

Narrative: Culture and Change

- “The myths, beliefs, and practices preferred by a culture or group of cultures will find their way into those cultures’ narratives where they can be reinforced, criticized, or simply reproduced. It is possible to apprehend social change through changes in thematic or formal trends in narrative over time” (Turner 89).

- Literacy, Narrative and Culture* Jens Brockmeier, David R Olson, Min Wang, 2013-12-16 An important contribution to the multi disciplinary study of literacy narrative and culture this work argues that literacy is perhaps best described as an ensemble of socially and historically embedded activities of cultural practices It suggests viewing written language producing and distributing deciphering and interpreting signs are closely related to other cultural practices such as narrative and painting The papers of the first and second parts illustrate this view in contexts that range from the pre historical beginnings of tracking signs in hunter gatherer cultures and the emergence of modern literate traditions in Europe in the 17th to 19th century to the future of electronically mediated writing in times of the post Gutenberg galaxy The chapters of the third present results of recent research in developmental and educational psychology Contributions by leading experts in the field make the point that there is no theory and history of writing that does not presuppose a theory of culture and social development At the same time it demonstrates that every theory and history of culture must unavoidably entail a theory and history of writing and written culture This book brings together perspectives on literacy from psychology linguistics history and sociology of literature philosophy anthropology and history of art It addresses these issues in plain language not coded in specialized jargon and addresses a multi disciplinary forum of scholars and students of literacy narrative and culture
- Narrative Cultures and the Aesthetics of Religion Dirk Johannsen, Anja Kirsch, Jens Kreinath, 2020-01-29 Narrative Cultures and the Aesthetics of Religion presents the aesthetics of narrativity in religious contexts by approaching narrative acts as situated modes of engaging with reality equally shaped by the immersive character of the stories told and the sensory qualities of their performances Introducing narrative cultures as an integrative framework of analysis the volume builds a bridge between classical content based approaches to narrative sources and the aesthetic study of religions as constituted by sensory and mediated practices Studying stories in conjunction with the role that performative acts of storytelling play in the

Narrative Productions of Meanings Donileen R. Loseke, 2019-04-08 In *Narrative Productions of Meanings* Exploring the Work of Stories in Social Life Donileen R. Loseke examines the importance of stories in an anti science anti fact era where a multitude of personal social and political problems surround meaning This book s basic argument is that within such a world narrative productions of meaning are particularly important because stories can appeal simultaneously to thinking feeling and moral evaluation and because they can do this in ways that have cultural interactional and personal dimensions This book develops a framework for social science examinations of narrative it outlines relationships between stories storytelling and culture and it explores the characteristics of several types of stories including self stories stories that persuade mass audiences that public resources are required to resolve intolerable conditions and stories that justify the contents of public policy It concludes with relationships between stories and democratic politics In multiple ways this analysis crosses common divides It draws from literature spanning multiple disciplines it treats thinking feeling and moral evaluation as inseparable it bridges cultural and social psychological perspectives and it demonstrates relationships between story structure and the work people do with stories

Narrative as Social Practice Danièle M. Klapproth, 2004 This is a highly original comparative study of the oral storytelling traditions of two widely divergent cultures Anglo Western culture and Central Australian Aboriginal culture Concerned with both theoretical and empirical issues this book offers

Storying Humanity: Narratives of Culture and Society Richard Wirth, Dario Serrati, Katarzyna Macedulska, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2015 Since time immemorial storytelling has held a critical place in the heart of human identity Whether for entertainment education artistry or even survival storytelling has served as an integral tool for expression and existence in every society and civilization across the globe Our world has never been more connected with stories of our past available at the touch of a key and the ever advancing present unfolding through personal experiences that are instantaneously narrated online Through stories we may gain perspective into the histories cultures and experiences of remote places and peoples achieve greater understanding of complex social issues and closed off societies or add to the collective global narrative through blogging and social media This collection presents the reader with multicultural and interdisciplinary academic insight into the ability for storytelling to illuminate our world and narrativize humanity

Analyzing Narrative Anna De Fina, Alexandra Georgakopoulou, 2011-11-24 The socially minded linguistic study of storytelling in everyday life has been rapidly expanding This book provides a critical engagement with this dynamic field of narrative studies addressing long standing questions such as definitions of narrative and views of narrative structure but also more recent preoccupations such as narrative discourse

and identities narrative language power and ideologies It also offers an overview of a wide range of methodologies analytical modes and perspectives on narrative from conversation analysis to critical discourse analysis to linguistic anthropology and ethnography of communication The discussion engages with studies of narrative in multiple situational and cultural settings from informal intimate to institutional It also demonstrates how recent trends in narrative analysis such as small stories research positioning analysis and sociocultural orientations have contributed to a new paradigm that approaches narratives not simply as texts but rather as complex communicative practices intimately linked with the production of social life

Telling Stories Deborah Schiffrin, Anna De Fina, Anastasia Nylund, 2010-03-09 Narratives are fundamental to our lives we dream plan complain endorse entertain teach learn and reminisce through telling stories They provide hopes enhance or mitigate disappointments challenge or support moral order and test out theories of the world at both personal and communal levels It is because of this deep embedding of narrative in everyday life that its study has become a wide research field including disciplines as diverse as linguistics literary theory folklore clinical psychology cognitive and developmental psychology anthropology sociology and history In Telling Stories leading scholars illustrate how narratives build bridges among language identity interaction society and culture and they investigate various settings such as therapeutic and medical encounters educational environments politics media marketing and public relations They analyze a variety of topics from the narrative construction of self and identity to the telling of stories in different media and the roles that small and big life stories play in everyday social interactions and institutions These new reflections on the theory and analysis of narrative offer the latest tools to researchers in the fields of discourse analysis and sociolinguistics

Narrative Power Ken Plummer, 2019-05-29 Narratives are the wealth of nations they animate life sustain culture and cultivate humanity They regulate and empower us bringing both joy and discontent And they are always embedded in ubiquitous power stories shape power and power shapes story In this provocative and original study Ken Plummer takes us on a journey to explore some of the key dimensions of this narrative power His main focus is on what he calls narratives of suffering and how these change through transformative narrative actions across an array of media forms The modern world is in crisis and long standing narratives are being challenged in five major directions through deep inequalities global state complexities digital risks the perpetual puzzle of truth and the ever emerging contingencies of time Asking how we can build sustainable stories for a better future the book advocates the cultivation of a narrative hope a narrative wisdom and a politics of narrative humanity Narrative Power suggests novel directions for enquiry discusses a raft of innovative ideas and concepts and sets a striking new agenda for research and action

Houston, We Have a Narrative Randy Olson, 2015-09-15 Communicate more effectively about science by taking a page from Hollywood and improving your storytelling skills Ask a scientist about Hollywood and you'll probably get eye rolls But ask someone in Hollywood about science and they'll see dollar signs Moviemakers know that science can be the source of great stories with all the drama and action that blockbusters require That's a huge mistake says Randy Olson Hollywood has a lot to teach scientists about how to tell a story and ultimately how to do science better With *Houston We Have a Narrative* he lays out a stunningly simple method for turning the dull into the dramatic Drawing on his unique background which saw him leave his job as a working scientist to launch a career as a filmmaker Olson first diagnoses the problem When scientists tell us about their work they pile one moment and one detail atop another moment and another detail a stultifying procession of and and and What we need instead is an understanding of the basic elements of story the narrative structures that our brains are all but hardwired to look for which Olson boils down brilliantly to And But Therefore or ABT At a stroke the ABT approach introduces momentum And conflict But and resolution Therefore the fundamental building blocks of story As Olson has shown by leading countless workshops worldwide when scientists' eyes are opened to ABT the effect is staggering suddenly they're not just talking about their work they're telling stories about it And audiences are captivated Written with an uncommon verve and enthusiasm and built on principles that are applicable to fields far beyond science *Houston We Have a Narrative* has the power to transform the way science is understood and appreciated and ultimately how it's done

Culture, Indigenous Knowledge and Development in Africa Mawere, Munyaradzi, 2014-03-16 The continent of Africa is richly endowed with diverse cultures a body of indigenous knowledge and technologies These bodies of knowledge and technologies that are indeed embodied in the diverse African cultures are as old as humankind From time immemorial they have been used to solve socio economic political health and environmental problems and to respond to the development needs of Africans Yet with the advent of colonialism and Western scientism these African cultures knowledges and technologies have been despised and relegated to the periphery to the detriment of the self-reliant development of Africans It is out of this observation and realisation that this book was born The book is an exploration of the practical problems resulting from Africa's encounter with Euro colonialism a reflection of the nexus between indigenous knowledge culture and development and indeed a call for the revival and reinstitution of indigenous knowledge not as a challenge to Western science but a complementary form of knowledge necessary to steer and promote sustainable development in Africa and beyond This is a valuable book for policy makers institutional planners practitioners and students of social anthropology
