with an examination of non-fictional diaries and the practice of diary writing she assesses the interaction between the fictional diary and other forms of literary production such as epistolary narrative the periodical the factual document and sensation fiction The discrepancies between the private diary and its use as a narrative device are explored through the writings of Frances Burney Elizabeth Gaskell Anne Bront Dinah Craik Wilkie Collins and Bram Stoker The ideological function of the diary Delafield suggests produces a conflict in fictional narrative between that diary's received use as a domestic and spiritual record and its authority as a life writing opportunity for women Delafield considers women as writers readers and subjects and contextualizes her analysis within nineteenth century reading practice She demonstrates ways in which women could become performers of their own story through a narrative method which was authorized by their femininity and at the same time allowed them to challenge the myth of domestic womanhood The Cambridge Companion to the Modernist Novel Morag Shiach, 2007-04-19 The novel is modernism's most vital and experimental genre In this 2007 Companion leading critics explore the very significant

pleasures of reading modernist novels but also demonstrate how and why reading modernist fiction can be difficult No one technique or style defines a novel as modernist Instead these essays explain the formal innovations stylistic preferences and thematic concerns which unite modernist fiction They also show how modernist novels relate to other forms of art and to the social and cultural context from which they emerged Alongside chapters on prominent novelists such as James Joyce and Virginia Woolf as well as lesser known authors such as Dorothy Richardson and Djuna Barnes themes such as genre and geography time and consciousness are discussed in detail With a chronology and guide to further reading this is the most accessible and informative overview of the genre available *Encyclopedia of the Novel* Paul Schellinger, 2014-04-08

The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world **Youth Culture and the Post-War British Novel** Stephen Ross, 2018-12-13

From the Teddy Boys of the post war decade to the heroin chic of Cool Britannia the many subcultures of Britain's teenagers have often been at the forefront of social change Youth Culture and the Post War British Novel is the first book to chart that history through the work of some of the most influential contemporary British writers In this vivid work of cultural history Stephen Ross explores The manic teenage vision of Absolute Beginners The Angry Young Men of Saturday Night and Sunday Morning Skinheads and Burgess's A Clockwork Orange Irony and authenticity in the 1980s from Amis to Kureishi Heroin chic disaffection and Trainspotting Examining the cultural contexts of some of the most important and popular post 1945 British novels the book covers such themes as crises of masculinity multiculturalism and inter generational conflict and in doing so casts new light on British writing today **Realism and Space in the Novel, 1795-1869** Dr Rosa Mucignat, 2013-02-28

Posing new questions about realism and the creative power of narratives Rosa Mucignat takes a fresh look at the relationship between representation and reality As Mucignat points out worlds evoked in fiction all depend to a greater or lesser extent on the world we know from experience but they are neither parasites on nor copies of those realms Never fully aligned with the real world stories grow out of the mismatch between reality and representation those areas of the fictional space that are not located on actual maps but still form a fully structured imagined geography Mucignat offers new readings of six foundational texts of modern Western culture Goethe's Wilhelm Meister's Apprenticeship Jane Austen's Mansfield Park Alessandro Manzoni's The Betrothed Stendahl's The Red and the Black Charles Dickens's Great Expectations and Gustave Flaubert's Sentimental Education Using these texts as source material and supporting evidence for a new and comprehensive

theory of space in fiction she examines the links between the nineteenth century novel's interest in creating substantial life-like worlds and contemporary developments in science art and society Mucignat's book is an evocative analysis of the way novels marshal their technical and stylistic resources to produce imagined geographies so complex and engrossing that they intensify and even transform the reader's experience of real life places

Architecture of the Novel Jane

Vandenburgh,2010-09-01 Jane Vandenburgh the author of two highly acclaimed novels and a recent memoir offers aspiring writers the tools to create powerful and unique novels filled not only with good writing but also dynamic storytelling Architecture of the Novel is an ambitious blueprint for writers one that reveals the underlying machinery that propels a plot that is dynamic coherent and interesting Architecture of the Novel derives from the many years Vandenburgh has spent teaching the craft of fiction writing Her method points to the elemental nature of narrative A story consists of its events which are told in scenes These scenes naturally place themselves along the arc of the story in an order that provides suspense and mystery drawing characters toward the inevitability of their fictive destinies Profoundly practical yet encouraging to writers at all levels Architecture of the Novel offers the maps and mechanics to successfully guide writers toward the story that must be told

Health and Sickness in the Early American Novel Maureen Tuthill,2016-09-26

This book is a study of depictions of health and sickness in the early American novel 1787-1808 These texts reveal a troubling tension between the impulse toward social affection that built cohesion in the nation and the pursuit of self interest that was considered central to the emerging liberalism of the new Republic Good health is depicted as an extremely positive social value almost an a priori condition of membership in the community Characters who have the glow of health tend to enjoy wealth and prestige those who become sick are burdened by poverty and debt or have made bad decisions that have jeopardized their status Bodies that waste away faint or literally disappear off of the pages of America's first fiction are resisting the conditions that ail them as they plead for their right to exist they draw attention to the injustice apathy and greed that afflict them

The Cambridge Companion to the Postcolonial Novel Ato Quayson,2016 This Companion provides an engaging account of the postcolonial novel from Joseph Conrad to Jean Rhys Covering subjects from disability and diaspora to the sublime and the city this Companion reveals the myriad traditions that have shaped the postcolonial literary landscape

The Cambridge History of the English Novel Robert L. Caserio,Clement Hawes,2012-01-12 The Cambridge History of the English Novel chronicles an ever changing and developing body of fiction across three centuries An interwoven narrative of the novel's progress unfolds in more than fifty chapters charting continuities and innovations of structure tracing lines of influence in terms of themes and techniques and showing how greater and lesser authors shape the genre Pushing beyond the usual period centered boundaries the History's emphasis on form reveals the range and depth the novel has achieved in English This book will be indispensable for research libraries and scholars but is accessibly written for students Authoritative bold and clear the History raises multiple useful questions for future visions of the invention and re-invention of

the novel **Scale, Crisis, and the Modern Novel** Aaron Rosenberg, 2023-11-09 An examination of how four industrial age novelists confronted crises at new and unprecedented temporal ecological and geographical scales **Never Better!**

Miriam Udel, 2016-04-28 It was only when Jewish writers gave up on the lofty Enlightenment ideals of progress and improvement that the Yiddish novel could decisively enter modernity Animating their fictions were a set of unheroic heroes who struck a precarious balance between sanguinity and irony that author Miriam Udel captures through the phrase never better With this rhetorical homage toward the double voiced utterances of Sholem Aleichem Udel gestures at these characters insouciant proclamation that things had never been better and their rueful even despairing admission that things would probably never get better The characters defined by this dual consciousness constitute a new kind of protagonist a distinctively Jewish scapegrace whom Udel denominates the *polit* or refugee Cousin to the Golden Age Spanish *pícaro* the *polit* is a socially marginal figure who narrates his own story in discrete episodes as if stringing beads on a narrative necklace A deeply unsettled figure the *polit* is allergic to sentimentality and even routine domesticity His sequential misadventures point the way toward the heart of the picaresque which Jewish authors refashion as a vehicle for modernism not only in Yiddish but also in German Russian English and Hebrew Udel draws out the contours of the new Jewish picaresque by contrasting it against the nineteenth century genre of progress epitomized by the *Bildungsroman* While this book is grounded in modern Jewish literature its implications stretch toward genre studies in connection with modernist fiction more generally Udel lays out for a diverse readership concepts in the history and theory of the novel while also explicating the relevant particularities of Jewish literary culture In addressing the literary stylistics of a minor modernism this study illuminates how the adoption of a picaresque sensibility allowed minority authors to write simultaneously within and against the literary traditions of Europe **A Companion to Multiethnic Literature of the United States** Gary Totten, 2023-12-26 Provides the most comprehensive collection of scholarship on the multiethnic literature of the United States A Companion to the Multiethnic Literature of the United States is the first in depth reference work dedicated to the histories genres themes cultural contexts and new directions of American literature by authors of varied ethnic backgrounds Engaging multiethnic literature as a distinct field of study this unprecedented volume brings together a wide range of critical and theoretical approaches to offer analyses of African American Latinx Native American Asian American Jewish American and Arab American literatures among others Chapters written by a diverse panel of leading contributors explore how multiethnic texts represent racial ethnic and other identities center the lives and work of the marginalized and oppressed facilitate empathy with the experiences of others challenge racism sexism homophobia and other hateful rhetoric and much more Informed by recent and leading edge methodologies within the field the Companion examines how theoretical approaches to multiethnic literature such as cultural studies queer studies ecocriticism diaspora studies and posthumanism inform literary scholarship pedagogy and curricula in the US and around the world Explores the national international and transnational contexts of US
