Department of English, 1989 **Discovering Classic Fantasy Fiction** Darrell Schweitzer, 1996-12-01 The antecedents of fantasy literature extend back to the very beginnings of storytelling itself but modern fantasy became recognizable as a distinct literary form only in the late nineteenth and early twentieth centuries with the publication of the novels of William Morris and the short stories of Lord Dunsany The emphasis by these writers and their successors on ideal and sometimes less than ideal places and peoples who exist only in a realm of pure imagination laid the foundation for later works by J R R Tolkien and many others Book jacket Goethe A. N. Wilson, 2024-09-26 A N Wilson s biography of the German polymath is wild brilliant and has all the intelligence to rival its subject Frances Wilson the Telegraph Rich and full and passionate and intelligent and deeply needed for these murky times Ben Okri Exuberant and wide ranging Miranda Seymour author of The Haunted Life of Jean Rhys A spellbinding recreation of Goethe s life and work from one of our greatest biographers Goethe was the inventor of the psychological novel a pioneer scientist great man of the theatre and a leading politician As A N Wilson argues in this groundbreaking biography it was his genius and insatiable curiosity that helped catapult the Western

world into the modern era A N Wilson tackles the life of Goethe with characteristic wit and verve From his youth as a wild literary prodigy to his later years as Germany's most respected elder statesman Wilson hones in on Goethe's undying obsession with the work he would spend his entire life writing Faust Goethe spent over 60 years writing his retelling of Faust a strange and powerful work that absorbed all the philosophical questions of his time as well as the revolutions and empires that came and went It is his greatest work but as Wilson explores it is also something much more it is the myth of how we came to be modern *Directory of Publishing 2012* ,2011-11-03 Now in its 37th edition and compiled in association with the Publishers Association this is the most authoritative detailed trade directory available for the United Kingdom and the Republic of Ireland listing over 900 book publishers Comprehensive entries include where available full contact details including addresses and websites details of distribution and sales and marketing agents key personnel listing of main fields of activity information on annual turnover numbers of new titles and numbers of employees ISBN prefixes including those for imprints and series details of trade association membership information on overseas representation details of associated and parent companies In addition to the detailed entries on publishers the Directory offers in depth coverage of the wider UK book trade and lists organizations associated with the book trade packagers authors agents trade and allied associations and services The directory is also available to purchase as an online resource for more information and a free preview please visit www.continuumbooks.com/directoryofpublishing
